**Business Cycle Veering** Downward, Banker Says PORTLAND, June 2.-(P)-The business cycle is on the down-

swing, R. M. Alton, Portland banker, told the American Institute of Banking convention here. In a talk on trusts and investments, he said that "if the beneficiaries of trust can stand the current low rate of return, the ideal investment, we believe, is short and medium term governments, and best-grade corporate

November, 1948... it is my guess that we now are somewhere between 1 and 2 o'clock—or in the early stages of the downswing."

The News-Review classified ads bring best results. Ph.ne 100.

graduating class of 791 with a scholastic score of 1055.47 out of a possible 1140. (AP wire-

and municipal issues. Later in the cycle, certain of these might well be replaced with higher income investments. It is now the time to stress quality."

Comparing business to a clock, he said the clock "struck 12 in November, 1948... it is my guess that we now are somewhere between 1 and 2 o'clock—or in the early stages of the downswing."
