Chicago White Sox for a sum reported ranging from \$50,000 to \$75,000.

Frank Lane, White Sox general manager, who handled the signing ceremony at Comiskey Park yesterday, did not disclose the bonus figure, but he said it was "very, very substantial." He said seven other major league clubs, including the New York Yankees, Pittsburgh Pirates and Cleveland Indians, were among the top bidders for Baumer's services.

Lane said Baumer, who is 6 feet, 2 inches tall, and weighs 185 pounds, will be assigned to Waterloo, Iowa, a White Sox farm club in the Three-I League.

Peewee Player Turnout Points To Four Teams

A large turnout of prospective peewee ball players—46 altogether—registered Thursday at Finlay Field. Coach Barney Koch said more are expected to sign today.

Peewee baseball players will include boys 17 years and under. Coach Koch reported enough material is anticipated to form at least four teams.

Fundamentals will be stressed during the first month. Instruction will be given five mornings each week, 9 a. m. until Friday, from Monday through Friday. Teams will be paired off for practice games each afternoon from one o'clock until three.

League play and a dividend strategy will commence in the early part of July, Koch indicated. The league will include players in the Roseburg area. Koch said some "outside" games may be played with clubs in other cities, but for the most part, the local group will play amongst themselves.

Koch also said that persons interested in sponsoring peewee teams are invited to do so. He added that the peewee teams will be outfitted with uniforms if funds are available.

Ball Players' Plea For Reinstatement Rejected

NEW YORK, June 3.—(AP)—The United States Court of Appeals Thursday denied the request of three former major league baseball players that they be re-instated immediately.

The trio is banned from baseball for five years for jumping to the Mexican League in 1946.

Yesterday's ruling pointed out that it would "seem highly desirable" the players' damage suits charging organized baseball with violations of the anti-trust acts be "brought to trial as soon as possible."

The players are Danny Garella, one-time outfielder with the New York Giants; Max Lanier and Fred Martin, former St. Louis Cardinal pitchers.

New Season Slated For Salmon Trolling

PORTLAND, June 3.—(AP)—The State Fish Commission Thursday proposed a season for troll catching of chinook salmon—and no one objected.

The commission outlined its program at a public hearing, and when no objections were made, indicated it would be put into effect shortly.

Under the program, Chinooks—which now may be troll-caught the year round—may be troll-caught from March 15 to October 31. Silver salmon may be troll-caught from June 15 to October 31, instead of the present period of July 1 to November 15.

The new regulations would lower the limit on Chinooks from 27 to 26 inches. There would be no length limit on silvers.

The changes are in line with those planned by Washington state, to bring about coastal uniformity.
