Sutherlin School Band Presents First Concert

By MRS. BRITAIN SLACK
(News-Review Correspondent)

Wednesday evening of last week, the Sutherlin school band gave a concert at the school gymnasium under the direction of Curtis Winders. The band was organized about four or five months ago and only three of its members had ever played an instrument before.

An exceptional program was given. Much credit is due Mr. Winders for the hard work and time he has given and also the band members who have worked and practiced so diligently at home.

Two guest musicians from the Christian Bible Academy at Canyonville and one from Oakland assisted with the program.

Mr. Winders delighted the audience with his explanation of the difference between the violin and the fiddle. Two violin solos were played by Mr. Winders, accompanied at the piano by Mrs. Howard Magill, which were enjoyed by all.

The Parent-Teachers Association members voted last fall to have music as their project and as a result the band was organized and part of their dream was realized when the band appeared before the public last Wednesday evening.

After the concert cake and ice cream were served to the members of the band and their parents. Mrs. Kenneth Briscoe was in charge.
