

High Commendation Given Roseburg High School Band At Portland Rose Festival

The Roseburg High School Band enjoyed the Portland Rose Festival, and the Festival crowd, judging from comments heard on all sides, enjoyed the Roseburg band. Seventy tired youngsters and their 19 chaperones arrived home Sunday afternoon following their strenuous Portland appearance.

The Roseburg band won high commendation from Festival officials for their performances, while spectators at Friday's floral parade were loud in their appreciation of the band's snappy cadence and their two parade specialties, the entire band strutting to the tune of "Darktown Strutters Ball" and waltzing to the tune of "The Man on the Flying Trapeze." The band was still strutting and waltzing at the end of the five-mile march, which had their official escorts amazed by the show of endurance.

Liberal With Serenades

The band left Roseburg Wednesday morning, arriving in Portland at 1:30 p. m. After changing into uniforms at the Lewis and Clark College dormitories, they paraded the Portland business dis-

trict for three hours.

They took over the Meier and Frank store, riding escalators and snaking through various departments, then marched to The Oregonian building and serenading the staff. At the Journal building they were invited into the huge lobby, were welcomed by Wm. Knight, assistant business manager, former Roseburg resident, and were treated to soft drinks.

They serenaded Portland's mayor, Dorothy McCullough Lee, and played "Smoke Gets in Your Eyes" for Portland's fire chief and the city's No. 1 fire crew.

Parading to the waterfront, the band serenaded the Canadian flag-ship, HMCS Ontario. Because the ship had not yet passed customs, the band could not accept the invitation to board the vessel but played from the docks. Canadian sailors were greatly pleased by the jitterbug number featuring Pauline Smith, head majorette, and Gary Smith.

Thursday morning and afternoon the band rehearsed for the Territorial Band Jamboree in which 16 visiting, high school

bands participated at Multnomah Stadium at night.

Friday's program featured the Floral parade, band members being guests at the night show at the Stadium.

Saturday was devoted to a frolic at Jantzen beach.

The return trip was started Sunday morning.

Roseburg band members praised highly the Butte, Montana, High School Band, which was the sensation of the Festival. The Butte Band had uniforms for all occasions, the best of equipment, and exhibited exceptional training in precision drill, marching and music, it was stated.

Fresh shrimp should be cooked carefully—not too long, in a small amount of water. Put a cup of water in a heavy saucepan with a tightly fitting cover and add three or four peppercorns, the top of a celery stalk, a bay leaf, and a teaspoon of salt; bring to a boil and simmer for about five minutes. Now add

a pound of shrimp, bring rapidly to a boil again, cover, and simmer for about 5 minutes for small or medium shrimp. Jump bo shrimp may require a few minutes extra cooking time. Drain, peel, and remove the black vein with a small sharp knife.
