Middlecoff And Mangrum Play

DETROIT, June 20.—(A)—Cary Middlecoff and Lloyd Mangrum, two of the nation's top pro golfers, heatied home ward with \$2,250 each today after playing all even in a unique sudden death tournament extra.

Then they set out on the sudden death playoff that went 11 thrilling holes before it was called by mutual agreement with the two splitting the champions ship and the \$2,500 and \$1,900 first and second prize money.

Local golfing authorities said it was the first such overtime match in a PGA tournament here and the first time there had been co-champions in any PGA bigtime event.

Mongrum declared "this playoff takes the cake," and said he could not recall a similar finish. The sudden death playoff idea was worked out by the tournament sponsors because Ben Hogan and E. J.
