**Oregon Doctor Given Degree After 59-Year Wait**

BURLINGTON, Vt., June 21.—(AP)—Dr. Albert G. Prill, who practiced medicine 59 years in Oregon, finally has received his doctor of medicine degree. The award was made today at the University of Vermont commencement exercises. Prill, a resident of Scio, Ore., will not be present to get the award personally. A member of the class of 1889, he was unable to take his final examinations for graduation because of illness. He went to Oregon and under the medical practice act of that time became a licensed physician. He started practice in 1889. For 53 years he was a surgeon for the Southern Pacific Railroad. He is a member of the Pacific Coast Railway Surgeons, the Oregon State Medical Society and

the American Medical Association. He retired recently after 59 years of practice.

**Moratorium On Mining Job Extended For Year**

PORTLAND, June 21.—The State Department of Geology and Mineral Industries has been advised that the mining claim as-

essment moratorium has been extended for another year. F. W. Libbey, director of the department, was notified by Rep. Ellsworth (R-Ore.) that President Truman had signed the moratorium bill. It lifts for another year the normal requirement that unpatented mining claims must have \$100 worth of work done upon them annually.
