

WHO DOES WHAT By Paul Jenkins

GLENN TAYLOR kneels beside a display of fire extinguishers at his office and shop at 220 North Main street. Here he sells new equipment and services extinguishers of all makes, continuing the work which he did as a sideline while with the Roseburg Fire Department. He was with the department 37 years, 20 years as a volunteer, 10 as driver and the past seven as chief, only recently accepting retirement. He knows the insides of a fire extinguisher as a jeweler knows those of a watch.

FALLS GIVEN NAME OF HERO

Dedication Sunday Will Honor Memory Of Robert G. Campbell

Falls in the South Umpqua River, near one of the better Chinook salmon fishing holes, will be dedicated Sunday to the memory of a Forest Service employee who lost his life in the recent war.

In the Day's News

By FRANK JENKINS

AS these words are written, it looks like the foreign ministers of Russia, Britain, France and the United States may have reached a face-saving agreement to keep the cold war cold. A Paris dispatch says: "It is understood that in return for the West's reopening of trade with the East Russia will issue a statement guaranteeing the West free access to Berlin, thus preventing another blockade of the city."

THIS is the point: When the Russians blockaded us in Berlin, we BLOCKADED THEM from the banks of the Elbe. That is to say, we refused to sell them anything from our part of Germany.

In the long run, as it turned out, that hurt them more than their blockade of Berlin hurt us. It cost us a lot to teach them that lesson, but over the next generation (during which the

Polio Spreading Over Texas, Warning Issued

SAN ANGELO, Texas, June 22.—(AP)—Eight more polio patients were in San Angelo hospitals today, Texans were warned the disease is increasing over the state. "We have reports of 107 cases for the week ending June 18," said State Health Officer Dr. George W. Cox. "That's too many. There were only 97 the week before."

Hugh Dean Arrested On Grand Theft Charge

Hugh Dean, 21, was arrested by Sheriff's deputies Thursday at Winston and is being held on a grand theft charge for California authorities, reported Sheriff O. T. "Bud" Carter. Dean, wanted by Alhambra, Calif., police, is charged with theft of a 1941 Chevrolet car. His bail was set in the warrant for his arrest at \$2,000.

Social Security Extension, Taxation Changes Favored By Oregon Labor Federation

EUGENE, June 22.—(AP)—The independent spirit of delegates to the State Federation of Labor convention was more in evidence today. Once again delegates on the floor overrode recommendations of their officials yesterday, passing a resolution that had been turned down by Eugene Allen's Committee on Laws and Legislation. The day previous they had voted for outright repeal of the Taft-Hartley act, ignoring advice from officials. The vote yesterday came on a resolution that advocates extension of social security to all workers. It proposes lifting contributions from 1 to 5 percent, lowering of old age limits from 65 to 60 years, and payment of \$75 monthly to recipients. The committee recommended against the bill, arguing that the national AFL should set the policy. Confusion would result if

Congressmen Trade Punches In House

Cox Brands Sabath Liar, Slaps Him

Sabath Retaliates With One-Two Swats; Housing Bill Cause Of Fracas

WASHINGTON, June 22.—(AP)—A punch-throwing encounter between 83-year-old Rep. Sabath (D-Ill.) and Rep. Cox (D-Ga.) took place on the house floor today, touched off by dispute over the administration's housing bill. An eye witness, Rep. Walter (D-Pa.), said Cox, who is in his 60s, slapped Sabath in the mouth and knocked off his glasses. He said Sabath countered with a one-two right and left to Cox's face before they were parted. The unblinded one-rounder came during a quorum call to get more members to the floor for the start of debate on the Housing bill. Walter said it began in an argument over whether Sabath would give Cox time to talk. There had been a bitter previous debate, with Sabath jumping on the "real estate lobby" and pleading with the house to help "deserving American citizens" who are crying for housing. Lie Passed; Then Blows Then came the quorum call. That stops business and reporters in the gallery over the chamber went outside to write. The scrap between Sabath and Cox sent them rushing downstairs to the floor, where Walter told them that this happened: Sabath was sitting down at a table when Cox came up, leaned over and asked for 10 minutes to make a speech. Sabath, as chairman of the Rules Committee, is portioning out time for debate over what rule the housing legislation shall be considered under. Sabath told Cox he didn't have that much time. "Cox called him a liar," Then, Walter went on: "Cox slapped him in the mouth and knocked off his glasses. Sabath jabbed him back, a right and a left to the face. A pair of beauties!"

Then, Rep. Delaney (D-NY) jumped in between them with his 200 pounds. Cox walked away but came back in two or three minutes. Sabath motioned him off with a hand and a crowd of Congressmen gathered around to stop any (Continued on Page Two)

County Home's Location Fixed

Institution Will Be Near New Hospital

Other County-Owned Land Considered For Site Will Be Sold

The new County Home for Douglas County indigents will be constructed on property to be purchased from the Douglas County Community Hospital Association, Inc., and will be constructed in the vicinity of the hospital, it was announced today by the County Court.

Other property owned by the county as proposed sites for the county home are to be sold. An order authorizing their sale has been signed by members of the Court. The property will be advertised for sale by bids.

The two sites to be sold are 4.68 acres, comprising the old County Home site on the Dixonville county road. The other tract consists of 66.29 acres located partly in Civil Bend Orchard Tracts and partly in Roseburg Home Orchard Tracts near Winston. This latter property was acquired later in 1942 or early in 1943, said County Judge D. N. Busehark.

The voters of the County last November approved a measure to raise a four-mill tax levy over a two-year period for construction of the new County Home. The cost is estimated at about \$400,000. The site chosen will have several advantages, but principally it will be close to sewer connections. While the Community Hospital tract is not now in the city limits, a move is on foot to have the property annexed. This would make possible hooking up to city sewer lines.

The County Home, while near the hospital, would be a complete and separate unit, according to present plans.

Dedication Set For Fireplace On Facility Grounds

Dedication of a large outdoor fireplace on the Roseburg Veterans Hospital grounds is scheduled at 1:30 Sunday afternoon, under auspices of Umpqua Post No. 16, American Legion.

The fireplace has been under construction for the past four years. Built of native limestone, the fireplace also includes two complete cooking units and an outdoor barbecue pit. The entire structure is roofed with a canopy.

Roy O. Young, commander of Umpqua Post No. 16, announced that B. F. (Kelley) Owens, state commander of the American Legion, will be here for the program. Presentation speech will be delivered by Vic Micelli, chairman of the committee for the fireplace, while Dr. H. J. Haskins, hospital manager, will accept the gift on behalf of the Veterans Administration.

Micelli said the fireplace represents a cost of more than \$2,000, largely raised by Umpqua Post. Some of the funds were donated for the project from the Gifts for the Yanks Who Gave, annual state-wide fund collected by the Legion.

The fireplace is located in the grove on the east side of the Veterans Hospital grounds, near the South Umpqua River and just off the patients' recreation field.

'Unsettled' Market Shuts Plywood Mill

ABERDEEN, Wash., June 22.—(AP)—Because of "unsettled" market conditions the Aberdeen Plywood Corporation will close down Friday night for at least three weeks, the first two of which constitute the regular summer vacation for the company's 360 workers.

Vern Nyman, vice-president and general manager, said officials will study market conditions during the layoff. "and if there appears to be a general leveling off in prices, operations may resume July 19."

If the market remains unstable, however, the mill will remain closed, he said.

Tillamook Votes Bonds For New High School

TILLAMOOK, June 22.—(AP)—Tillamook is assured of a new high school, to be constructed in the southeast part of town.

Voters approved an \$800,000 bond issue Monday, 636 to 525, to finance construction. The newly organized Tillamook Y.M.C.A. has taken an option on the old high school, for use after December, 1951.

OWEN W. PRICE has been employed as vice-principal of Roseburg Senior High School, a position similar to the one he held at La Grande High School. He is completing his studies for his master's degree at the University of Oregon this summer. A graduate of La Grande High School and of the Eastern Oregon College of Education, he has served as an elementary school principal at Nyssa and The Dalles. He has been an instructor in The Dalles and La Grande High Schools, serving at the latter place as vice-principal and dean of boys.

Wage Agreement Ends N. Y. City Brewing Tie-Up

NEW YORK, June 22.—(AP)—The city's big brewing industry started humming again today after settlement of an 82-day strike.

The 6,700 strikers began reporting for work last midnight, and local beer was expected to be in full supply by tomorrow. An estimated 1,000,000 barrels was freed for quick delivery to the city's 11,322 drinking spots and 14,165 beer-licensed grocery stores and delicatessens.

Terms of the settlement included a pension plan financed by the employers and a pay increase of \$2 a week across the board.

Under the new contract, inside workers will receive a basic \$75 a week, drivers \$72 and truck helpers \$67.

The union's original demands included a pay increase of \$8.50 a week and a 35-hour week.

Boy Shoots At Bird, Wounds Woman At Work

PRINEVILLE, June 22.—(AP)—A small boy took a shot at a blackbird the other day and got Mrs. Charles Smith in the hip. That's what Sheriff Ralph Jordan said today after an investigation.

The bullet whizzed through a screen door and hit Mrs. Smith as she was ironing. The bullet was nearly spent, and caused only a flesh wound.

The sheriff said he and state police dug six other .22 caliber bullets from the woodwork of the Smith home. Then he found the youngster, who admitted shooting at birds. The youth was turned over to juvenile authorities, but no charges are expected to be filed.

Doctor George E. Houck Stresses Club's Role In Roseburg's Progress

Dr. George E. Houck Tuesday noon was presented with his 25-year "legion of honor" certificate and a 25-year pin for membership in the Roseburg Kiwanis Club.

Dr. Houck, a charter member of the local service club, was unable to be present, because of ill health, when other charter members received their "legion of honor" certificates and pins at a formal ceremony last fall at the Country Club.

Dr. Houck, at 75, is the oldest Kiwanian in the Southwest Oregon District, he said. He has been a practicing physician for 59 years, for the most part in Roseburg.

Paul Geddes, who made the presentation, stated that Dr. Houck was one of those persons who was never too old to learn, and told how he had always been one of the first to study and use modern methods.

Relating the wonderful growth of Roseburg, Dr. Houck stated that this could be attributed in part to the efforts of local service organizations, such as Kiwanis, in promoting the betterment of the community. He compared those people who sit back and take things as they come to a catfish, which became lodged in a

Northeastern States Sizzle In Heat Wave

Prolonged Spell Ruins Crops, Imposes Bans On Use Of State Forests

(By The Associated Press) A June heat wave in the nation's Northeastern States sizzled on today amid a growing fear of serious damage to farm crops. The long, dry spell—no heavy rains in three weeks—intensified the hazard of fires in the heavily wooded areas of the New England states, New York and New Jersey. No immediate relief from the unseasonable heat appeared in prospect. Temperatures climbed into the 90's over the parched areas yesterday.

In Massachusetts alone, the hot, dry weather has caused an estimated \$5,000,000 damage to crops. Hay and vegetable crops have suffered the most damage. John Chandler, Massachusetts agriculture commissioner, said the second hay crop is scorched and "just isn't growing." Farm officials fear a milk shortage later as well as other damaging effects to the dairy industry because of damage to hay and pasture land.

In New York State, where no substantial amounts of rain have fallen since the end of May, the

Manager Of New Douglas Community Hospital Will Be Alvin C. Knauss Of Texas

Alvin C. Knauss of Palacios, Tex., has been chosen by the Douglas Community Hospital Association, Inc., board of directors as manager of the new hospital, which will be constructed here soon.

Announcement of the selection was made today by Dr. J. M. Boyles, chairman of the selection committee, and Dr. Roy E. Hanford, association president.

Knauss was chosen from a large list of applicants, some by mail and some by personal interview. The Association has been striving for the last five months to secure a manager suitable for the position, it was announced.

According to Dr. Hanford, a manager is being employed at this time in order that he may coordinate the work of the organization from the ground floor up. He will have charge of purchasing of necessary equipment and the hiring of a staff, so that when the hospital is completed there will be no delay in its immediate operation.

Well Experienced Knauss comes here highly recommended. He is a master of hospital administration, having been graduated from the University of Chicago in 1944. He took his pre-school work at the University of Buffalo, N. Y. He has held hospital managements at Tampa, Fla., and at Palacios, Tex.

He is a member of the American Hospital Association, the Texas Hospital Association, American Biological Association, American Physiotherapy Association and a member of the Board of Anesthesia, which qualifies him to administer anesthetics. He is also a member of Rotary and of the Junior Chamber of Commerce. He has served as a Boy Scout commissioner in Houston, Tex., and is interested in Boy Scout work.

Knauss, who arrived in town this week, is taking over his position immediately. He is married and has two children. At present he is searching for a home.

Calkins Road Home Periled By Firecracker

A firecracker might have been the cause of destruction of a home on the Calkins Road Tuesday afternoon.

The house was saved, but a grass fire started by a firecracker burned dangerously close to the home.

Fire Chief William E. Mills said firemen put out the grass fire after it had burned over approximately one acre. The flames spread to about 10 feet from the house, whose owners are visiting in Portland this week.

The fire chief cautioned against the careless use of fire crackers and urged that they be used only in places where there is no danger of fire. Use of fireworks are prohibited within the city limits.

The fire chief did not know the name of the owners of the home threatened by fire yesterday.

Governors Likely To OK European Arming Plan

COLORADO SPRINGS, Colo., June 22.—(AP)—Governors of the nation turned their attention to highways today as they neared the end of their four-day annual conference.

A round-table discussion on highway construction, regulation and safety was the morning's principal business.

They appeared ready to give indirect approval to the administration's \$1,130,000,000 program to arm Western Europe against the threat of Communism.

Returned Editor Says Marshall Plan Success

ATLANTIC CITY, N. J., June 22.—(AP)—Henry R. Luce said today the Marshall Plan "has been a real, genuine, 18-carat success."

Luce, editor of Life, Time and Fortune Magazines, recently returned from a six-week tour of Europe.

In an address to the 34th annual convention of Kiwanis International, Luce said Europe now needs "a sound financial system."

He said that rather than discontinue the Marshall plan, "I think Paul Hoffman (Marshall plan administrator) should be given every nickel he asks for."

Astoria Unable To Take Over Naval Hospital

ASTORIA, June 22.—(AP)—The city of Astoria decided "reluctantly" that it couldn't afford to take over the surplus Naval Hospital for housing.

The Coast Guard had appealed for housing for 125 families of its employees; and the city wanted to do something about it. But architects reported that to convert the hospital into living units would cost \$300,000—more than the city can spend. As a result, the hospital will be sold for demolition.

Horse Meat Sale As Hamburger Charged To Trio

PORTLAND, June 22.—(AP)—Three men were arrested today after a month-long investigation into reports that horse meat was being sold to restaurants here as hamburger.

Detectives and city officials, after an early morning raid at the Salem Meat Company Plant, a Portland concern operating in the Southwest district, took these men into custody.

Samuel M. Crystal, a partner in the firm; Stanley M. Rickard, 35, Hillboro butcher; and Matt M. Slaughter, 37, a butcher for the firm.

Detective Prescott Hutchins said Crystal and Rickard were charged with violating the city health ordinance by illegal possession of horse meat. Ball was set at \$1,000 each. Slaughter was released on his own recognizance as a material witness.

Hutchins said some 2,000 pounds of horse meat was unloaded this morning by Crystal and Rickard from crates labeled "turkeys." As he Detective Noel Eck and a number of city aides watched, the horse meat was taken into the plant where Slaughter was operating a grinding machine.

Hutchins said the meat was traced from a slaughter house outside the city. The State Health Department is investigating there, he said.

The detective said city officials told him horse meat was priced at 7 cents a pound. With steer fat added, it had the appearance of steer hamburger and sold at 45 cents a pound wholesale, he said.

Oregon Man Killed In Iowa Traffic Crash

POSTVILLE, Ia., June 22.—(AP)—The death of Herman Miller, 36, Vada, Ore., was reported here yesterday. He was crushed against a guard rail when an automobile in which he was riding skidded on a hill.

Phillip Cutting, 21, Seaside, Ore., the driver, was not injured.

Oldest Regional Oregon Kiwanian Honored

LEGION OF HONOR—Paul Geddes, on left, is shown here presenting to Dr. George E. Houck his 25-year "legion of honor" certificate for membership in the Roseburg Kiwanis Club. Dr. Houck also received a 25-year pin. The presentation was made at he Kiwanis meeting Tuesday.

barrel when small. It could eat only what came to it and contributed nothing to its social structure.

Dr. Houck is a past Kiwanis president and a past lieutenant governor.

The presentation was a part of all-Kiwanis week, which was observed at the meeting. There are 3,000 clubs and 300,000 members of the International.

ALVIN C. KNAUSS Will manage hospital

West Roseburg Meet To Discuss Sanitation Plan

Meeting of residents of the West Roseburg area to discuss proposed sanitary improvements is scheduled next Tuesday, June 28, at 7:30 p.m. in the Free Methodist Church, corner of Umpqua and Harvard Aves.

Al Rowe, chairman of the unofficial West Roseburg Committee, announced that James Howland, of the Corvallis engineering firm of Cornell, Hayes, Howland and Merryfield, has completed a preliminary survey and will present his report at the meeting.

Rowe said that West Roseburg residents are hoping to install sewers and to cooperate with the North Roseburg Sanitary District and the Roseburg Veterans Hospital in construction of a sewage treatment plant.

Although no definite plans for the proposed plant have been worked out, it has been suggested that it be located on the South Umpqua River below the Veterans Hospital grounds, so as to serve all of the West Roseburg and North Roseburg areas.

Residents of West Roseburg and adjoining areas are invited to next week's meeting, so that they may have a voice in determining boundaries of the proposed West Roseburg Sanitary District.

Man Kills Wife, Judge Self In Court Tragedy

PORT ARTHUR, Ont., June 22.—(AP)—A defendant in a family court case drew a gun in the courtroom yesterday and took the lives of his wife, the presiding judge and himself.

Police said William Gray, 50, a theater ticket taker, suddenly opened fire in the juvenile and family court.

Gray succumbed in a hospital. Police gave this account: Gray was brought into court to face a charge of non-support of his wife and three children. Just as the case opened Gray took a gun from his pocket and fired on his 40-year-old wife and Judge Bruce T. McKintire. Mrs. Gray was killed outright. McKintire died in a hospital a short time later.

Gray turned the weapon on himself, inflicting a chest wound. Then he reloaded the .32 caliber gun and shot himself again.

Returned Editor Says Marshall Plan Success

ATLANTIC CITY, N. J., June 22.—(AP)—Henry R. Luce said today the Marshall Plan "has been a real, genuine, 18-carat success."

Luce, editor of Life, Time and Fortune Magazines, recently returned from a six-week tour of Europe.

In an address to the 34th annual convention of Kiwanis International, Luce said Europe now needs "a sound financial system."

He said that rather than discontinue the Marshall plan, "I think Paul Hoffman (Marshall plan administrator) should be given every nickel he asks for."

George Sharp Still Under Mental Exam

TACOMA, June 22.—(AP)—The case of George Sharp, Vancouver youth accused of dynamiting the home of his parents, was set over in Federal District Court here today to next Monday.

Judge Charles H. Leavy granted the delay when the boy's parents said they wished more time to complete a psychiatric examination and obtain counsel. Sharp previously declined the assistance of counsel.

MANAGER DROPS DEAD

SALEM, June 22.—(AP)—Winfield C. Clarke, 43, manager of the Salem office of the State Liquor Commission, dropped dead last night.

He leaves his mother, Mrs. Winifred Rigdon Herlick.

Criminal Cases Given Action In Circuit Court

A 17-year-old youth of Sutherlin, charged with larceny of an automobile, Monday pleaded guilty to the charge and was sentenced to one year in the state penitentiary, then released on probation by Circuit Judge Carl E. Wimberly.

The youth and another boy, age 15, were arrested by Roseburg City Police June 16, in possession of a car owned by Rudolph Solnicka of Park Rose Motel. The younger boy has been turned over to juvenile authorities.

Roger Cecil Spurlock, charged with non-support of his wife and minor child, was sentenced to a year in the penitentiary, but placed on probation, provided he pay \$75 a month support money to the clerk of the Circuit Court.

Merle Lee Palm and Raymond Frederick Arthur, charged with entering a motor vehicle "with intent to steal therein" on May 20, pleaded guilty to the charge before Judge East of Eugene, and Judge Wimberly. The judge suspended imposition of sentence and placed them on nine-months' probation. Sentencing will not be imposed unless they violate terms of their probation.

Frank Cooper, appearing before Judge Wimberly, on a charge of threatening to commit a felony, pleaded innocent and was released on his own recognizance. He allegedly threatened to kill John DeGroot on June 9, according to the District Attorney's information.

George Sharp Still Under Mental Exam

TACOMA, June 22.—(AP)—The case of George Sharp, Vancouver youth accused of dynamiting the home of his parents, was set over in Federal District Court here today to next Monday.

Judge Charles H. Leavy granted the delay when the boy's parents said they wished more time to complete a psychiatric examination and obtain counsel. Sharp previously declined the assistance of counsel.

MANAGER DROPS DEAD

SALEM, June 22.—(AP)—Winfield C. Clarke, 43, manager of the Salem office of the State Liquor Commission, dropped dead last night.

He leaves his mother, Mrs. Winifred Rigdon Herlick.

Levity Fact Rant

By L. F. Rosenstein

The fist encounter between congressmen on the House floor today was just a cultured preliminary by the 'intelligentsia' to the abysmal-brute combat between Walcott and Charles in Chicago tonight.
