

McMahon Refuses To Halt Atomic Investigation

WASHINGTON, June 25.—(AP) Chairman McMahon (D-Conn.) of the Senate House Atomic Committee has turned thumbs down on a demand by Rep. Price (D-Ill.) that the congressional investigation of the Atomic Energy Commission be halted.

Senator Hickenlooper (R-Iowa) has charged "incredible mismanagement" of the commission. This set in motion an inquiry that enters its fifth week Tuesday. No hearing is scheduled Monday because Hickenlooper will be in meeting.

Price, a member of the committee, charged in a statement yesterday that the investigation has taken up the time of "almost every top official in the commission" and "up to now it may well be that this investigation has done more harm than good."

He asked for a "halt."

McMahon replied that he had stated the American people "were entitled to a full and fair presentation of the evidence on which Hickenlooper based his charges, and that the commission was entitled to an equal opportunity to reply."

Willkie's Son Seen As Darkhorse In Election

"We cannot win on a negative, do-nothing, critical plan," he declared.

Reginaldo Espinoza, N. M., was elected chairman of the Western States' Council of Young Republicans after a bitter debate and prolonged caucusing by western party delegates.

Other officers elected included: Virginia Cobert Olson of Yakima, Wash., co-chairman; and Mrs. Betty Moulton of Medford, Ore., secretary.

Vice Chairmen elected from each state to sit on the executive committee included: Charles Maxey, Oregon; and Mrs. Beryl Durst, Washington.

The council adopted a resolution condemning the authority type of river development and calling for a "sound water program under existing governmental agencies."

Douglas Co. Janitors Convene For Sessions

More than two dozen janitors learned how to improve their housekeeping methods, at a conference this morning in the Junior High School.

Guy Davis, of the Oregon Technical Institute at Klamath Falls, was principal speaker at the conference, arranged by W. J. Mess, maintenance supervisor of Roseburg School District No. 4.

Discussions concerned the materials that have been developed for cleaning and preserving floors and walls. This afternoon he was to talk on maintenance of heating plants.

Davis said he welcomed the opportunity to be in Roseburg. He has a grandson, son of Fathers Day, to his son and daughter-in-law, District Attorney and Mrs. Robert G. Davis.

Davis said he had requested Mess to schedule the janitors' meeting today, that he might see the new baby, then return to Klamath Falls with his wife, who has been here the past week.

Idaho Miner's Union Expects Strike Approval

WALLACE, Idaho, June 25.—(AP)—The union representing 4,000 Coeur d'Alene District Lead and Zinc miners expects to have the power by Monday to call a strike vote if no headway has been made in settling a wage dispute.

R. W. Hanson, representative of the International Union of Mine, Mill and Smelter Workers, said yesterday:

"It appears the union bargaining committee will meet with the operators Monday armed with full authority to call a strike vote in the district unless progress is made on the union proposals."

A raise of \$2 a day has been asked by the union. Operators countered with a request that wages be cut \$1.92 a day due to recent drops in the prices of zinc and lead.

New Foreign Aid Plan Studied By Congress

(Continued From Page One)

chances of getting it out of committee might be at this point. To Study Matter

Acting Chairman Richards (D-SC) said he had no idea what position the Foreign Affairs Committee might take and will take none himself until he has looked into the proposal more thoroughly.

But he said: "It is entitled to careful consideration. If the President has asked for it, it is entitled to an early place on the committee calendar."

The President said he wants a long-term operation, in some ways experimental, to be carried out partly in cooperation with the United Nations. He laid heavy stress on a need to stimulate a great flow of American capital abroad during the coming years and said government guarantees against loss were needed to accomplish this.

His project, he said, would benefit American industry and agriculture by building up the living standards of countries with backward economies by making them better markets. In the same manner it would help prevent their peoples, who want a better life, from turning to "false doctrines" and "tyranny," he said.

He also argued that European recovery would be aided for the same reasons.

Liberal Party Faces Big Test In Canada

Wilhelmina of Holland and other rulers.

The return of Leopold is opposed by the Socialists, Communists and most liberals. The Social Christians promise that if they form the government they will hold an early referendum on the royal issue. Voting will take place Sunday, and women will cast their ballots for the first time in Belgium. Voting is compulsory.

Paul-Henri Spaak, premier and minister of foreign affairs is up for reelection.

One Candidate

Syria is holding a rubber stamp election today—there is only one presidential candidate on the ballot. He is Col. Husni Zayim, military governor of the country since he ousted the previous regime last March. Besides approving Zayim as president, the people are asked to vote on whether they want free elections held regularly and a new constitution.

The Chinese government's blockade of Communist-held ports in China is scheduled to begin at midnight tonight. The largest port for international commerce—Shanghai—was almost empty. Except for the crippled British freighter Anchises, damaged in a nationalist air raid this week, there were few foreign ships to blockade. Because of civil war dangers, insurance rates have been climbing steadily and shipping companies have cancelled sailings.

State Eagles Convention To Ballot On Officers

PENDLETON, June 25.—(AP)—The fourth annual state convention of Oregon Eagles headed toward its closing sessions today amid a riot of color and politics.

But it will be more colorful than political. All but one of the top officers named by the nominating committee are certain to be elected since only one name will appear on ballots for these positions. There will, however, be a race for two subordinate offices.

Nominations for positions not to be contested are Webb Loy, Bend, worthy president; Roy Jewell, The Dalles, vice-president; Dr. Floyd L. Utter, Salem, chaplain; Jack Henry, Klamath Falls, conductor; Chester Canon, Portland, inside guard and James Simms, Salem, delegate to the August Grand Aerie convention in Detroit, Mich.

Roseburg Aerie of the Eagles Lodge is represented at the state convention in Pendleton this week by a delegation of local members.

Hungarian Communists Expel 200,000 In Purge

PRAGUE, Czechoslovakia, June 25.—(AP)—Hungary's Red leader, Matyas Rakosi, said Thursday 200,000 Hungarian Communist Party members have been expelled in a purge of "spies and provocateurs."

The Communist Party chairman told a rally of Czech workers he is waging a "campaign of destruction with an iron hand" against dissidents still in the party.

Apparently he referred to the recent expulsion and arrest of Laszlo Rakl, former Hungarian foreign minister, and other Communist leaders on charges of spying and Trotskyism.

Americans Can't Make 'Scotch' Whiskey Any More

WASHINGTON, June 25.—(AP)—American distillers can't make Scotch whiskey any more.

The Internal Revenue Bureau ruled yesterday that they may make "Scotch type" whiskey, and use typically Scotch names such as Highlands, Kilts, Scots, etc., but only Scotland may make plain "Scotch."

The decision followed eight months of hearings at which U. S. Distillers and Importers argued their case. They not only lost the right to make "Scotch," but also a plea some made that foreign whiskey be required to follow the same labeling rules imposed on U. S. distillers.

Other rules announced by the bureau yesterday:

1. Labels of imported liquor must show where it is made except where this is made clear in the name (like Scotch, Irish whiskey, etc.)

2. The "Scotch type" whiskey made in America must be a blend of grain whiskey instead of neutral spirits, as allowed before.

3. American corn, bourbon, rye or other liquors (except Scotch type) shall not be labelled with typically Scotch words.

4. New standards or definitions to insure that bottled mixed drinks (rock and rye, martinis, manhattans, etc.) contain the types of whiskey, gin and other beverages usually associated with the drink named.

Real Estate Man Sues To Collect Commission

R. M. Crawford has filed suit in Circuit Court asking judgment for \$1,000 alleged due him as commission for sale of real estate. Named as defendants in the complaints are W. L. Coe and E. J. Coe and John Hulsebus and Alberta Hulsebus. The plaintiff states he was employed as a real estate agent for the Coes, and that he sold property as described in the complaint to the Hulsebuses for \$25,000. He asserts his commission was to be \$1,200, but that he has received only \$200.
