

Plans For July 4 Celebration At Glendale Advance

By MRS. G. B. FOX
News-Review Correspondent

Plans for the Glendale 4th of July celebration are progressing satisfactorily, according to Everett Skillings, general chairman, representing the Glendale Chamber of Commerce, which is sponsoring the affair.

Many entries have been received for the big parade, first in the history of Glendale. The parade will begin to form, at about 11 o'clock, in order to give those in charge time to organize the line-up, and will move down Pacific Avenue at 12 noon.

Among those already entered are Boy Scouts, Girl Scouts, a mounted troop of horsemen, Veterans of Foreign Wars color guard, two bands, and floats from the Baptist Church and Church of Christ. A bicycle-riding colic and a good clown and donkey act are among other expected attractions.

Youngsters dressed in costume, decorated bikes, wagons, and so forth, are invited to participate. Entries may be listed with Bill Sparks, or Everett Skillings, telephone, Glendale 399.

Kids' races are in charge of Sid Perry of the Glendale Grocery. There will be Three-legged races, Spoon and Egg Races, Relays, and other novelty contests.

The Chamber of Commerce Committee has announced that among the prizes offered are a pair of leather loggers' boots for first place in the log rolling contest; leather logging boots for first place in the log bucking contest, and a pair of Pendleton shirts for each winner in the topping contest. The log rolling contest will take place west of the bridge over Cow Creek. Since the catwalk at the side of the bridge is out of repair, only the judges will be allowed on the bridge during the contest.

Volunteer workers of the city met at the school hall field Tuesday, June 28, at 10 a.m. to begin construction of a wide variety of concession stands for the big event. The work is in charge of Ray Cox, president of the Chamber of Commerce.

With its building directly across the street from the school hall field, the center of the 4th of July festivities in Glendale, the Glendale Baptist Church has announced that it will have a special motion picture and "singpiration" service on the evening of the 4th, during the period before the

Anti-Strike Injunction Loses In Senate Test

(Continued From Page One)

O'Connor (D-Md.) completed a 4,900-mile flight from Europe only an hour and a half before the voting.

Vice President Barkley, who could vote only in case of a tie, flew back from a visit to Los Angeles.

O'Connor had been in Europe for sessions of the International Labor Organization at Geneva, Switzerland.

The drive by both sides to turn up their full voting strength brought to the chamber two senators who have been absent for days because of illness. They are Senators Stennis (D-Miss) and Smith (R-N.J.).

Just before the vote on his amendment, Senator Holland told the Senate that if there is no emergency injunction provision in any new labor law, "We will have a sort of toothless machinery" which he said could not protect the public interest.

The administration bill, as it stands, provides no special government power for dealing with emergency strikes.

Senators Magnuson (D-Wash.) and Morse (R-Ore.) voted against the labor bill amendment defeated by the senate today.

Senators Cain and Cordon, Republicans from Washington and Oregon respectively, voted for the amendment.

YOUTH DROWNS

PORTLAND, June 28.—(AP)—A 14-year-old boy, Harry John Good, was drowned in the Tualatin River southwest of here yesterday. He fell from a rowboat.

big town fireworks display. The church service is scheduled for 8:30, and the fireworks for 9:45 p.m.

As announced by the Baptist pastor, the Rev. Gerald B. Fox, the sound picture planned for the evening will include a "Hymn Sing," beautifully recorded as the words appear on the screen for audience participation. The other picture, "We Too Receive," is a film based on actual happenings during the late World War.

It tells the dramatic story of an American aviator who is forced down in the head-hunter jungles of a South Pacific island and is rescued by a native who had received Christian training in a mission school. The film is a dramatic reminder that Christian missions have a two-way influence.

Real Bullets In Thief's Pistol Shocks Woman

PORTLAND, June 28.—(AP)—A woman tavern proprietor, uninjured when a would-be robber fired at her, thought the revolver was loaded with blanks.

When police pointed to a hole in her dress at knee level and found the spent slug in an empty beer keg, she became hysterical and was taken to a hospital for treatment of shock.

Brinton Wallace McNeil, 20, a transient, was jailed as the assailant. He was booked on charges of attempted assault and robbery while armed, assault with intent to kill and carrying a concealed weapon.

The proprietor, Mrs. Vetha M. Howe, told police this story:

While she was drawing a beer for the only customer in her tavern at 12:20 a. m. today, he pulled out a revolver and demanded the till's cash. She reached for the till and with the other hand waved to a passing car. She told the robber it was the night watchman who was coming to pick her up. The man looked out the window and Mrs. Howe grabbed a club from under the counter and hit him on the head.

The blow had no apparent effect and the man whirled and fired at point-blank range. He then ran out the door and fired again.

She called police and a prowler car picked up McNeil near by. When a revolver taken from him was found to be loaded with live ammunition, two cartridges of which had been fired, police looked for more evidence.

That was when Mrs. Howe became hysterical.

Roseburg Meatcutters' Strike Is Settled

(Continued From Page One)

day morning, said Carlson, who added that special truckloads of meat are being shipped to meat-hungry Roseburg residents. All the stores will be completely restocked ready to do business.

The strike went into effect June 2, 24 hours after the union contract expired. The settlement affects the Roseburg-Myrtle Creek areas, and not other parts of the state, where union contracts are to expire soon.

A great amount of canned meat was purchased by shoppers during the strike, it was learned. Appreciation for the patience and consideration of the general public during the strike period was expressed by Carlson.

CITY COURT CASES

Judge Ira B. Riddle reported disposition of the following cases in Municipal Court Monday and Tuesday: Worden Churchel Tyler, Olalla, drunk, 10 days' commitment to the City Jail in lieu of a \$20 fine; Carl Howard Burchell, Umpqua, disorderly conduct, \$10 bail forfeiture; Melvin Grayson Taylor, Sutherlin, drunk and disorderly conduct, \$30 fine; Gilbert Loyd Warner, Sutherlin, drunkenness and disorderly conduct, \$30 bail forfeiture, and Charles Ambrose De Ross, Roseburg, 10 days' commitment to jail in lieu of a \$20 fine.

The big cattle-producing states are Texas, Iowa, Nebraska, Kansas, Missouri, Illinois, Minnesota, California, Wisconsin and Oklahoma.

Canada Gives St. Laurent Smashing Victory

(Continued From Page One)

erails to victory—and the staunchest Conservative could admit today that King was smart.

St. Laurent, in a broadcast to the people, promised to work for peace and prosperity—and Liberal Party aims. One of these is to extend social security measures to include a system of contributory health insurance. Canada's present social security system encompasses several measures similar to those enacted in the United States—and also a "baby bonus" that pays all parents about \$5 a month toward each child's support.

George Drew, former premier of Ontario, spearheaded the losing Conservative drive. He conducted a vigorous campaign but Canadians apparently looked at their relative prosperity—and then looked the other way.

The Social Credit Party, which governs Alberta, won 10 seats here yesterday against the Liberals' five. The Socialists (Co-operative commonwealth federation) took 12 seats in five provinces. Independents took the remaining five.

All 19 Communist candidates lost. So did all the 15 women running.

women experienced in politics on state and national levels into a small enough group to be effective.

"However," he said, "your long delay in appointing members of the Committee and the Executive Committee has caused the loss of several months of working time during this session of Congress."

The Strategy Committee was created in Omaha in January. Now, at the end of June, it has had no opportunity to be of any particular service to the party.

On the other hand, Coleman said, the Republican Senatorial and Congressional Committees "have been functioning effectively and our state organizations are doing much more than usual in preparing for the 1950 election which I think we will win."

Strikes On Increase During Month Of May

WASHINGTON, June 28.—(AP)—More strikes began during May than in any month since the spring of 1947, the U. S. Bureau of Labor Statistics said today.

The report said the number rose to 450, compared with 400 in April, while the number of man-days lost because of strikes was 3,200,000 as against 1,800,000 in April.

The number of workers involved in stoppages beginning in May was approximately 250,000 as compared with 175,000 in the preceding month, the report said.

Fall Off Ladder Turns Victim Into Republican

PENDLETON, June 28.—(AP)—A Democrat since 1932 fell off a ladder, smashed two ribs, and changed his politics here last night.

Joe Bean, the victim, said he'd even pay for a portrait of Thomas E. Dewey.

How come politics mix with rib breaking? Bean was hanging a picture of President Truman.

Returns Home—Dr. and Mrs. E. R. Shoemaker returned to their home on Blakeley street Sunday after spending the past two weeks in Portland, where the former underwent major surgery at Good Samaritan hospital. Mr. and Mrs. S. J. Shoemaker went to Portland Saturday night to drive them back to Roseburg.

SAMSON WITHOUT DELI-LAH—Reuben Lindstrom, 55, says whenever he cuts his hair he gets heart trouble. So for the past 25 years he hasn't had a haircut and is feeling fine. Lindstrom, who travels all over the country doing odd jobs, was taken off a freight train by railway police in Buffalo, N. Y.

Coal Operators Will Reject Lewis' Offer

(Continued From Page One)

rapidly. At Bluefield, W. Va., where separate talks are in progress for the southern field, the UMW turned down again today an operator proposal to extend the life of the present contract until August 15.

The Bluefield talks have been in progress since May 25. Lewis' offer for a contract extension in return for a three-day week was not extended to the Southern producers' group, it was learned.

Fuel Oil Dealers Hear Heating Trends Talk

Bill Alexander, of the Oregon Heating Institute, spoke at a dinner meeting of Roseburg fuel oil dealers at the Turn Around Inn last night. He spoke on modern heating trends and on credit problems of fuel oil dealers.

It was decided to form a local association of dealers. Bob McFarland, local manager for the Signal Oil Co., was chosen president. Further meetings to particularly discuss mutual credit problems are planned.

Race Issue May Block Housing Measure Vote

THE NEW MILLION DOLLAR TRAIN..... WITH THE MILLION DOLLAR VIEW

Shasta Daylight

TO SAN FRANCISCO

STARTING JULY 10. Southern Pacific's brilliant new streamliner *Shasta Daylight* makes its "maiden voyage" to San Francisco on Sunday, July 10, and daily each way thereafter.

Leaving Portland in the morning, it arrives in San Francisco that evening—by far the fastest running time in history to San Francisco.

Our lowest coach fares good for travel in luxurious chair cars on this new train.

Through big "Skyview Picture Windows" of this dramatic red-and-orange dayliner you'll really see the wonders of the Shasta Route... the verdant Willamette Valley, the high Cascade Mountains, Odell and Klamath Lakes, the Sacramento River Canyon, 14,161-foot Mt. Shasta, Shasta Dam's Lake and Pit River Bridge, Lassen Peak volcano... all by day!

On the *Shasta Daylight*, like our *California Daylights*, there's a seat reserved for you without charge (for each child, too). It's cushioned in foam rubber and adjustable to the angle you prefer.

You'll enjoy other *Shasta Daylight* features: "windowpanes that breathe" for clear vision, our famous S. P. baggage elevators, zone-controlled no-draft ventilation, "feathertouch" doors that obey the whim of your finger, public address system... and beautiful interior colors inspired by the colorful route it serves.

Each *Shasta Daylight* (diesel-electric locomotives) has 9 chair cars, diner, coffee shop (always open), tavern car, and parlor-observation. Built for us by Pullman-Standard Car Mfg. Co. Nearly \$5,000,000 spent to give you a new, fast, scenic, bargain way to travel on the Pacific Coast.
