

Contest Victors On Sutherlin's Program Listed

Log rolling, hand and power bucking contests, a logging truck "roadeo" and high climbing contest afforded rough and tough competition at Sutherlin Monday as a part of the entertainment at the annual Timber Days celebration.

The sports events were arranged and conducted by a committee headed by Dick Gilman of Roseburg, and proved highly entertaining to the huge crowd of spectators.

The log rolling contest was won by 19-year-old Jimmy Lang, defending champion from last year. Lang, a resident of Oakland, after upsetting Craig De Groot in the preliminary and L. W. McKisson in the semi-finals, dumped the veteran Ed Thirault in the final match. McKisson had previously beaten Bob Musgrove, and Thirault won from Jack Drake. Thirault topped off the performance with an exhibition on an 8-foot log.

Drivers Display Skill
The log truck "roadeo" furnished an outstanding exhibition of driving skill with drivers negotiating figure-eight turns forward and in reverse, being scored for overall performance, precision and speed.

First place was won by Morris "Moon" Mullins, who negotiated the tricky course in one minute and 32 seconds. Harold Schwelinger placed second, time 1:55; Ray Sorenson had the best time 1:30, but lost points on precision.

Time scored by other drivers included Bill Kenwisher 1:42, Chub Moore, 2:55, John Kellen 2:48, Joe Copeland 2:55, Kirby Williams 2:35, Grant McCormack 3:25, Lee Mortenson 1:50, Walker 3:08, Don Sanger 2:25, Ken Worthington 1:55.

Hand Bucking Tough Tilt
Only two out of six contestants completed the gruelling hand bucking contest—one man with crossed saw on a 30-inch log. The contest was won by Douglas Parazzo in five minutes, 42 seconds, five seconds less than the time chalked up by Jim Wright.

Other contestants became exhausted and were forced to quit before completing their cuts.

The power bucking contest—using power driven saws—was won by D. Follett, time 1:37. Second place was taken by M. Maughan, 1:42, and third by Don Sanger, 1:45.

Millard Wood won the splicing contest in 6:53½. Chet Pratt took second spot, 7:45, and Rodney Leatherwood was third with 8:10.

Other Results
Babe Fenton, well known for his numerous boxing appearances in past years, won the chopping contest, time 1:13. Doug Parazzo placed second, 1:15, Fred Bratten, third, 2:15, E. B. Fenton, fourth, 2:30.

The sensational high climbing event, topping a 94-foot pole, attracted seven entries, but only three placed. The others became exhausted before completing their cuts.

Rodney Leatherwood was first, time 6:23. Pete Barge was second, 6:56, and Fred Bratten was third, 6:58.

The Newfoundland dog was developed by crossing European species with a woolly-coated dog used by the Indians of Labrador.

Although Colorado began its settlement with the gold rush, it has been predominantly an agricultural state for many years.

The geographic center of North America is at Winnipeg, Canada.

HERE WEDNESDAY—Fred McDaniel is a clever boy with the big stick with which he will perform Wednesday night at Finlay Field, when the Kansas City Monarchs, an all-Negro ball club, tussles Roseburg's Umpqua Chiefs in an exhibition game starting at 8 o'clock. Satchell Paige, Cleveland Indians' famous pitcher, formerly played with the Monarchs.

Tennis Doubles Drawings Slated

Doubles play in the city men's tennis tournament is expected by next weekend. According to Marlen Yoder, tournament chairman, a great deal of speculation is going on as to what doubles teams are best. Some very keen competition is expected. The drawing for the matches will be held Wednesday evening at the High School courts. Yoder said that every effort would be made to have the pairings complete by Wednesday night.

Singles play reached the semi-final round over the July 4th weekend. Some very good matches were played. Dick Jacobson, No. 1 man of Roseburg High School team this year, made top-seeded Norman Moore play very good tennis and use all his experience before he bowed out, 6-1, 7-5. Moore will play Tom Jacobson, who was extended to 7-5 in the first set to beat Bob Berrie and then went on to win the second set, 6-0. In the lower bracket, Glen Boyer whipped Don Debernardi, 6-1, but had a tough time before downing Don in the second set, 11-9. Boyer will meet Bill Garrison, who gained the semi-final round by default. In

all these matches to be played, the winner must win three sets.

Hollies, Rainiers Both Defeated In Doubleheaders

(By the Associated Press)
Old Kewpie Dick Barret is laughing up both sleeves at his old pals, the Rainiers of Seattle.

The Rainiers relegated Barret, a veteran of 24 years on the diamond, to relief roles this season and recently he obtained his release, going to the San Diego Padres.

Over the weekend the rugged right-hander got full revenge. He held Seattle to five hits yesterday, setting them down, 5 to 3, in the nightcap of a doubleheader. It was Kewpie's fourth win in five starts for San Diego, with two of the triumphs at the expense of his former teammates.

The Padres easily won the twin bill opener behind young Bob Savage, 6 to 1. San Diego took six of nine games in the series to give the Rainiers their worst setback in weeks.

The league leading Hollywood Stars are glad to be rid of Oakland for a while. The Acorns won the series, five games to four. Two homers won both ends of a doubleheader for the Acorns yesterday. Frank Kerr clouted one in the seventh inning of the opener to break a tie and win 2 to 1. Pinchhitter Loyd Christopher got the other in the fifth inning of the second game for the winning margin of a 6-5 victory. Beavers, Solons Split

Portland and Sacramento split their July 4th twin bill, and their series, five games apiece. Luis Marquez' bases-packed triple helped the Beaver's fourth inning spurt that led to a 4 to 1 win in the opener. Walt Dropp homered in the ninth with the bases loaded to spark Sacramento to a 13-10-3 win in the second game.

San Francisco and Los Angeles also split a doubleheader, with the Angels taking the series, four games to three. By winning one of the games the Seals kept themselves from dropping into a last place tie with Los Angeles.

The Angeles took the opener 4 to 3. Los Angeles' Booker T. (Cannon-ball) McDaniel was the victim of the second game which the Seals won 6 to 4, his first loss after four straight victories since he went to the Angels. Harry Feldman, getting back into organized baseball after jumping to the Mexican League three seasons ago, was the winner in his first start for San Francisco.

The Diet of Worms was an assembly held in the city of Worms in 1521, where Martin Luther was summoned to answer charges of heresy.

all these matches to be played, the winner must win three sets.

Ike Thomason Champ At St. Paul's Rodeo

ST. PAUL, Ore., July 5. — (AP) — The Stevens trophy for the all-around cowboy championship of the annual St. Paul Rodeo was awarded yesterday to Ike Thomason, Tucson, Ariz.

The 26-year-old former Texan has been competing in professional rodeo sports for only four years and his victory here was his third all-around title this year.

Dwight Maddox, Weiser, Idaho, was runner-up for the all-around title. Event champions were: Bull

Beulah Louise Overell Honeymooning At Home

NORTH HOLLYWOOD, July 5. — (AP) — Beulah Louise Overell, 20-year-old heiress acquitted of murder in the yacht blast death of her parents, is honeymooning at home with Robert Cannon, Los Angeles policeman.

They were married Friday in First Christian Church. Louise entered the church on the arm of her uncle, Fred Jungquist. Another uncle, Emmanuel Jungquist, who appeared as a prosecution witness in the 1947 trial, was not present.

Louise and her former sweetheart, George Gollum, were freed on charges of killing financier and Mrs. Walter E. Overell at Newport Harbor in 1947.

It was Cannon's third marriage. Their honeymoon trip was deferred until his vacation in a few weeks.

Easter, Maddern Tied For Coast Batting Lead

SAN FRANCISCO, July 5. — (AP) — Although out of uniform for more than two weeks, big Luke Easter of San Diego is tied for batting leadership in the Pacific Coast baseball league.

Easter and Clarence Maddern, riding, Jim Shoulders, Tulsa, Okla.; calf roping, Pat Parker, Pawhuska, Okla.; bulldogging, Gene Rambo, Shandon, Calif.; bareback and saddle bronc, Thomsson.

Mrs. Freddie Steele Files Divorce Suit

SEATTLE, July 5. — (AP) — Mrs. Freddie Steele, wife of the former middleweight boxing champion, asked \$400 a month

support money for herself and their two children in a separation suit filed last week.

She charged cruelty and indifference. She said her husband, a Hollywood motion picture actor after his ring career, absented himself from home frequently and had "completely dissipated" money they received from sale of their North Hollywood home before they came here nine months ago.

They were married in Tacoma July 11, 1937, and have two children, David, 10, and Sharon, 7.

RICHFIELD stops rust

Before rust stops you

Your car's rust zone

RUSTED IN ORDINARY GASOLINE
This steel rod is heavily coated with rust after special 48-hour laboratory test in ordinary gasoline containing a small amount of added water. Rust also attacks the gasoline tank and fuel system of your car.

PROTECTED IN RICHFIELD GASOLINE
Rod shows no sign of rust after an identical 48-hour laboratory test in Richfield gasoline containing amazing RD-119. Before test, the same amount of water was added to prove conclusively the superior protection you get with Richfield Rust-Proof gasoline.

World's first rust-proof gasoline

contains amazing Sinclair RD-119

Again Richfield is first with a "Years Ahead" development in gasoline! Richfield gasoline—with amazing RD-119—STOPS rust and corrosion in your car's vital "rust zone."

What causes rust? Rust and corrosion result from moisture in your gasoline, caused largely by condensation.

What damage does rust do? 1. Rust ruins gasoline tanks and other fuel system parts, causing costly repairs and replacements... 2. Rust clogs fuel lines, screens and carburetor jets, causing rough idling, poor mileage and loss of power and performance... 3. Rust particles cause wear on precision parts in fuel pump and carburetor, causing frequent costly overhauls and replacements.

How does RD-119 prevent rust? It coats the inside of your car's fuel system with an invisible, polymolecular protective layer that prevents rust.

Protect your car! Fill up with Richfield—the only Rust-Proof gasoline—today.

Costs no more than ordinary gasoline

SEE THIS SENSATIONAL PROOF AT YOUR RICHFIELD STATION

Ask your Richfield dealer to show you this visual proof of how new Richfield Rust-Proof gasoline with RD-119 protect the fuel system of your car from being strangled by rust!

RICHFIELD GASOLINE GIVES YOU ALL 3... 1. POWER 2. PERFORMANCE AND NOW 3. PROTECTION
