Yoncalla Celebrates July 4 With Colorful Parade, Rodeo

By MRS. GEORGE EDES
News-Review Correspondent
YONCALLA.—Weather conditions were ideal for Yoncalla's third annual Fourth of July rodeo, sponsored by the Yoncalla Saddle Club. By 10 a. m. the streets were jammed with spectators who witnessed the big

street parade. The girls' baton group led the procession. The Cottage Grove band added much to the parade and the rodeo during the afternoon.

Colorful bicycles preceded the Yoncalla Business and Professional Club float, which depicted the 4-H students on a bed of evergreen. The Lions Club of Drain also had a colorful float, followed by that from Hayhurst.

A dinner was served during the noon hour by the Parent-Teachers Club, the Rice Valley Grange and the W. S. C. S. of the Yoncalla Methodist Church did a big business serving "hot dogs," hamburgers, ice cream, pop and other items.

The following prizes were won during the rodeo: Boys' calf scramble, Donnie Vest, first, \$2. Saddle bronc riding, 1st, Bill Ellison, \$26.25; 2nd, Donnie Pyeatt, \$18.75; 3rd, Dale Payne, \$10.50. Bareback bronc riding, 1st, Bill Ellison, \$50; 2nd, L. W. DeWitt, \$30; 3rd, Slick Irving, \$20. Break away roping, 1st, L. H. Brooks, \$22.50; 2nd, Stud Mosley, \$13.50; 3rd, Art Rychar, \$9. Notice of Timber For Sale

SEALED BIDS, marked outside "Bid for Timber," and addressed to the Regional Administrator, Bureau of Land Management, Region I, Room 131, Building No. 1, Swan Island, Portland 18, Oregon, will be received until and opened at 2:00 P. M., **PACIFIC STANDARD TIME**, on July 12, 1949, for the purchase of all merchantable timber designated for cutting upon tracts hereinafter described as **SEALED BIDS**. **ORAL AUCTION BIDS**, will be received by the District Forester at his office located in Room 206, Post Office Building, Roseburg, Oregon, at 2:00 P. M., **PACIFIC STANDARD TIME**, on July 12, 1949, on those tracts of timber hereinafter described under **ORAL AUCTION BIDS**. Any sealed bids on tracts so advertised and accompanied by the required deposit received by the District Forester prior to the start of the oral auction bidding, will be considered the equivalent of an oral bid and will be posted for the information of all bidders. To qualify for oral auction bidding, the bidder must submit to the officer in charge of the sale, prior to the beginning of the auction a deposit in the amount as hereinafter required. If an oral bid is declared to be high at the closing of the auction, the bidder must immediately confirm the bid by submitting it in duplicate on the regular Bureau of Land Management bid proposal form. The cutting and removal of the timber shall be carried out in accordance with the forest practice rules approved on July 7, 1938 by the Secretary of the Interior. Each bid must state the amount per thousand feet, board measure, that will be paid for each species, the total consideration which will be paid for the timber, and a statement that the bidder will comply with local manufacturing requirements as hereinafter stated. No bid for less than the appraised value will be considered. Each sealed bid must be submitted in duplicate and be accompanied by a deposit. The deposit must be in cash or in the form of a certified check on a solvent bank and in favor of the Treasurer of the United States. The amount of the deposit will be at least 20% of the first \$1,000 of the appraised value of the timber; an additional 10% of the next \$3,000; an additional 5% of the amount between \$10,000 and \$100,000; and an additional 3% of any amount in excess of \$100,000. The deposit will be returned to unsuccessful bidders; applied as a part of the purchase price of the high bidder; or that portion of the deposit representing the minimum required by law shall be retained as liquidated damages if the high bidder does not execute contract and furnish satisfactory bond within thirty days of acceptance of the bid or cannot furnish evidence of his ability to comply with the local marketing requirements. In sales over \$5,000, and in small sales when required, the high bidder will be required to furnish a sworn financial statement showing ability to fulfill the terms of the contract. A bond on all sales will be required in an amount computed at the rate of at least 15 per cent of the bid price. Payment for timber will be required in advance of cutting, payment in full at the time of filing the contract being required in sales amounting to \$5,000 or less. In larger sales, the Regional Administrator may require payment in a number of installments. The right is hereby reserved to waive technical defects in the advertisement; to reject all bids, or to award the timber for the amount of the highest bid to the next highest qualified bidder when the officer authorized to accept the contract shall deem the high bidder unqualified to fulfill the contractual requirements of the advertisement. Timber sold in accordance with this advertisement must be manufactured within the marketing area as designated for each tract described below in accordance with the Orders of the Secretary of the Interior, No. 2285, and Nos. 2380 to 2390, Inc., dated December 11, 1946 and November 29, 1947, respectively. The United States has by agreement been given the right to authorize purchasers to use certain roads and rights-of-way for the removal of timber. Each bidder should ascertain from the respective District Forester's office the location of the road right-of-way covered by such agreement relating to the tract upon which he wishes to bid. It is the bidder's responsibility to determine for himself the extent to which such agreement will permit the use of the road or right-of-way subject to the payment of reasonable compensation to the assignor of the United States. Further information, including copies of the form of contract, bid forms and schedules of contract payments may be obtained at District Offices of the Bureau of Land Management, located at Salem, Eugene, Roseburg, Coos Bay, and Medford, Oregon, or at the office of the Regional Administrator, Building No. 1, Swan Island, Portland 18, Oregon.
