

### Glendale's July 4 Celebration Provides Lots Of Entertainment For Throng Estimated At 2,500

By MRS. GERALD B. FOX  
News-Review Correspondent

Glendale's Fourth of July week-end celebration, sponsored by the Chamber of Commerce, attracted a crowd conservatively estimated above 2,500 persons.

The celebration opened Saturday night with a dance at the City Auditorium, which featured two bands, the Trail Dusters and the Moldy Rammers, Sunday, July 3, concessions were opened early in the afternoon and a large crowd witnessed a ball game between the Glendale Junior American Legion and the Grants Pass Junior Legion team. Grants Pass won 27 to 4.

The celebration reached its height Monday, July 4, when the program got off to a good start at 10 o'clock with a log rolling contest in the Robert Dollar Company mill pond north of the city limits. The six contestants included Harry Stumbo, Frank Baughman, Jack Rondeau, Harold Green and Herb Webber. Green was adjudged the winner and received as award a \$32 pair of cork logging boots. Judges for the event were Chester Westover, Glen Studley and Merle Studley.

The noon parade down Pacific Avenue was ready to start when the fire siren called all volunteer firemen to a fire at Sether Avenue near Mollie Street. Smoke was visible to the crowd, which lined the parade route, but the flames were controlled before the parade had completed its line of march.

Horsemen, headed by Everett Skillings, Chamber of Commerce Celebration Committee chairman, led the parade. Numerous other floats which added plenty of color were included.

Afterwards the town ball field was alive with people who swarmed the concessions. At 2 o'clock the Glendale Loggers met the Rogue River ball team and won 24-8.

**Other Contests**

The first event following the ball game was the tree-topping contest. George Kingsbury led the field of four contestants with a low of 14 minutes, 41 seconds. A \$32 pair of cork logging boots was the prize. Next came Buck Swank, 30 minutes, 33 seconds. Don Harbour and Harold Breen were the other contestants.

Log bucking drew five contestants, all of whom cut through a 30-inch log in less than two minutes. Harlan Halcomb, one minute, 30 seconds, was the winner of an all-wood shirt. Howard Johnson and Bob Stumbo tied for second at one minute 45 seconds. A tossed coin went in favor of Johnson. Laurence Lawther and Don Mayford were the other contestants.

The evening's program included concessions in one of the street corners, a jitney dance in the Glendale City Auditorium, and a big fire works display. The Baptist Church held a short service featuring musical and missionary motion pictures.

The big celebration was headed by Skillings, with the following committee assistants: Merle Studley, in charge of the tree topping and bucking contests; Chester Westover, dance and advance broadcasts over KUTN and KGPO, Grants Pass; Ray Cox, building of concessions; Fire Chief Jim Cox, street safety con-

rol; Don Sayer, fireworks display; Bob Jones, public address system; Ray Rife and John Dillon, concessions; Frank Laws, Sid Perry and Charley Stroppe, races and track events, and Bill Sparks, parade.

### Deaths In Heat Wave Increased To 132

(Continued From Page One)

the only comfortable spots over the two-thirds of the country in the grip of the hot weather were the Northern Border States. Temperatures also were pleasant along the Pacific Coast.

But the heat was on full blast in the Central, Eastern and Southern States. Some rain fell in the upper Lakes Region and North Central States. But generally along the showers the mercury started to climb and humidity increased.

**New Records Set**

A mass of cool air from Northwestern Canada brought relief to parts of Minnesota, Michigan and Wisconsin. It never reached sweetening Chicago, where the mercury hit above 90 yesterday for the sixth consecutive day. A high of 95 was forecast today.

New temperature records for the date were set in many cities yesterday as the mercury ranged between 90 and 100. Philadelphia's 99.2 was the summer season's hottest day. At Lancaster, Pa., the reading was 101 for the second straight day.

Ohio counted four deaths from the heat and uncounted prostrations. Toledo's 99.3 reading was the year's highest and a record for July 5. At Springfield and Youngstown the top was 103. The heat brought an eruption in U. S. route 30 south of Marion, O. The macadam and asphalt pavement bulged cross-wise and split open.

A temperature of 100 degrees buckled the concrete pavement on U. S. highway 60, 10 miles east of Owensboro, Ky.

**Disaster Decried Awaed**

New Jersey, reporting 95 degrees yesterday, expected some cooling off today but there was no rain in sight to break the 45-day drought. In Washington Rep. Auchincloss (R-N.J.) urged that the Agriculture Department declare New Jersey a disaster area so farmers could apply for federal loans because of crop losses.

Baltimore's 99.5 reading yesterday was the highest since last August. Some heat deaths and several prostration cases were reported.

The U. S. Weather Bureau reported a high of 98 at Minneapolis and St. Paul and a cool 60 at Duluth, some 160 miles north on Lake Superior. Pittsburgh's high was 97; Washington and Cleveland 96; New York, Nashville, Louisville, Indianapolis and New Orleans 94.

In New York the city water commissioner said the city was using 1,400,000,000 gallons of water daily, 200,000,000 gallons above normal, because of the drought. The vast reservoir system now holds 220,000,000 gallons, about 67 per cent of maximum.

The Monroe Doctrine was announced by President James Monroe in his message to Congress in 1823.

### Waters Of Two States At Issue In Boat Tragedy

CRISFIELD, Md., July 6—(AP)—Did Earl Nelson meet his death in the Maryland or Virginia waters of Chesapeake Bay?

Virginia officials contend the 60-year-old Crisfield fisherman was crabbing illegally within their territory when he was stopped by a Virginia conservation patrol plane.

He was shot accidentally yesterday when he tried to wrestle a rifle from a Virginia deputy, Charles M. Lankford Jr., fisheries commissioner of that state, said.

Maryland authorities said, on the other hand, that eyewitnesses reported Nelson was in the waters of his home state when he was shot.

He was found bleeding and unconscious from a hip wound by fellow crabbers and died before he could be taken to shore.

Authorities of both states, in obedience to orders from their governors, started an intensive investigation.

The shooting was the latest in a long series of border incidents arising from respective fishing rights of the two states.

Rivalry has always been intense.

Sporadic outbreaks of shooting have been fairly common on the lower Potomac River since colonial times.

### Laura M. Nelson Claimed By Death

Laura M. Nelson, 77, resident of Roseburg since July 5, she was born March 11, 1872, in Meridian, Iowa, and came to Oregon 35 years ago. She was married July 3, 1886, in Marcus, Iowa, to Frederick W. Nelson, who died six years ago in Roseburg. She was a member of the Christian Church in Iowa and a former member of the Rebekah Lodge.

Surviving are four sons: W. L. Nelson, Pendleton; J. B. Nelson, Dillard; Clair E. Nelson, Los Angeles; Robert C. Nelson, Roseburg; five daughters: Mrs. Minnie Nelson, Leavenworth, Wash.; Mrs. Nettie Chamberlain, Roseburg; Mrs. Hattie Horton, Eureka, Calif.; Mrs. Marie Rand, Roseburg; Mrs. Marian Boggs, Honolulu, Hawaii; 30 grandchildren and a number of great-grandchildren.

Funeral services will be announced by the Roseburg Funeral Home up arrival of relatives.

### Double Killer Bares Guilt To Reporter

(Continued From Page One)

that she had been raped. Gulbrandsen was booked in the Humboldt County Jail on the technical holding charge of "enroute to Santa Rosa."

**Reporter Summoned**

The climax to the manhunt set in motion by the revolting crime was as astonishing as it was sudden.

Gulbrandsen called the newspaper, said he had a good news story and asked that a reporter be sent to a designated bar and ask for "Johnny."

Neumeier was assigned. When Gulbrandsen told him, over a beer, that "I'm the guy they're looking for in Sonoma," Neumeier at first refused to believe it. But Gulbrandsen produced identification, and Flint's car keys and wallet.

Neumeier took him to the newspaper office. There Gulbrandsen gave him and Hodgkinson his long statement. The three went out for a leisurely dinner. Then Hodgkinson called Sheriff's Detective Charles Cavagnaro.

Other than his being "in a stupor," he gave no motive for the attack on the two men. Nor did he explain why he bugged Mrs. Paget.

Gulbrandsen was released from prison June 17 after doing two years on a San Mateo assault charge. He was convicted of stabbing a San Mateo man 13 times in a quarrel over a woman in the man's apartment.

In his statements here, he referred to his mental "quirks." Perhaps it would have been best, he said, if the state had sent him to a mental home after the San Mateo incident, and not to prison.

### City Garage Bids Eyed At Council Meeting

(Continued From Page One)

held on the airport site and the possible acquisition of additional property, but no action was taken. Traffic signal at issue.

The Council wants a traffic signal at So. Stephens and Lane Streets, but the members do not want it unless complete synchronization can be made with the signals at So. Stephens and Cass and at Oak Streets. The State Highway Department will be notified to this effect. The City budget provides \$2,100 for a new light. The state is agreeable to its installation, but has stated the synchronization cannot be accomplished.

Concurring in the Planning Commission's report, the Council denied the request of affected property owners for the vacation of the west end of the alley in Block 69, Subdivision A, Kinney's Approved Plat.

The Planning Commission's recommendation for acceptance of the Street Naming Committee's report was referred to the Street Committee for study, with instruction to report back to the Council for further consideration.

A petition bearing 16 names was submitted requesting that steps be taken to eliminate the "fire hazard" and "unsightly condition" of a vacant lot in Block 29 south of Rice Street, between Hamilton and Main. City Manager M. W. Slankard said arrangements already have been made to have the trash, rubbish and grass removed by July 27; otherwise the City would do the work and assess the charge to the property owner.

Several bids were submitted for a new police car and motorcycle, but they were turned over to the Police Committee for study and report.

Bills against the city for the month of June were allowed as follows:

Art Burnside & Company, \$6.54; California Oregon Power Co., \$70.00; Cliff's Electric Station, \$30.00; Coen Supply Company, \$77.60; Denn, Greenstein & Co., \$1.60; Douglas County Farm Bureau Co., \$63.30; Fullerton Beverage Co., \$2.21; Gottlieb, \$12.50; Hansen Motor Co., \$10.90; Police Benefit, \$67.91; Howard Cooper Corporation, \$68.22; Ideal Concrete, \$11.40; Kier Crook Plumbing Co., \$13.30; Kliver Radio, \$3.20; Lockwood Electric, \$1.00; Master Photo Studio, \$1.84; Moore Business Forms, Inc., \$1.00; M. W. Printing, \$4.30; Mercy Hospital, \$5.50; The Ohio Chemical & Mfg. Co., \$13.20; Olympia Supply Co., \$1.00; Grand American Company, \$82.90; Oregon Nevada Calif. Fast Freight, Inc., \$97.54; Pre Mix Concrete, Inc., \$105.45; Pacific Coast Building Official Conference, \$30.00; Pacific Tel. & Tel., \$53.25; J. C. Penney Co., \$12.07; Lindell Medical Office, \$7.50; Roseburg Fire Department, \$210.00; Roseburg Book Store, \$30.95; Roseburg Garbage Disposal, \$1.00; Rexall Store, \$47.55; Roseburg Electric, \$2.50; Burgum News-Review, \$16.40; John W. Robertson, \$1.85; Railway Express Agency, \$2.50; Suburban Printing Company, \$1.00; Sun Printing Co., \$79.55; Silver Nook Grill, \$12.75; Trowbridge Electric Co., \$11.00; The Oil Co. of California, \$10.75; Umpqua Valley Hardware, \$21.00; United Petroleum Corporation, \$22.00; Gilley's, \$71.20; Industrial Electric Service Co., \$3,115.00; Whitwind Inc., \$11.77; Western Union, \$1.45; Wharton Bros., \$17.55.

### State High Court OKs Peaceful Picketing

(Continued From Page One)

Concern is going to have to pay taxes on its profits.

The concern, which sells religious literature to Methodist and other churches, up to now has been given the tax exemptions which are granted to religious, charitable and scientific organizations. The concern says it uses its profits to pay pensions to retired ministers and their widows.

The Court held that the profits are taxable, upholding Circuit Judge James W. Crawford of Multnomah County. The opinion was by Justice James T. Brand.

The American flag should be hoisted briskly and lowered ceremoniously.

### Glendale Parade Prizes Awarded

Principal feature of Saturday's program at the Sutherland Timber Days celebration was the pet parade, which attracted a large audience during the mid-morning hours. Forming near the S. P. depot, the parade traversed Central Ave. to the City Park.

Prizes were announced as follows:

Boys—Jimmy Stacey, first; Larry Sorenson, second.

Girls—Nancy Jean Venza, first; Susan Atterbury, second.

Pets—Boys division, Ray Burns, first; Stanley Cass, second. Girls division, Myra and "My" Webber, first; Donna Hebard, second.

Prior to the parade, the Boy Scouts and Girl Scouts placed flags in front of each business house in a formal ceremony. Marching from Scout Hall, while music was played from a public address system, each scout took his post at his assigned station and flags were placed as the National Anthem was played.

### Milk Administrator To Be Picked July 18

SALEM, July 6—(AP)—The State Board of Agriculture will meet July 18 to pick a state milk marketing administrator.

The job now is done by State Agriculture Director E. L. Peterson. But the 1949 Legislature changed the law, providing for the administrator to be named by the board.

The new law is effective July 15.

### Oregon Legislative Session Cost \$465,318

SALEM, July 6—(AP)—The 97-day Legislature this year cost a record total of \$465,318, the State Department said today.

The previous record was \$335,000 for the 83-day session of 1947.

The cost of this year's session does not include the \$300,000 which will be spent by Legislative interim committees.

### DRIVER EXAMS DATED

A state driver's license examiner will be on duty in the Roseburg City Hall Thursday and Friday, July 7 and 8, between 9 a.m. and 5 p.m.

Persons wishing licenses or permits to drive are asked to get in touch with the examiner well ahead of the scheduled closing hour in order to assure completion of their applications with a minimum of delay.

### E. E. Nease Funeral Will Be Held Thursday

Funeral services for Earl Edgar Nease, 50, who died July 4, will be held in The Chapel of the Roses, Roseburg Funeral Home, Thursday, July 7, at 11 a.m., with the Masonic Lodge conducting the services.

He was born Nov. 13, 1888, in Humansville, Mo., and came to Roseburg three years ago to make his home. He was a member of the Masonic Lodge of Kansas City, Kan.

Interment will follow in the Coquille Cemetery, where he will be placed beside his wife who died two years ago.

### Four Play Feared In Gas Station Mystery

(Continued From Page One)

play, rather than absconding, due to the fact that the service station had not been closed, coupled with the fact that Roberts was given a high character rating by acquaintances.

City and State Police are co-operating in the search.

### STATE POST FILLED

SALEM, July 6—(AP)—J. R. Roberts, Redmond, was reappointed by Governor McKay today to a five-year term on the State Board of Aeronautics.
