Negro Team Rated High In **Baseball Field**

Fans Offered Chance To See Potential Major Leaguers In Action

Roseburg baseball fans will see two excellent baseball clubs perform on the Finlay Field baseball diamond tonight, when the Umpqua Chiefs and the Kan-sas City Monarchs clash in an exhibition duel at Finlay Field starting at 8 o'clock.

starting at 8 o'clock.

Few citizens hereabouts realize that the local semi-pro organization is being spoken of favorably up and down the Coast. A record of 19 wins and only four losses is not to be taken lightly in anyone's league, and what's more, the Chiefs have never avoided meeting anyone and everyone.

Tonight's game with the hard-hitting, hadd-fielding Monarchs is no exception. Last year, the Ne-gro ball club won 86 percent of games played to over 200,000 people in a 50,000-mile tour over the nation and in Canada.

Satchel Paige, pitching sensa-tion of the Cleveland Indians, played with the Monarchs before being signed by the American League organization.

The Kansas City Monarchs gave organized baseball three top players besides Paige last year and have several more that will probably go up next year.
