

Camp Tyee Being Prepared For Annual Outing Of Camp Fire Girls

Seventeen members of the Drain Lions club Sunday went to Camp Tyee with lumber donated by Drain, laid the foundation, and started nature and handicraft building, which they will complete next Sunday.

A considerable delegation from Roseburg was there also, completing last-minute jobs before the official camp opening Sunday, July 17.

Five girls and an adult from

the Horizon Club, the older Camp Fire Girls organization, began their week's stay at Tyee. These girls are furnishing their own food and doing their own cooking. They will probably spend considerable time putting up bunks, etc., in readiness for the influx of campers, numbering 70 girls and a staff of 14, which will descend next Sunday.

Mrs. Sidney Domenico and the following Horizon Club girls are spending the week at Camp Tyee: Mary Ann Foster, Nannette Desbiens, Dorothy Casey, Ethel Mae Wilson, Donna Lee Pinnard, Jean Pope, Janet Buckingham and Norma Johns.

All of the girls who are going to camp on July 17 are required to take a pre-camp physical examination. This may be taken free of charge at the County Health Office in the Courthouse Tuesday, or Wednesday prior to going to camp. Each following Tuesday and Wednesday for four more weeks will be the days the girls will take their examinations. Each girl will bring a sack lunch with her when she comes to camp, and this will be her Sunday evening meal. Camp gates will not be open before 1 p.m. Visitors are welcome any Sunday afternoon.

No canteen will be maintained at Camp Tyee this year, so par-

EAGLE FLEGEL IS MAULED BY PEEVED PEEWEES—Al Flegel, Roseburg's mayor and umpire, got into plenty of trouble Saturday night, when he called what was termed by Peewees a "bum decision." The pocket edition ball players pictured above threatened to bodily harm the arbiter, but fortunately he was wearing his glasses. An embittered fan later informed the pint-sized players there were never any lenses in the frames, but by that time Flegel had left the ball park. (Rod Newland Picture)

GOP Chairman Scott Faces New Ouster Threat

WASHINGTON, July 11. — (AP) — A new revolt threatened today to put Hugh D. Scott Jr., out of his job as Republican national chairman.

Scott dismissed the rebellion lightly, but Republican leaders said they would not be surprised if a group of national committee members force a meeting which might vote Scott out.

Originating in a secret session at Pittsburgh over the weekend, the anti-Scott movement apparently had gained strength among National Committee members who sought unsuccessfully to unseat him in a meeting in Omaha, Neb., last January. Scott won that test, 54 to 50.

More than a score of those who opposed Scott at that time met at Pittsburgh Saturday night and, it was reported, notified the chairman that he could quit by tomorrow without being forced out. Scott's reply was that he was enjoying a weekend vacation free, as far as he knew, from new troubles within the party.

But some of the Republicans in-

terested in the move to oust the chairman said a meeting may be held here tomorrow to map strategy for his removal.

Mrs. Katherine Kennedy Brown, an Ohio National Committee member who attended the Pittsburgh meeting, said at Dayton that Scott was not asked to resign. She did say that she and others were "very dissatisfied at Scott's repeated attempts to bypass the National Committee."

She added she wants him to stay on as chairman if he will work in close harmony with the Committee.

Under present rules, members said, 15 dissident members could force a meeting of the National Committee. Once such a conference is convened, it seems likely that Scott, named at the behest of Gov. Thomas E. Dewey of New York at last year's GOP convention, would face an uphill fight to retain his job. Scott is a representative from Pennsylvania.

Judge's Conduct In Hiss Perjury Trial Censured

WASHINGTON, July 11. — (AP) — Two house Republicans apparently are working up to formal demands for an investigation of Judge Samuel H. Kaufman's handling of the Alger Hiss perjury trial.

Reps. Velde (R-Ill.) and Nixon (R-Calif.) are getting ready to back up complaints against Kaufman—they say he favored the Hiss defense—with speeches on the House floor. And the two, partners on the House Un-American Activities Committee, may go farther.

Nixon definitely wants an investigation and aides say he will fight to get one. Velde will back Nixon.

An old-fashioned political scrap would result that would give a new twist to the celebrated Hiss-Chambers case—a case that so far has featured charges of espionage and perjury.

Democrats have shown few signs of letting the two young members of the House Un-American Activities Committee get an investigation started. And they would have to have some Democratic help.

Kaufman is a Democrat appointed by President Truman. He is a federal district judge in the Southern New York District. The Hiss case was his first big one.

Hiss, once a high official in the State Department, was tried on charges he lied in saying he did not know former Communist espionage agent Whittaker Chambers as late as 1938 and never gave Chambers secret documents.

A new trial is necessary because the jury couldn't agree on a verdict. Eight jurors wanted to convict Hiss. Four wanted to acquit him. All of them quit trying for an agreement Friday night.

Nixon picked out several points at which he said Kaufman favored the defense. Velde listed an even half dozen.

Velde said the judge showed "obvious bias" in allowing questions about a suicide in Chambers' family but not about two suicides in Hiss' family.

He said Kaufman declined to substitute an alternate for the jury foreman after receiving reports twice in the early days of the trial that the wife of the foreman had said her husband believed Hiss innocent and would try to swing the jury. The foreman was one of the four who stood fast for acquittal.

Furthermore, Velde said, the judge showed one example of "gross impropriety" in shaking

7 Tots Found In Cabin; Two Taken To Hospital

PORTLAND, July 12. — (AP) — Two youngsters were in a hospital here today after seven brothers and sisters, aged 10 years to 14 months, were found alone in a 12-foot square cabin east of the city.

The sheriff's office said a two-year-old girl had lobar pneumonia and a 14-month-old sister also was ill. The others nursed sores attributed to malnutrition.

Parents of the children were believed in the Pendleton area, selling berries picked east of Gresham over the weekend. A neighbor was supposed to be caring for the youngsters, but the sheriff's investigators said the woman was employed elsewhere all day.

The family moved to Oregon recently from Red Bluff, Calif.

Building Employment In West Decreases

PORTLAND, Ore., July 12. — (AP) — A decline in the number of building jobs started in the west last month, as compared with a year ago, was reported today by the magazine Western Building.

A total of 33,894 building permits, for \$157,164,734 worth of construction, was issued in June. A year ago the figures were 36,046 permits and \$182,948,068.

The statistics covered 257 cities and counties in the west. Los Angeles ranked first in the amount of building, with Los Angeles county second, and Portland third.

hands with Supreme Court Justices Frankfurter and Reed when they appeared as character witnesses for Hiss.

In New York, Kaufman said his only purpose had been to see there was a fair trial and: "The record of the trial speaks for itself."

Activity Day Set By Girl Scouts

Roseburg Girl Scouts will have their second Activity Day July 16 from 10 a. m. to 3 p. m., at Umpqua Park. It was announced by Mrs. Lloyd Nelson, secretary of the Girl Scouts Leaders Assn.

Included in the day's program will be Scout singing, led by Mrs. Dorothy Moore, and folk dancing, led by Mel Fisher. At noon, the girls and their leaders will take part in a "nose bag" lunch.

A story hour will follow the lunch and Mrs. Irma Saunders will guide the making of a nature notebook. A demonstration of felt work by Mrs. W. E. Ott and instruction of wood and soap carving by Mrs. Roy Barnhart will conclude the activities.

Mrs. Nelson said all Girl Scouts and other interested girls are urged to attend.
