

Balding Romeo Afoul Of Law After Marriage To Fourth 14-Year-Old Girl

DETROIT, July 13. — (AP) — A fondness for bobby-sox brides has 42-year-old Earl Conners, in trouble. After four marriages—all to 14-year-old girls—the balding Kentuckian is in Wayne County jail. But this doesn't mean a thing to his latest wife, Fatima, still 14. She stood right up in court yesterday and said: "I love my Earle and I won't say a thing against him. So there. I'll just wait until I'm 16 and we can be man and wife and happy again." Conners pleaded guilty to contributing to a minor's delinquency.

Then, as he left the courtroom, he was arrested again on a charge of being \$2,210 behind in his alimony to wife No. 2. He admitted taking Fatima Hussan to Liberty, Ky., and marrying her on her 14th birthday last Nov. 15. At first, he was charged with enticing a minor into marriage. But when plump Fatima refused to testify against him, the charge was reduced. Conners, a resident of Somerset, Ky., told Detective Lt. Morse Opposes Certain Power Sales To PUDs

WASHINGTON, July 13. — (AP) — Senator Morse (R-Ore) said yesterday he is opposed to selling to private utilities at the dams power generated by the government hydro-electric projects. He made the statement in a telegram to Henry Hansen, of the Capital Press of Salem, Ore. "I am opposed to the idea that after the great power dams of the Pacific Northwest have been built and paid for by the tax-

payers private utilities should be given special privilege priority by way of taking all the power they want at the bus bar (dam) sites," Morse said. "I think private utilities are entitled to fair consideration in respect to negotiating contracts with the government for sale of power but I think the people of the area are entitled to have the power distributed to them over the Bonneville Power Administration transmission grid system if they want to obtain their power that way. I shall oppose any attempt on the part of the private utilities to block the BPA transmission grid system."
