Forest Assn. Heads On Annual Inspection Trip

Directors of the Douglas For-est Protective association left early Wednesday morning on their annual inspection trip of the association's lookouts and fa-cilities, Dispatcher U. F. Mc-Laughlin reported today. Wednesday the field trip will take the inspection party up

IKIESS By Canyonville Family Highlights of their trip across the country were told by Mr. and Mrs. Robert Shaffer and their son, Roger, and A. M. Shaf-fer, who have returned to their homes in Canyonville after a four weeks' absence. They cov-ered 7,600 miles. Among the places they visited were Salt Lake City, Denver, Vincennes, Ind. Washington, D. C. Geitysburg, Pa., and Niagara Falls, Mt. Rushmore Memorial, S. D., Yellowstone National Park, and home by way of the As-Balanced How JET Self-Contained Water System for SHALLOW WELLS for SHALLOW WELLS The new Goulds Balanced-Flow yet, with self-adjusting capacity, delivers any demand for water instantly, whether a full stream or a trickle is wanted. Open two or more faucers in the system at the same time, and you get exactly the volume you want at any outlet, up to the capacity of the pump, in a steady, non-fluctuating stream. Outer, trouble-free, self-prim-ing, easy to install. Capacity up to 540 gallons an hour, depend-ing upon suction II. Tome in and see why this amazing, low-cost water system of fresh running water from a shallow well.

Mora Scout Leaders Needed, Quam Says

ACTIVE CLUB DATED The Roseburg Active Club will meet Thursday at 7 p.m., at the Country Club, This will be the monthly social night. Further re-ports on the recent Active In-ternational convention in Port-land will be heard.

MINNESOTANS TO MEET Minnesota State society of Port-land will hold its annual picnic July 31 at Jantzen Beach park. F. G. Quimby is planning on this being one of the greatest picnics of all times, with Min-nesotans from all parts of Ore-gon and Washington attending. Sections for each county are ar-ranged. A program with out-standing speakers is planned. A five-piece orchestra will play all day. Needed, Quam Says All men interested in phases of Boy Scout leadership are urged to attend the first in a series of leadership training meetings to be held at the Ump-qua hotel at 6:30 tonight, ac-cording to Rollie Quam, Rose burg scout executive. Present to aid in the instruc-tion of prospective Roseburg Boy Scout leaders will be a "flying squadron" from Eugene. In recent talks before Rose-burg service and fraternal or-ganizations, Quam stressed the need for more scout leaders in this area. Revised age limits make about 1000 additional boys eligible for membership in this district alone, Quam said. Delegations from each of the city's service organizations will be present at tonight's dinner meeting.
