KDND
DIAL-LOG

Heart-rending sobs shook the KRNR studios last Friday night when Lyle Fenner tearfully conducted his last performance of the ever-popular, ever-lovin' "Rhythm Rendezvous" program (10:30-11 p. m.). At least 6,000 heart-broken listeners called in during this final broadcast (according to Mr. Fenner) screaming "Oh—don't do it! Don't ever do it!" But "Rhythm Rendezvous" is no more.

Here's a listener-letter which is ample proof that "Rendezvous" was a listening favorite: "Dear Mr. Fenner and Staff: It is with great sorrow and mourning that I learn that you are leaving air. It is only when I listen to your great program and you that I realize that I am listening to a man of equal intellect. I ain't got no sympathy for these morons that listen to Bing Crosby and cowboy music and I have been so happy knowing that a fellow citizen felt the same as I about jazzy music. Usen will have to get together sometimes over a malted and discuss yourn type of music which I enjoy so much. I caint rite no more on cont my eye balls are filled with tears at the thought of you leaving the air. Good by dear friend . . . please don't take it too hard just remember that there are only a few reel smart people like usen."

Program notes for tonight include: "Box Thirteen" at 8 . . . "Jovin Jamboree" at 8 . . . and "John Steele, Adventurer" at 10. Tune in "The Dick Haymes Show" tomorrow night at 7 . . . "The Cisco Kid" at 7:30 . . . "What's the Name of That Song?" at 8 . . . and Elliott Lewis in "The Casebook of Gregory Hood" at 10.

Efforts to Save Grandson Costs Woman Her Life
 BAKER, July 26—(AP)—A 58-year-old grandmother died here Sunday night as the result of an attempt to rescue her three-year-old grandson who toppled from a moving car.

Mrs. Robert Leggett, riding with her family in a car returning to their home from an afternoon trip to Richland, reached for her grandson, Ronald Guyer, who had accidentally opened the door of the car. She missed the child and fell out before the car stopped. The little boy received scratches and bruises but was otherwise unharmed.

According to county coroner Thad Beatty, Mrs. Leggett died late Sunday at the local hospital as a result of her injuries.

Auto Dive Kills One Man, Injures Another
 MOSCOW, Idaho, July 26—(AP)—One man was killed and another so seriously injured he was not expected to live when their automobile plunged off a highway six miles east of here shortly before midnight.

The dead man is Warren P. Scott, 21, Palouse, Wash. The injured man is Lorin Corbin, Moscow, whose physician said was not expected to live. He suffered a skull fracture and other injuries.

Scott was the son of Marvin M. Scott of Tacoma, Wash., and Mrs. Lewis Rothrock of Millwood, Wash.

Atty. Gen. Clark Adds 3 More To Subversive List

WASHINGTON, July 26—(AP) Attorney General Clark Monday put three more groups on the government's list of subversive organizations.

All were classed as communist in a report to the loyalty review board which heads up the program of checking on the loyalty of government employees.

Active membership in the organizations is grounds for dismissal of the government worker. The groups are:

- American Rescue Ship Mission, listed as a project of the United American Spanish Aid committee.
- Emergency Conference to save

Spanish Refugees, described as the founding body of the North American Spanish Air committee.

National Conference on American Policy in China and the Far East which Clark said was a conference called by the committee for a democratic Far Eastern policy.

No addresses were given. The additions pushed the total on the subversive list to about 140. Clark also informed the review board that the United Spanish aid committee, put on the list in April is "more properly" referred to as the United American Spanish Aid committee.

Outdoor Swim Pool Idea Spreading At Prineville
 PRINEVILLE, July 26.—(AP)—A heated, outdoor swimming pool 19 by 31 feet has been completed by R. P. McRea, ex-mayor, at his home.

Other residents, contemplating the Hollywood touch, say they may follow with pools of their own.

The only comparable pool in the area is at the headquarters of Haycreek ranch some 20 miles west of here.

Open earth furnaces now produce 91 per cent of all the steel made in the United States.

'Lilabe' Raps Guards For Lack Of Manners

LONDON, July 26—(AP)—Princess Elizabeth, colonel-in-chief of the Grenadier Guards, has told her officers to watch their manners.

The princess went to the guards club dinner a while back and was displeased with the heckling of some of the speakers.

So the committee in charge has written all the officers:

"Her Royal Highness has mentioned that the interruption of the speeches this year showed a lack of manners.

"It is a great honor that her Royal Highness, the colonel, attends the dinner and it would be a disgrace to the club if she should have any doubts about attending in the future.

Regimental Commander Lt. Colonel E. H. Goulburn told a reporter:

"I don't think it will occur again."
