Answering Calls By MRS BRITTAIN SLACK Volunteer firemen answered three calls over the week, but re-ported that only one proved to be serious and that one was at the Rolling Hills mill Wednesday eve-ning about three miles south of Sutherin. Only the small shed burned but if it hadn't been for the timely arrival of the rural truck from Roseburg, the entire mill would have burned. Moday they were called west of town by a grass fire which was under control by neighbors by the time they arrived. Thurs-day about noon they again were called out by a grass fire along the Southern Pacific right of way near the Rock Island mill. It was soon brought under control with-out any damage to abutting prop-erty. Personal News Items
