

### Third Week Of Outing Opens At Girls' Camp Tye

Camp Tye's third week of summer sessions opened Sunday. Those returning home from the "Prospectors" week reported camp "better than ever." Activities were varied including hiking, swimming, sports, camp fire and hand, nature and camp crafts.

Receiving the Camp Tye honor at the Saturday evening camp council fire were Kay Emery, Shirley Judd, Barbara Reber, Adele Gibson, Carmen Ford, Shirley Saar and Jo Ann Busenbark. This award is given to one girl in each cabin for outstanding camping and leadership.

Friday evening the girls held a Prospectors party. The campers dressed in long shaggy moss beards, charcoal faces, plaid shirts and blue jeans. Mary Ann Backen won the best costume award with her hobo outfit. Cabin five put on a hillbilly wedding with Sandra Busby, Carmen Ford and Clayre Carter taking the lead. Assisting were Bonnie Lent, Roberta Hites, Delberta Simonson and Charlene Boyles.

Girl government day saw Linda Shay, Charlene Boyles, Shirley Ann Judd, Kay Emery, Joan Deaster, Sue Wissing, Barbara Gosso, Helen Brant, Nancy Gile, Janet Wickwire and Chermaine Chapman acting as counselors.

Dorothy Sall of Winchester was added to the camp counseling roster as camp nurse. During the week's evening fires one of the fun features was cabin six acting out the song, "Found a Peanut." Taking part were Bonnie Andrus, Marietta Adams, Valeria Brudan, Sharon Lee Ostrander, Linda Shay, Carmen Cox and Pat Payne.

This week's camp theme is "Paul Bunyans" with 55 girls registered. Included are Camp Fire Girls from Winston, Drain, Oakland, Dillard, Brockway and Roseburg.

Attending are Carole Ann Hunter, Patsy Callahan, Velma Post, Marlene Benson, Betty Jean Russell, Edna Larson, Rose Lola Parks, Bonnie Sue Cain, Jeanie Hill, Arlene Marie Hale, Betty Rae Jenkins and Dora May Shaw.

Also Jill Evans, Nancy Savers, Arlene Bush, Patsy Harris, Elinora Rose, Mary Ann Spancake, Mary Elma Smith, Carlene Smith, Shary Perrault, Sally Beth Smith, Marlene Pruitt, Sammie Tedrick, Sharon Haren, Karen Mee Arundson, Charlotte Kelley, Beverly Nickell, Marjorie Gladwill, Carol Kinch, Gayle Groshong.

Also Blanche Nichols, Kathryn Jennie, Amaryllis Gladwill, Betty Roach, Muriel Ellison, Lois Marie Fosack, Jan Sherwood, Joan Phillips, Helen Joiner, Orrell Osterman, Lucy Lee Osterman, Opal Calvin and ten girls remaining over from the past week.

The food committee reports that girls at camp may have treats as a cabin or for the whole camp. Many parents have not understood that treats may be sent to one cabin, enough for eight girls, or for the whole camp. In the case parents wish

### Polio Cure Final Hope Of Victim In His Notes

(Continued From Page One)

He replied by pencil: "Some but not bad. "Every person on this floor has a (word unreadable) contagious disease—don't want you around. "Can't read—vision's shot temporarily. "Only thing I'm worried about is you. "Help me get pillow under head. "You should not stay. This will be my worst night. Tomorrow we should know."

Mrs. Chiles asked if she could get him anything. He wrote: "Doctor prescribes what I need." And then was the last note of all: "My neck is paralyzed, doesn't hurt anymore."

That was about 8 p.m. Wednesday. Lieutenant Chiles died, of bulbar poliomyelitis, at 9:20 the next morning. He was a native of Lakeland, Fla., who entered the navy in 1942 and spent three years overseas. His burial was today, 1, Arlington National cemetery.

### Infantile Paralysis Cases Increase in Some States

(By the Associated Press) Infantile paralysis cases showed a sharp increase in some states in the last year, boosting the nation's total far ahead of 1948, a near record year.

The number of polio deaths for the first seven months of 1949, an Associated Press survey showed, is about double the total up to Aug. 1, 1948.

The survey showed approximately 8,000 cases and 442 deaths. However, data on fatalities was sketchy and incomplete in some states on the number of cases. Many communities, fearing epidemics in the heavy polio months of August and September already have taken emergency measures. State health officials and leaders of the National Foundation for Infantile Paralysis are taking all precautions to prevent the outbreak or spread of the disease.

The 27,680 polio cases reported in 1948 were the second highest of record but up to Aug. 1, 1948, the total was under 5,000. The worst polio year was 1916 when about 30,000 cases were reported.

to send treats for the camp several may group together to do this as some have done in the past. Any groups of parents may contact Mrs. Morris Bowker, Mrs. Jack Chapman or Mrs. Catherine Higgenbotham if they plan to send treats for the whole camp. Friday is party night, ice cream and cake are acceptable for the Sunday menu and watermelon for the Wednesday or Thursday menu.

It is again mentioned that deliveries are taken to camp on Tuesday, Thursday, Saturday and Sunday from the Roseburg Meat company which is acting as depot this year. Anyone unable to take their packages to the depot may call any of the above mentioned council members who will pick them up for delivery at camp.

### Optional Basis For Garbage Hauling Asked

(Continued from page 1)

monthly. John asked the council to reconsider the franchise provisions, to make it optional with householders whether their garbage is collected once or twice weekly.

John proposed that the new rate for twice-weekly service be \$1.75 monthly and once-weekly service \$1 monthly. These rates would become effective Oct. 1. The rates now are \$1.25 monthly for two collections weekly.

City Manager Frank Ashley questioned whether the rate increase would be justified. Councilman George E. Vest suggested that the franchise payment to the city be based on percentage of the company's profit rather than a fixed fee.

John said he would not object to periodic inspection of his company's books by city auditors for them to determine his franchise payment, but that much of his company's business is derived from areas outside the city boundaries, and could not fairly be used in determination of such payment.

He also said that twice-weekly service might profitably be provided within the present city limits, but that he did not believe he could extend twice-weekly service to areas which may come within the city in the near future without having to purchase more equipment.

Street Re-Naming Argued Councilman West said he did not believe that the planning commission's proposed street re-naming plan would be acceptable to the people of Roseburg. He suggested the proposals be referred back to the commission.

City Attorney Paul E. Geddes argued that the scheduled public hearing, set for Monday, Aug. 15, should be held as usual in order that the planning commission might have the benefit of the public's views.

Councilman Percy Croft, chairman of the street committee, said his committee was not in favor of the street re-naming proposals in their present form, because they do not go far enough.

He explained that the special street re-naming committee, as appointed by the planning commission, included one post office representative, one fireman, one councilman, and two planning commissioners.

The post office objected to a complete re-naming of streets, because letter carriers would have to learn an entire new system and the confusion of having new street names would result in people receiving misdirected letters for several months.

The council decided to hold the hearing Aug. 15, as originally scheduled.

### Annexation Proposal

Petition seeking annexation of Miller's addition to the city was discussed. It was decided to defer action until the next meeting, because another petition may be received from East Roseburg residents. Under a new state law, separate elections day be held in each of the districts seeking admission to the city, if any or all of the districts vote favorably, then a later election covering all of the annexation proposals may be held in the city.

The city attorney was in-

### The Weather

strated to delay in drawing an ordinance calling for a special election in Miller's addition, pending receipt of a petition from East Roseburg.

Miscellaneous Matters Todd Building company submitted the only bid for the construction of a new municipal garage, to be located at the north end of Rose street. The garage would house all city equipment. The Todd company bid \$9,377 for its construction. The building will be 50x90 feet, constructed of punice block with truss roof. Construction will start soon.

The following reports of the police committee were accepted: Recommendation that Clifford Howard be permitted to sell Stophes automobiles at 707 S. Stephens street and that he not be required to post a bond.

City manager instructed to contact owners of P. and B. auto wrecking service and give notice that wrecked cars parked in residential zone, city block 15, lots 7 and 8, be removed within 24 hours, or the city take such action as necessary at expense of the company.

Investigated the proposed closing of beer establishments on Sunday. Recommended that city do not act in favor of closing said places of business on Sunday.

The council also approved the appointment of Edward Vincent as a police patrolman, succeeding John Ellis, who has resigned for other employment. Vincent is a former military policeman. He has lived in the Roseburg area, but outside the city limits, since 1938.

The following bills were ordered paid by the council: American Brush Co., \$28.24; American Elkhart Co., \$24.15; Bob Browning, \$5.60; Arthur Boyer, \$21.00; Coca Cola Bottling Co., \$28.40; Douglas County Abstract Co., \$13.50; Calif. Oregon Power Co., \$26.30; Calif. Oregon Power Co., \$1.45; Coon Supply Co., \$6.25; Columbia Equipment Co., \$1,241.45; J. C. Compton Co., \$47.25; Denni Gerzelsen Co., \$71.19; Darby & Foster, \$43.30; Douglas Abstract Co., \$9.00; Firestone Stores, \$33.30; Hudson-Duncan & Co., \$162.84; Howard Cooper Corp., \$68.75; Ken L. Rubber Welders, \$27.80; Pierce Auto Freight Lines, Inc., \$5.50; Roseburg Paint Shop, \$7.50; Roseburg News, \$12.26; Roseburg Color Center, \$10.19; State Highway Department, \$70.00; E. L. Sines, \$2.00; Safeway Sign Co., \$10.00; State Highway Department, \$70.00; Trowbridge Elec. Co., \$10,800.11; Turflore Co., \$221.76; Umpqua Valley Hardware, \$25.36; Union Garage, \$4.00; United Petroleum Corp., \$229.80; Police Department uniform allowance, \$500.00; Van Watters & Rogers, Inc., \$236.25; Village Blacksmith, \$4.00; Wharton Bros., \$58.05; and J. M. Barley, \$14.17.

### New Traffic Signal Lights Proposed Here

(Continued From Page One)

and our own observation," said Williams, "it would appear that there is as much if not greater, warrant for signalized control at Washington than Lane, principally by reason of the former being a school crossing.

"In view of past history, it would be my surmise that if a signal is installed at the Lane street intersection and none at the Washington street crossing, that there would be marked acceleration or renewal of requests for a signal at Washington street.

"As a matter of practical consideration, the highway commission has approved and earmarked the necessary money for its pro rata share on the basis of plan J. If plan 2 is used, the state's pro rata share of the differential cost will be applied on some other project.

"If subsequently there is agitation for signals at Washington street it would have to be treated as a new unit of work insofar as consideration by the highway commission."

### 2nd Plan Disfavored

The second plan is a "less expensive" project, but would not be adequate from a traffic standpoint, according to Williams. If only the Lane street light is installed, it has been suggested that all three signals be put on simultaneous operation.

It is the feeling of the State Highway department that simultaneous operation over the three intersections would invite excessive speeds. Notwithstanding the fact that with short block lengths the scheme of speed progression cannot be developed for any high speed level (9 or 10 m.p.h. being about the maximum), speed progression is the better plan of operation.

If lights are installed at both Washington and Lane streets, a double alternate simultaneous timing of signals can be placed in operation. Lane and Cass street signals would operate in unison, and Oak and Washington street likewise with proper offset between the two pairs.

With interconnection of the four signals the double alternate timing could be accomplished using two controllers at the existing installations. Thus individual

### Douglas County Cities Get Funds For Special Need

(Continued From Page One)

"Special need" street projects in 23 towns and cities of the state have received allocation of \$219,589.90 from the State Highway commission, according to the news letter of the League of Oregon Cities.

Among these towns are Drain, receiving a special allotment of \$9,300; Yoncalla, receiving \$9,600, and Myrtle Creek, receiving \$15,000, matched by a city contribution of \$5,000.

The State Highway commission allocations are from the 1949 allotment of \$250,000, which is set aside annually from the cities' 10 per cent share of state-collected highway revenues to be spent on streets that are not a part of the state highway system.

The money is spent on streets within cities "which are receiving excessive wear through sudden increases in population in the area and heavy and unusual industrial traffic."

### TENT HOUSE BURNS

A Douglas Forest Protective association pumper crew was called out at 11:30 p.m. Monday when a tent house at Smith springs caught fire and burned to the ground, according to U. F. McLaughlin, dispatcher.

The fire was reported by Robert Lee, Rock Creek warden. No acreage burned and no other damage was reported.

### MONEY SUIT FILED

A demand for judgment for money due the plaintiffs has been entered in circuit court in the case of Sibyl M. Crites and C. V. Crites doing business as S. M. Crites company vs. Gilmer-Griggs Lumber company.

The Crites company demands judgment for \$850, plus interest, allegedly due for services performed.

Intersection controllers would not be necessary for the projected Lane and Washington street signals. Elimination of the two controllers would reduce cost of the project some \$600.

Decision on which plan to adopt will rest with the city council.

### Foreign Arms Aid Fund Faces Reduction Demand

(Continued from Page One)

tees will meet again Friday in a closed door session. This will delay the start of Senate hearings until Monday.

Harriman Sees Victory Harriman told the House committee that "I earnestly believe we are winning the struggle for peace and freedom in Europe."

But, he emphasized, any delay in shipping arms to America's European allies would create doubts which might reverse this trend.

"The voice of the subversive elements, the appeasers, those who would trust 'neutrality' would rise again and have an effect on the confidence and determination which now exists," he said.

Harriman, who was once the American ambassador to Moscow, added: "I believe that it is our duty to make the present sacrifices which may be necessary to protect the growing generation from war."

Harriman told the congressmen their fears that the proposed program would jeopardize European recovery was unfounded.

He said the ECA is satisfied the arms program "will not impair European recovery, but on the other hand will strengthen it, since confidence is an essential condition for men to work, invest and plan for the future.

The Democrats, unlike their Republican colleagues, indicated willingness to take the program on faith if the details they seek are not forthcoming.

Specifically, they want to know whether there is any iron-clad agreement that the nations re-

### Malcolm McNeill, Kin Of Roseburg Women, Dies

Word has been received in Roseburg of the sudden death of Malcolm McNeill, 70, of Ashland. Mr. McNeill was well-known here, having visited at the home of his sister, Mrs. Dan Wann, and niece, Mrs. Delton Walker, a number of times. Funeral services were held in Ashland Tuesday.

### MOTORIST FINED

W. J. Thompson, Roseburg, was fined \$20 in Municipal court Tuesday when he pleaded guilty to charges of motor vehicle speeding and passing on a curve, Judge Ira B. Riddle reported today.

ceiving American arms will use them as a team if action becomes necessary.
