

A "MODEL" VACATION—To heck with the scenery! You can't eat scenery. How about lunch? The weary models are just about in the mood to nominate the photographer as Simon Legree the Second. Modeling on the vast and jagged rim of Crater Lake is hard on the dogs. (Picture by Paul Jenkins.)

A "MODEL" VACATION—The models, with slacks rolled up, stand contentedly knee-deep in the cool waters of Diamond lake and view the splendor of Mt. Thielsen as it thrusts its piercing pinnacle towards the sky. In some of the deep ravines which score its sides a little snow remains. (Picture by Paul Jenkins.)

"WILD BOY" CAPTURED—Johnny Sears, 14-year-old deaf mute "wild boy" captured by Naturalist Larry Dean 40 miles north of Houston, Tex. in a wilderness known as the "Big Thicket," will abandon tree climbing to live in a new world of airplanes and hamburgers. Johnny's father said he and his wife turned the boy loose in the thicket because "we have so many kids we don't know what to do with them all." Dean hopes to find a place for the boy at the State School for the Deaf in Austin.

"MICKY'S THE NAME"—Dapper Gangland Kingpin Mickey Cohen (left) is stopped by deputy sheriff who asks for identification at door of coroner's chambers in Los Angeles as inquest begins into death of Cohen's henchman, Edward (Neddie) Herbert. He died of shotgun wounds inflicted in ambush shooting on Hollywood's Sunset Strip. Cohen and two others were also wounded in the attack.

Millipeds or "thousand legged worms" have developed many different species in moist "islands" in the deserts of the U.S. Southwest where they were isolated from other similar "islands."

"Old Wooden Face" Bids Young Baseball Hurlers
Y. M. C. A. General Secretary Marlen Yoder has issued a call to all prospective pitchers to show up at the Senior high school diamond Saturday morning at 10 o'clock—to prove just how good they really are.
Yoder explained that a pitching contest, new to Roseburg, will be offered local boys. However, contestants will not face batters, but a wooden box called "Old Wooden Face" instead.
Local merchants have offered prizes to the youngsters who can throw the most strikes through the wood frame placed at home plate. Yoder said the contest is open to any Roseburg boy, regardless of pitching prowess.
Prizes will be offered for each of three weeks, with a grand championship round slated for the fourth Saturday. Cooperating merchants include the Ice Creamery, Horn's Super Creamed shop, Umpqua dairy, Adair's Associated station, Roy's, the Snack Bar and J.V. Sporting store.
For a Sunday night supper menu serve broiled or boiled frankfurters with two salads—potato and cole slaw. Add mustard, dill pickles, and spiced beets and lots of thin slices of pumpernickel bread spread with butter or margarine. Dessert might be lemon sherbet with a topping of grated fresh pineapple.

Mrs. Harris, accompanied by Caroline and Carol Boucock of Yoncalla, spent from Sunday to Wednesday enjoying an outing at Windemere at Bandon.
