**Oregon's Legion Rejects Proposal To Increase Dues**

SALEM, Aug. 8. — (AP) — The Oregon convention of the American Legion will be headed this year by Sam M. Bowe of Grants Pass.

The legion closed its convention here Saturday after going on record in favor of a state bonus for world war II veterans.

A proposal to increase national dues 25 cents for rehabilitation work was rejected. This echoed a charge by former National Commander Frank Belgrano, Portland, who told the convention opening session that national leaders were using funds to perpetuate control of the organization.

Sam M. Bowe, 40-year-old Grants Pass lawyer and world war II enlisted infantryman, was unanimously elected staff commander. He directed his acceptance comments to the younger men in the audience. "This is your opportunity to prove you are now qualified to take up the affairs of the American Legion," he told them.

Clyde E. Dickey, Portland druggist and world war II veteran, was elected vice commander.

The legion auxiliary elected 12 district presidents. They are: Mrs. Earl K. McCoy, Hillsboro, district 1; Mrs. L. N. Bacon, Salem, 2; Mrs. Vernice Schultz, Florence, 3; Mrs. Harold E. Benson, Grants Pass, 4; Mrs. Edward Seufert, The Dalles, 5; Mrs. M. J. Penney, Pendleton, 6; Mrs. W. Dale Renfrow, Walla Walla, 7; Mrs. Wayne F. Gladden, Portland, 8; Mrs. Charles De Macon, Gresham, 9; Mrs. E. W. Hughes, Coquille, 10; Mrs. Earl Sweek, Monument, 11; Mrs. Allen Ryman, Bend, 12.

**"Sistie" Bears F. D. R.'s First Great Grandchild**

PORTLAND, Aug. 8. — (AP) — A 9-pound, 1-ounce boy—the first great grandchild of the late President Roosevelt—was "doing beautifully" at a hospital today.

So was his 22-year-old mother, Mrs. Van H. Seagraves, who entered the hospital Saturday night and gave birth to the child at 12:26 p. m. yesterday. The baby was named "Nicholas Delano"—traditional names in the Roosevelt family.

Mrs. Seagraves is the former Anna Eleanor Dall, who was known to the world as "Sistie" when, as a child, she romped in the White House during the early days of the Roosevelt administration.

She and Seagraves met as students at Reed college and were married July 7, 1948.

Her mother, Mrs. Anna Roosevelt Boettiger, and her brother, Curtis, came here for the birth.

Mr. and Mrs. Bill Adams of Fair Oaks are vacationing in Canada. Mrs. P. M. Adams, mother of Bill, accompanied them as far as Portland, where she will visit with her sister.

Rev. and Mrs. Lloyd Whitford were honored by friends of the Christian church Wednesday evening after prayer meeting and Bible study. The occasion was the wedding anniversary of the couple, who have recently come to Sutherland from Burns to take over the pastorate here. Cake and punch were served to Mr. and Mrs. Whitford and to more than thirty friends.

Mrs. Chester Hosman of Cottage Grove spent the day Friday in Sutherland visiting with her daughter, Mrs. Royal Abeene, Jr.

Members of the Christian Endeavor group of the Christian church enjoyed a swimming party and wiener roast at Fair Oaks last Saturday night. The evening closed with a devotional service.

Lloyd Whitford, pastor of the Sutherland Christian church, is at the boys camp at Crescent Lake this week. He is serving as an instructor there. Jack Waddell, brother of Mrs. Whitford, accompanied Mr. Whitford to camp.

Mrs. Ruth Lewis, who spent the winter in California and Oklahoma, and her daughter, Mrs. Eugene Pinching, who with her family has been in South America the past two years, spent the weekend with Mr. and Mrs. Duane Lewis at the farm at Umpqua.

Mrs. Lewis attended church in Sutherland Sunday and visited with friends. She and her daughter left Tuesday for California. Mrs. Lewis will make her home in the future at Hennessey, Okla., and Mrs. Pinching, her husband and two daughters, Ruth Loyce and Jean Ann, will soon return to South America.

Mrs. Lewis was a resident of Sutherland and Umpqua for several years until about two years ago, when her husband passed away. Since that time she has spent her time traveling.

**Correct Gesser On Quiz Program Richer By \$31,000**

UNION CITY, N. J., Aug. 8. — (AP) — Hollywood called last night, and Ann Notre of Union City is \$31,000 richer today.

Miss Notre, 20, gave the right answers when called on the telephone by a radio quiz program, and now she has at her command such prizes as a trip to Paris, a Russian ermine jacket and many others.

The quiz was the "Hollywood Calling" program. She correctly identified a set of music and word clues, named Red Skelton as the movie star and "Jealousy" as the motion picture.

Almost as soon as she put down the telephone, however, other less welcome calls started coming.

"A lot of crackpots have called me up telling me what to do with all the prizes, but they are all going to be used here at home," she said.

Miss Notre, a dental assistant, said the prizes would be shared by her mother and father, a married sister, a nephew, a brother and a sister.

The telephone call almost caused all of them to forget that Miss Notre's other sister, Helen, is scheduled to be married today.

**Dewey Shouldn't Run Again, Ex-GOP Head Says**

WASHINGTON, Aug. 8. — (AP) — The man Thomas E. Dewey picked for chairman of the GOP national committee last year says he thinks the New York governor should not run for president again.

Rep. Hugh D. Scott Jr., of Pennsylvania, expressed this opinion a short time after he quit the party chairmanship.

Asked why he thinks so, Scott mentioned the successive defeats Dewey suffered. He said the republicans should choose a candidate from among the "bright and shining new faces" in the party.

Scott said these include Gov. Alfred E. Driscoll of New Jersey, Gov. Val Peterson of Nebraska, Sen. Robert A. Taft of Ohio and Harold E. Stassen, former governor of Minnesota and now president of the University of Pennsylvania.

**Gracie DeMoss Again Wins Women's Golf Title**

PORTLAND, Aug. 8. — (AP) — Gracie De Moss of Corvallis held the Portland City women's golf trophy today for a third year and Tab Boyer of Portland claimed the men's silver a fourth time.

For Miss De Moss it was three times in a row as she defeated Sue Huston, Portland, 8 and 6. Her putter worked neatly on the opening greens and she held the

lead through the final play Saturday.

Boyer defeated Bob Duden, also Portland, 2 and 1, in a match that wasn't over until the 35th. He was two down on the 18th, squared the play on the 27th and then held the deadlock until he sank a six foot putt on the 35th.

**FIRST GLIMPSE**

**of a BRAND-NEW IDEA**

HERE is a hint of something wonderful that's coming your way.

It is more than just the front end of the new Buick SPECIAL. It's a fresh new front end treatment—a "Buick first"—and it makes so much sense that it's safe to say it will start a new trend in styling.

Look it over and you'll see what we mean.

Sturdy vertical bars, attached to the bumper, form the grille—and at the same time serve as bumper-guards, which makes it impossible for you to "lock horns" with the car ahead of you.

The bumper no longer projects beyond the grille—so inches are saved in the over-all length of the car.

Parking lights are deeply recessed. The grille is made up of bars heavy enough to absorb all normal impact—and they're individually replaceable to cut repair costs in the unlikely event of damage.

Bumper, grille, bumper-guards and parking lights all become part of a single, unified design.

But—stunning as this brilliant bit of designing is—it's just a hint of all the new things you'll see when the new SPECIAL goes on display.

Even the price is good news. So watch for the full announcement—coming very soon—and you'll agree that more than ever, Buick's the one for you.
