Sheffel of Sutherland, was honored at a charming bridal shower party given by the Young Women's society of the Christian Service and the Woman's Society of Christian Service of the local Methodist church Wednesday evening at the social rooms of the church.

The serving table was covered by an exquisite lace cloth. The centerpiece was an artistic basket arrangement of pastel gladioli flanked by tall tapers. The large room was decorated with pastel colored streamers and the seat of honor was beautiful with a pink, green and white arrangement.

A small lace-covered table centered with small centerpiece of crystals, flanked by tall tapers, held the many beautifully wrapped gifts.

The social hour was spent playing two games: the first one was dressing a clothes pin to represent a bride and Mrs. Vera Brittain won first prize with Mrs. Bradley winning the second for having the best dressed brides. The second game was a game of recipes, where a picture was drawn for the different ingredients, which created much merriment.

HERB SULLIVAN AND ORMOND FELDKAMP stand beside the new delivery truck which replaced the touring car originally used for milk deliveries. At the time this picture was taken, the partners thought they were "on top of the world" with their Umpqua dairy business.

PROOF OF EXPANSION is shown in this photo taken 14 years later. Not only had the two partners expanded their truck fleet from one to nine, but they also occupied a much larger, especially designed building. This building is the present site of the Umpqua Dairy, located on the corner of Sykes and Short streets.

WARTIME SHORTAGES caused this return to a slow but reliable type of transportation. Roseburg citizens were at first startled to see the Umpqua Dairy trucks out of circulation during the war years but the rubber tired cart drawn by the two faithful dobbies served their purpose. The horses were retired finally after the armed forces deprived them of their drivers.

RIVERSDALE GRANGE HAS INTERESTING MEETING FRIDAY

Riversdale Grange held an interesting meeting Friday night at the hall with the third and fourth degrees being conferred on Carl and Ethel Youngren, Frank and Olivia Worland, C. B. and Thelma Erickson, E. J. and Eunice Langlois, Agnes Pitchford and W. L. Dixon.

Committee chairmen gave reports and C. W. Cook gave the annual insurance report. Mrs. C. M. Stark reported on Mr. Koop's offer regarding photographs and on account of the largeness of the organization, the group voted not to accept the offer.

W. H. Carter presented the Grange with a new electric clock, which will be installed at once. The degree team captain, Ray Deadman, reported degree work for the September 2nd meeting.

Mrs. C. M. Stark, lecturer, presented the literary program and a talk was given on Camp Fire by the executive secretary, Elizabeth Gibson, who also showed an exhibit of Camp Fire work. A fine exhibit of antiques was enjoyed.

Viola Spencer reported on the Pomona Grange meeting. The next Pomona Grange meeting will be held at Evergreen Grange hall in October.

C. T. Tipton was appointed chairman of the county fair and the following were appointed to serve on the committee: Ray Deadman, Myron Lehme, W. J. Love, B. F. Johnson, Mrs. C. T. Tipton and Mrs. E. G. Trozelle. The next meeting will be August 19 at 8:15 o'clock at the hall. Refreshments will be served by the committee in charge.

DOUGLAS COURT INITIATES LARGE NUMBER AT MEETING

The regular monthly meeting of Douglas Court No. 18, Amaranth, was held in the Masonic Temple on Friday, August 5th. This youngest of Roseburg's fraternal orders is off to a good start. A large class was initiated, this being the first since organization a few weeks ago. The initiatory ceremony is very impressive and was perfectly executed by the officers. At the next meeting, which will be September 2, a still larger class will be initiated. A social hour followed the meeting at which time refreshments were served. Mrs. Lois Cassel-Quine, Royal Matron, presided during the meeting of the Court.

Window Shopping with Corinne

Here it is practically hunting time again—well, anyway, time to be buying that shotgun you'll need when you go hunting. J. V. SPORTING GOODS has the rifle or shotgun for you. There is a good selection of Winchester and Remington shotguns, in all gauges, and shotgun shells to match. Also, there are .30-30 Marlin rifles, which Jeff warns will be a critical item this fall. All calibers of shells, and cleaning rods and oils for keeping your gun in top condition are available at J. V. Sporting Goods, too. Don't forget that pigeon season opens September 1st, and your cookie may want you to get a nice squab for pigeon pie. Next will be the pheasant season, popular hereabout, opening October 1. We can just taste 'em, can't you?

When some people discharge an obligation, it's like a cannon going off—you can hear the report for miles around.

Mr. and Mrs. Lester are back from their trip to San Francisco, this week. Les reports that they enjoyed the drive and the semi-annual showing of gift items which they attended. We asked him what he bought for sale at LESTER'S GIFT SHOP, 337 N. Jackson. He says he ordered a pretty new line of stemware, a new line of pottery, new Chinese modern ceramics, and miscellaneous hostess items. Some of the items have already arrived, including sets of party stirrers for tall drinks. These have blown glass animal figures mounted on the tops—see them right now in Lester's window.

Another thing you'll be wanting for your home—luxurious new Callaway bath sets, from JOSSE'S. You'll find them in subtle two-tone pastel combinations and all-white, of colorfast and washable chenille with an embossed floral design in complementary colors. The size is a generous 21" x 36", and two-tone colors are grey, blue, tan, peach, and green. Match up your choice with super-absorbent Callaway towels for unexcelled beauty and comfort.

Modern girls may be affected, but they never put on much.

Know an ex-G. I. going back to college for his senior year, this fall? Give him a Baby Ben alarm clock, to help him get to classes on time. ASHCRAFT'S at 269 S. Jackson have them in a large round ivory model with luminous dial and chime alarm. For the college or business girl, there is a small round Baby Ben in ivory enamel or a Westclox travel alarm which is a flat oval with a sliding panel to cover the dial for packing. The hinged back forms a stand for setting it up on a bedside table. This one has a luminous dial, too. All of these models are silent—you can't hear them ticking from a few feet away.

Here's another must for college or business girls—fall coats at EXCEL DRESS SHOPPE. This group includes tweeds and fleeces in a smart belted style with big pointed collar and patch or slashed pockets. The special feature about this model is the removable belt—buttressed on at the side seam, the front ends of the belt may be removed for a belted back style. Or all three sections of the belt may be taken off, and the coat worn as a very smart beltless model. There you have the answer to your fall coat problem, sis.

A broken friendship may be mended, but it will never be as strong and deep as before.

Have you tried the wild black-berry sundae at the ICE CREAMERY? They're sunny. Made with their delectable homemade ice cream and sweet fresh wild blackberries, topped with whipped cream, it's only 25c. Why not give Mom a treat when she's downtown shopping for Junior's school needs? Take her to the Ice Creamery for a sundae or one of their banana splits made with three scoops of ice cream and three flavors of sauce, just simply covered with whipped cream and chopped nut meats. Double malts in all flavors are special at 25c, and for chilly days you'll appreciate the grilled sandwiches. The Ice Creamery is right downtown, next door to your favorite department store.

Is August the birthday month for your family? Then you can save yourself a deal of time and trouble by ordering the appropriate cake from CLEO'S QUALITY BAKERY. You can have your favorite white or gold cake made to order in any size, and hand-decorated in dainty colors. The real-looking flowers and leaves are just as edible as the fine-grained cake, because they are made of butter cream. And so festive they look with their Happy Birthday lettering.

Order one for your anniversary or daughter's wedding, in an elaborate three or five tiers decorated in white or pastel colors. Cleo's Bakery is at 314 N. Jackson, just a few steps north of the theater.

If you have to be forced to do a kindness, you don't deserve any thanks.

"Jungle Joy" glasses by Charm House, extra tall for those iced summer drinks, are the news from the Housewares department at UMPQUA VALLEY HARDWARE. They are hand-decorated with jungle scenes in red, blue, green and yellow on clear crystal. Other gay patterns are "Blossomtime" and "Ming"—a Chinese design. Libby chip-proof crystal decorated with gold monograms or floral patterns may be your choice. And there are a variety of frosted glasses in pastel shades of red, blue, green, and yellow, including a handsome water set with pitcher and six glasses in six pastel shades. Another set has gold bands ringing the glasses and pitcher. Juice sets in two sizes with gay hand-painted designs will make a cheerful addition to your breakfast table. Your family just can't be grouchy, faced with gay glassware and china, and an early morning sun edging around the window-frame.
