propriation of \$9,000,000 in cash and contract authority to \$3,874,-020. It also moved to eliminate a continuing fund of \$300,000 for the

power agency.

Today's vote was to determine if these cuts shall stand, or if the House allowances will be re-

Fires Raze French

Villages, Erase

Scores Of Lives

WASHINGTON, Aug. 23—4.P)— The Senate is ready today to mix action with words in the public power controversy centering around the Interior department money bill.

A first vortexest is scheduled

A first vote-test is scheduled today on funds for Southwestern Power administration transmis-sion lines.

sion lines.

The outcome is expected to have a decided bearing on several other disputes concerning appropriations for the Southeast ern Power administration, and several power transmission projects of the reclamation bureau.

These are cases where the Several Appropriations committee voted to reduce amounts voted by the house.

In the case of most of the transmission lines at issue, the commission lines at issue, the commission is expected to reduce amounts voted by the house.

BORDEAUX, France, Aug. 23.

(P)—Raging forest fires have killed at least 78 persons in this southwest corner of France.

The fires, worst disaster to strike France since the war, wipadout 20 miles wide and 30 miles deep.

Early Monday the army said that the blaze under control but that troops were sail pouring tons of water on the hot, smouldering embers.

As soon as the ground cools,

In the case of most of the transmission lines at issue, the committee urged that the contracts to be entered into with private uitiles to carry or "wheel" government power to preferred customers such as REA users and municipalities.

The contracts would be modeled after one now in effect between the Southwestern Power administration and the Texas Light and Power Co. In Senate debate, they were referred to as

great pine forests stretching from here to the Spanish frontier. The fires followed a summer-long drought. debate, they were referred to as the "Texas-type contract." With the recommendation that SPA enter into such contracts

SPA enter into such contracts with other private utilities in its area, the Senate committee votarea, the Senate committee to-ed to cut its House approved ap-
