### BEAUTIFUL WEDDING TAKES PLACE IN REEDSPORT SUNDAY

One of the largest and most beautiful weddings to be held in Reedspoint recently was an event of Sunday evening in the Reedspoint Community Church when Miss Barbara Borrevik, daughter of Mr. and Mrs. Berge Borrevik of Reedspoint, became the bride of Roger Wiley of Bremerton, Washington. The ceremony, an especially impressive one, was performed by Rev. Alexander Borrevik of Duluth, Minnesota, uncle of the bride, at seven-thirty Sunday evening with two hundred friends and relatives in attendance. Both the bride and bridegroom have lived at Eugene recently, where they were graduated from the University of Oregon. Mr. Wiley, a basketball star, was center on the U. of O. team.

The church was beautifully decorated for the occasion with gladioli, with the ceremony being performed before a bower of greenery, with gladioli spikes. Decorations were in charge of Mrs. Marie Bailey and Mrs. Emma Seabloom of Reedspoint.

Following the ceremony, the guests were served refreshments in the church parlors with members of the P.E.O. chapter assisting in this serving. The newlyweds will make their home in Bend, where Mr. Wiley will be coach for the Bend high school.

### Give-Away Prize Timely Boon To Needy Mother

COLUMBIA, Mo., Aug. 23.—(AP) An attractive 29-year-old mother of two children won \$26,000 in prizes on the "Stop the Music" give away radio show Sunday night with the help of a house guest.

She is Mrs. Dorthe Pappenport, wife of a Missouri highway department engineer. The broadcasting company said she correctly identified over the telephone the program's mystery melody as "Butter'd Peas."

The helpful guest was her brother-in-law, Randall Pappenport, of Kansas City.

When a long distance operator asked Mrs. Pappenport to stand by, Randall recalled that an article in a Kansas City newspaper identified the tune. The newspaper, the Kansas City Star, was in his automobile. He dashed out and retrieved the newspaper in time to give Mrs. Pappenport the name before the call was completed.

Her husband, Carson R. Pappenport, agreed with his wife the prize is timely. Their son Robert William, 2, is facing a brain operation to correct a condition caused by a fall a year ago. The other child is Ranne Jeanne, 4, a daughter.

The first meeting of the newly organized Alpha Chi chapter, Delphian club will be held from ten to twelve o'clock Wednesday morning at the Methodist church, at which time officers will be elected, according to an announcement by Mrs. Frances Fortner, Delphian organizer from Los Angeles. Mrs. Fortner has been in Oregon for a number of weeks, at which time she has organized a great many chapters for the organization.

Mrs. Fortner reports the chapter will study a three year program on the theme "Patterns for Modern Living," which has been divided into three studies including: "Psychological Patterns," "Political Patterns," and "Cultural Patterns."

Membership in the chapter will be limited. The partial membership list includes Mrs. J. M. Boyles, Mrs. C. W. Dishman, Mrs. J. E. Campbell, Mrs. W. D. Green, Mrs. R. H. Gee, Mrs. R. K. Byrd, Mrs. W. Joyce, Mrs. L. G. Twoby, Mrs. B. E. Woodruff, Mrs. Paul W. Barcus, Mrs. C. S. Heinline and Mrs. Donn Radabaugh.

Mrs. Fortner stated the Delphian organization is striving to show women that the upper middle-class woman are the basis of civilization and on her rests the obligation of social conventions. She reports it is an acknowledged fact that women establish the emotional patterns in children and

### Alaska Still Trying To Obtain \$1 Million Loan

SEATTLE, Aug. 23.—(AP)—A new effort to obtain a \$1,000,000 loan for Alaska has been started in Seattle by J. Gerald Williams, territorial attorney general.

The money would be used to pay \$400,000 in existing territorial warrants plus expected expenditures between now and February 1, proposed expiration date of the loan, Williams said.

An earlier attempt to secure \$1,000,000 fell through, and brought the charge from Treasurer Henry Roden that Seattle interests were attempting to force the territory to repeal some

taxes which had been enacted by the 1949 legislature.

Other sources said the loan negotiations collapsed when it was learned that Alaska owed more than the amount represented.

Williams said his negotiations also were with Seattle interests, although he would not name them. He also said he did not want to comment on whether or not he thought prospects were bright.

"We're going to try to raise the money in Seattle," he said. "We think Seattle should help us—that Seattle has a greater responsibility than either Portland or San Francisco."

He said this did not preclude the possibility that efforts to obtain the loan might be made in some other city.

### Unitarian Group Opposes Central Governing Plan

PORTLAND, Aug. 23.—(AP)—The American Unitarian association has refused to recommend that it become a centralized governing body for the 350 autonomous Unitarian churches.

Instead, in a prolonged session marked by sharp debate, delegates voted to send the long studied proposal to the association's board of directors. The board, if it approved the plan designed to weld the loosely knit organization into a more conventional denomination, would appoint a study committee, then pass the committee proposals to the individual congregations for action.

Although Robert G. Hooke, Montclair, N. J., warned that unitarianism was making little progress under its present organization, Duncan Howlett, Boston, said the action in referring centralized authority to the directors and to each congregation, was no defeat. Howlett was chairman of a commission which recommended the change.

A proposal that steps be taken toward eventual merger of the unitarian and universalist churches was approved by the association, which has only an advisory relationship with the individual congregations. Universalists are expected to consider the merger at their assembly in October.

that sex is not the motivating force, but conscience is.

The chapter will meet the second and fourth Wednesdays of every month from ten to twelve noon. No food is served at the meetings. The first study meeting has been planned for Sept. 14.

1. It doesn't just happen there's a public telephone not far away when you look for it. Locations have been carefully selected to make sure service is where it's needed most... in theatres, filling stations, drug stores, terminals. And special installations are often made to meet the needs of crowds—at conventions, fairs and the like. Today there are some 85,000 public telephones at work in the West.

2. More errands run, more jobs done, more time saved for you... telephone service has many duties. And public telephones make service still more valuable by putting all telephones, both residence and business, within convenient reach... no matter where you may be. More and more are going in, too... as we keep pushing our job of furnishing good, well-rounded telephone service to the West.

3. Good service for you comes from the big job of handling millions of calls every day. But the extras mean a lot, too—like putting telephone booths in handy places. They add up to keep your service one of today's best buys.
