## Lousy Titles Given To Coatties' Officers

MIAMI BEACH, Fla., Aug. 24.—(AP)—Some ladies were elected to offices with most insulting titles today.

The Coatties, auxiliary to the Veterans of Foreign Wars' fun-making group, elected Mrs. Mae Dudding of Phoenix, Ariz., their supreme greynack at their 14th annual crawl.

Mrs. Della Gregerson of Des Moines, Iowa, was elected Supreme Lady Louse and Mrs. Anna B. Vinyard, Cincinnati, was named Supreme Baby Louse. That's the equivalent of first and second vice president.

Mrs. Consuelo Peart De Coe of Sacramento, Calif., took office as Supreme Sherie Keeper-Scratcher, otherwise secretary-treasurer.

It is estimated that some 12 million bicycles are in use in this country today.

**SCOUT INITIATION**—These Boy Scouts are full fledged members of Edenbower troop 133, following initiation at the recent Boy Scout campership at Camp Umpqua. The boys, left to right (back row), are the Normal Band, Fred Ketcherside, Jack Palm and Harlow Friday; (front row) Larry Mayo, Jimmy Hall, Don Nichols and Don Housley.

## Duck Stamp Cost Doubled To Help Wildlife Agenda

August 12th, President Truman signed into law the duck stamp bill, announced Carl D. Shoemaker, conservation director, National Wildlife Federation. The federation has consistently supported this bill and similar bills in previous sessions of Congress.

The federation believes that newly acquired waterfowl refuges should be opened for public hunting under strict regulation of the Fish and Wildlife Service. The bill permits not to exceed 25 percent of the area of new refuges to be opened to such hunting thus giving the average sportsman an opportunity to enjoy this sport along with those who have duck clubs around the borders of such areas.

In order to give more protection and more money for acquisition and administration, the bill increases the cost of the duck stamp from \$1 to \$2.

The bill gives the Fish and Wildlife Service enough money to carry out successfully the essential program for waterfowl preservation and in the long run should be a factor in increasing the population of ducks and geese.

## Oregon School Libraries Have 799,416 Volumes

EUGENE, Aug. 22 (Special)—In its seven libraries, the State System of Higher Education now has 799,416 volumes, valued at \$2,275,104.89, according to a report made this month by William H. Carlson, director of libraries, to Chancellor Paul C. Parker.

In the year ending June 30, 1949, 29,965 volumes, valued at \$138,552.19, were added. During the past four years 100,000 new volumes were acquired. These acquisitions have been possible due to increased financial support for the libraries, particularly at the University of Oregon and Oregon State college, which in Carlson's opinion, "constitute one of the outstanding academic achievements of the system during the postwar years."

COQUILLE, Aug. 24.—First game of the Southwestern Oregon Baseball league playoff series held here Sunday saw Reedsport, tied for second in regular play, defeat the champion North Bend team, 10 to 7, and fourth-place Reedsport squeeze out a 5 to 4 win over Coquille, sharers of second place.

**AMONG FIRST TO REPORT** for football uniforms at the senior high school were Jim Shrum, left, guard, and Glen Scofield, tackle. Scofield, a senior this year, was one of the few returning lettermen to report Tuesday to Head Coach Cece Sherwood when uniforms for the coming season were issued. Practice sessions will begin in earnest today, in preparation for the season's opener here against Medford Sept. 16. (Staff Photo)

## Sugar Ray Fights Belloise Tonight

NEW YORK, Aug. 24.—(AP)—Middleweight contender Steve Belloise pits the power of his mighty right against the all-around brilliance of welterweight champion Ray Robinson in a non-title ten-rounder in Yankee stadium tonight.

The fight shapes up as a first class punching party with Belloise set to come roaring out in the hopes of landing an early knockout. Holding, 30-year-old Steve's chances hinge on his getting in a hard blow quickly. If not he's liable to run out of gas against the clever, stiff-hitting welter boss. No one ever has kayoed Sugar Ray and the bookmakers don't think Belloise will do it either.

They climb into the ring at 7 p.m. (PDT). The contest is being broadcast but not televised.

## Day-Camp Group Eyes Operations At News-Review

The boys attending Y.M.C.A. day-camp were taken Tuesday through the News-Review and shown all the operations that go on into putting out a newspaper. The boys showed a special interest in the engraving department. They then journeyed to Finlay field where a softball game was played and lunches eaten.

Rev. Kenneth Knox then told a story about Johnny "Applesseed" in the frontier days and how he tried to do good for people without trying to get a reward for himself. He pointed out to the boys that it is important that they sow the right kind of "seeds" now and become good members of the community. The boys then played more softball.

Next Thursday will probably be the last day-camp and Marlen Yoder, Roseburg Y.M.C.A. general secretary, said that a bike trek has been planned. He urges all boys to bring their bikes, or borrowed bikes, and their lunches and be at the small park on the corner of Jackson and Lane at 9:30 a.m.

## R. H. S. Gridders Begin Workouts

Roseburg High school's football aspirants will start working off an accumulation of summer fat on the Finlay field gridiron starting this afternoon, in preparation for the coming football season, scheduled to start here, Sept. 16.

Approximately 35 boys drew uniforms yesterday and more are expected to be added to the roster today. A lot of prospective candidates are reportedly holding down summer jobs and it may be a few days before the list of candidates reaches a peak.

Coach Cece Sherwood related that the first few days will be spent in lectures and loosening up exercises after which more strenuous activity will be listed on the practice agenda.

Helping Sherwood put the candidates through the paces are Ray Brown, Norm West, Frank Purdy and Hod Turner. Sherwood said a tentative team roster will be released in the near future.

## N. Y. City Opens Heart To Vagrant

NEW YORK, Aug. 24.—(AP)—An ex-GI, 25-year-old Jack Willis Davies, says he fell in love with New York City when he stopped here on the way overseas in 1943. He came back to the city of his dreams from the state of Washington—only to be arrested as a vagrant for sleeping in an apartment house hallway in Queens.

But the city showed him yesterday it also has a heart.

The charge was dismissed, the magistrate, pressing \$2 into his hand, the arresting policeman also gave him money and court room spectators took up a collection.

Davies, richer by \$16, said he would look for a job right away—with marriage to a job right away—his ultimate goal.

Telling a hard luck story in court, he said he returned from the war to his family's farm at Kirkland, Wash., determining to come here to live. He saved \$185 and began hitchhiking last June. In Minneapolis, he said, a thief stole all the money he had, and he worked at odd jobs to continue the trip to New York. He was down to two cents yesterday, and

said he had had only one frankfurter to eat for two days.

## GIANT-KILLERS

IPSWICH, Mass., Aug. 24.—(AP) A 700-pound tuna almost too big for their 15-foot outboard motorboat, was landed yesterday by two boys using a borrowed line and 15 cents worth of mackerel bait.

The fish, hooked by Peter Tyler, 15, and Ellis Hodgkins, 14, both of Ipswich, was the largest taken this season at Ipswich. An adult fisherman helped them get the whopper ashore.
