Few Schools In **Douglas County In Need Of Teachers**

The teaching situation is well taken care of in most Douglas county schools, ready for the opening early in September.

While the majority of schools will open Sept. 6, the same day as Roseburg's, some will open a week later, according to County Superintendent Kenneth Barneburg.

A fourth grade position at Green is expected to be filled shortly. There is an opening for a teacher for the third and fourth grades at Winchester, another for a fifth, sixth, seventh and eighth grade teacher at Elgarose, and one-room schools at Leona and Galesville. Teachers interested may contact the superintendent's office of the third and fourth grade teacher at Elgarose, and one-room schools at Leona and Galesville. Altercation With Maragon Told By **Demoted Officer**

MARCH AIR BASE, Calif., Aug. 24—(P)—Col. William i... Lee, new commanding officer of this base, said Tuesday he was reduced in rank and sent home from Italy shortly after he had an altercation with John Maragon, prominent figure in the five percenter inquiry in Washington.

Ington.

The colonel said he had an argument in Rome in February, 1946, and that he pushed Maragon in the face. Lee said he didn't know who the man was at the time but later learned it was a special presidential representative to observe the Greek elections.

At that time Lee was a briga-dier general and headed the 15th air force in Italy. Shortly after-ward he was reduced to colonel and sent home.

"I wasn't sure I was reduced because of this incident," said Lee in an interview. "It happened about that time. It could have been coincidental. A number of general officers were being reduced about this time because the war was over."

Col. Lee said the incident with Maragon occurred in front of the Hassler hotel.
