

Forest Protective Crews Kept Busy On Fires Friday

Three fires, all reported within two hours and a half, sent Douglas Forest Protective association crews rushing in as many directions Friday afternoon, reported Dispatcher U. F. McLaughlin.

First to be reported were three alleged incendiary blazes set on the Rychar farm near Drain at about 3 p. m. McLaughlin said two of the fires burned together, covering an area of about 20 acres. The third set blaze burned over 30 acres. All fires were confined to an old slash area and no damage was reported.

Less than an hour later, a large fire crew was dispatched to the old Baird mill near Tye, where fire spread from an old burn and up the adjoining hill, covering a 150 acre area. McLaughlin said the fire is now under control but that the crews had been forced to stay out all night to mop up.

The final blaze, reported at 5:15 p. m., drew a small crew and pumper truck to Griggs mill, two miles south of Dillard. Fire, which apparently started in the sawdust pile, was quickly checked and no damage was reported, McLaughlin said.

were reported stalled this side of St. Lucie bridge.

Two bridges were impassable around Lake Okeechobee. But the lake itself—big killer of the 1928 hurricane—behaved like a lamb as the hurricane swept past. U. S. army engineer said water was well below the danger level. That took the pressure off at the start.

Eight Casualties

Stuart reported six casualties and Fort Pierce two. The only death to date was a swimmer drowned off Miami yesterday.

Red Cross and national guard units teamed up to evacuate 60 storm refugees in West Palm Beach when winds whipped off the roof of a hurricane shelter.

Estimated 100 miles per hour winds broke a skylight and blew off a section of the roof of the Conniston school four miles from downtown West Palm Beach.

Rescue units boarded an emergency bus and drove through the storm to the school. The refugees formed a hand-to-hand chain to reach the bus. They were taken to the county court house for shelter.

Another 200 refugees at the Military Trail shelter were moved to different parts of the building when water and wind damaged the structure.

At 10 a. m. (EST) the U. S. Weather Bureau pinpointed the hurricane about 50 miles north northwest of Tampa, moving in a northwesterly direction about 16 miles per hour.

The palm beaches were hard hit, but so was Belle Glade, on the eastern shore at Lake Okeechobee where damage was estimated at more than \$1,000,000 by town officials.

Up and down the "gold coast" from Hollywood to Vero Beach—a stretch of 120 miles—the storm left houses unroofed, trees uprooted, shrubbery torn to ribbons.

Fighting Charge Draws \$30 Fine In JP Court

Oscar T. Anderson Jr., 23, of Batey, Ore., was fined \$30 on a disorderly conduct charge in justice court Friday, Justice of Peace A. J. Geddes reported. Anderson was arrested by sheriff's deputies on a charge of fighting outside the grandstand at the fairgrounds Thursday night.

James Lorenzo Cooper, 18, of Blythe, Calif., has been released from the county jail after serving his sentence on an assault charge, reported Sheriff O. T. "Bud" Carter. The sheriff also reported the release of Paul Neucomer, Roseburg, after serving out his fine assessed on a drunk charge.

Drunks And Vagrants Committed To City Jail

Judge Ira B. Riddle listed the disposition of the following cases when they entered guilty pleas in Municipal court Saturday.

Leo Haman, 46, Roseburg, committed to the city jail for ten days in lieu of a payment of \$20 fine on a charge of being drunk in a public place.

John Ellis Parchman, 63, transient, committed for 15 days for being drunk in a public place.

Lowell Franklin Wylie, 34, transient, committed for ten days on a vagrancy charge.

Initiation Is Scheduled At Meeting Of Moose

One hundred and fifty candidates will be initiated into the Loyal Order of Moose in a ceremony at 1:30 p. m. Sunday at the junior high school. The occasion marks the grand opening of the new Moose hall on S. Stephens street.

Ernie Koop, prelate, said delegations are expected here from Coos Bay, Medford, Eugene, Cottage Grove and Klamath Falls. A number of high officers in the state organization of the Loyal Order of Moose are also expected here over the weekend.

ground it might tend to incriminate him.

Hoey said that in addition to the Maragon evidence, testimony regarding any government officials whose names have cropped up at the inquiry will be turned over to the department's concerned.

A newsman asked whether that meant the testimony dealing with Vaughan would be laid before Mr. Truman. Hoey said the committee won't take the initiative in that case.

"We won't send it unless the President should ask for it," he replied. "That's a different matter. It is the President's prerogative to ask for it if he wants it."

weeks by the lack of adequate street lighting, the chief said. Baird declared the department would continue to be handicapped until the city's new street lighting program goes into effect, sometime next month. At present, many of the city's lights have been turned off, forcing the department to rely upon the few windows and display lights left burning by local merchants.

FIRE CONTROLLED

EUGENE, Aug. 27.—(AP)—A three-acre fire in slashings caused alarm for the Detroit dam site yesterday, but was brought under control within two hours. The blaze began in a clearing area at Hall's camp, a mile above the dam. It ate quickly up the mountainside, but was halted before it could spread dangerously.

Nationalists Recapture Three Key Positions

CANTON, Aug. 27.—(AP)—The Nationalists have counterattacked and recaptured three key towns just outside the Kwangtung province border in an arc 140 miles northeast of Canton, private reports said tonight.

The Communist radio claimed meanwhile that the Red army had captured Lanchow, capital of Kiangsu province in China's far northwest. It said the city fell yesterday.

The three towns reported recaptured by the Nationalists in southwestern Kiangsi province are Kiennan, Lungnan and Tingnan. They had been designated by one-eyed Red Gen. Liu Po-Chang as springboards for a drive on Kung-kong, 125 miles north of Canton, on the Canton-Hankow railway. Its capture by the Reds would cut off the Nationalist central China defense bastion of Hengyang, 265 miles north of Canton in Hunan province.

Red forces further north of Hengyang have returned to the offensive after being shoved back by the Nationalists and have made new gains, the defense ministry admitted.

Many Attractions Please Visitors At County Fair

specialist of Oregon State college, and Mrs. May P. Mathews, lunchroom coordinator of the Roseburg school system. Friday they continued judging of cooking and sewing exhibits and directed the cookery contests.

Mrs. Mathews said she thought it interesting that boys enter cooking exhibits as well as girls. "As a whole," she said, "the exhibits are of very fine quality with each exhibitor trying to beat the other. They come at this thing with competition in mind."

Sewing Exhibits Attract

Miss Minden said there are some "very nice" exhibits entered in sewing. She was impressed with an exhibit of knitting with 32 entries, all representing fourth grade girls at one school.

Also outstanding is a beginners' home making project, she said. In this project, girls take complete charge of their own rooms for a month in order to plan minor improvements. The girls make small pillows, paint pictures for their walls, and sew chair seat covers.

Cooking contests Friday included bread baking, dollar dinner, and cake baking. Judging of the results was put off until today. While bread was still baking in the oven, girls began to prepare their "dollar dinners." In the evening, girls were still mixing cake batter when the pavilion closed at 10 o'clock.

One of the judges remained to turn off the oven when the cakes were done, and to set them out for judging in the morning. (See story on Page 9, pictures on Page 7 and 8.)

Appeals Court Assails Armys Treatment Of Japs

SAN FRANCISCO, Aug. 27.—(AP)—Assailing the army's wartime western defense command for a "nazilike doctrine," the Ninth U. S. Circuit Court of Appeals has affirmed restoration of citizenship to three Japanese-Americans.

The opinion yesterday sharply condemned the wartime exclusion from the West Coast of persons of Japanese blood. It said Lt. Gen. John L. De Witt, wartime chief of the Western Defense command, held to a "nazilike doctrine of inherited racial enmity."

The three who regained their citizenship were Mrs. Miye Mae Murakami, now of Torrance; Mrs. Tsutake Sumi, West Los Angeles; and Mrs. Mutsu Shimizu, now of Roscoe.

Baby Born To Woman Who Canceled Globe Trip

VENTURA, Calif., Aug. 27.—(AP)—Several months ago Dianne Cyrus Bixby had to give up her plan to fly solo around the world. The reason is now apparent.

Petite Mrs. Bixby, 26, gave birth to a five-pound, 1 ounce girl at Ventura county hospital yesterday. It was the first child for her and husband Bob Bixby, 32, cargo line pilot.

Her manager, Ed Ettinger, says Mrs. Bixby still has a hankering to try the flight—maybe in about three months or so.

Indecency Charge Made Against Arrested Man

Robert Kelse Johnston, Franklin, Pa., was arrested in Roseburg yesterday on a warrant issued by Eugene police authorities on a charge of outraging the public decency, State Police Sgt. Lyle Harrell reported today.

Harrell said the arrest was made for local state police by a member of the city police department.

Skeletons From Plane Wreckage Identified

LONGVIEW, Wash., Aug. 26.—(AP)—Two skeletons taken from a long-crashed airplane near here yesterday have been identified as those of a Detroit manufacturer and a west coast assistant, Coroner Gordon M. Quinstrom said today.

The coroner said that word from a Glendale, Calif., associate of the two men disclosed the plane owner definitely was Francis L. McKenna of Detroit and Los Angeles. He was the owner of the Knu-Vise company, manufacturer of toggle clamps. A British subject, he is survived by his mother in England.

The other man in the plane was Elmer West Jeffries of Bakersfield, Calif., who was traveling north with McKenna to attend a football game in Seattle late in 1941 when their plane disappeared.

Workman Killed

SALEM, Aug. 27.—(AP)—A bulldozer caught on a tree root, overturned and rolled down a 75-foot bank into a power shovel yesterday at the Detroit dam site, killing Carlton Adolph Givhold, 40, Salem. He had been operating the bulldozer.

40 ET 8 OFFICER

PHILADELPHIA, Aug. 27.—(AP)—Mrs. Herman Edwards, Portland, Ore., will become the vice president of the 8 and 40 for 12 western states, Alaska and Hawaii here today. Mrs. Edwards, wife of a Portland newspaperman, was unopposed in nominations last night. The election is scheduled today.

Faint Kills Baby

WATERLOO, Ind., Aug. 27.—(AP)—A month-old baby, Thomas Edward Thomson, is dead because his mother fainted. Mrs. Roger Thomson fainted while holding the baby yesterday and fell on the child, suffocating him, said Coroner C. B. Hathaway.

Creek Being Dammed In Hunt For Missing Boy

MC GREGOR, Minn., Aug. 26.—(AP)—A bulldozer roared into action today, damming a creek in the search for three-year-old Larry Coleman.

Minnesota National Guard officers said the barrier was being thrown up "as a last resort" in the hunt for the boy, missing since he started to pick up pine cones on his grandparents' farm, 30 miles north of here last Saturday.

Lt. Col. William Johnson, commander of the remaining 100 troopers, said the dam would clear of water an area of one and one-half square miles.

"If we don't find any trace of Larry in this operation, it seems futile to continue the search," said Johnson.

The quest has been carried out over a wide area around the farm of Clay Coleman, whom Larry was visiting with his parents when he disappeared.

Air Force Expansion Seen In Budget Approval

WASHINGTON, Aug. 27.—(AP) Authority for a big expansion of the air force won senate approval by unanimous consent today after brief discussion.

It passed the 70-group air force bill previously approved by the house after striking out a section that spelled out the 70 combat groups and other units.

Retained in the bill, however, was the house-approved authority for \$24,000 serviceable aircraft or 224,000 airframe tons aggregate.

This would authorize the air force to buy—if congress provides funds later—all the airplanes regarded as necessary for an expansion to 70 groups.

Loretta Young Loses Her Expected Baby

LOS ANGELES, Aug. 26.—(AP)—Loretta Young has lost the baby she and her husband, radio advertising executive Thomas A. Lewis, were expecting in February.

The actress underwent minor surgery yesterday after the miscarriage. Doctors at Queen of Angels hospital said she will be confined for several days.

The Lewises have three children.

Miss Young has been in the hospital since fainting on a movie set two weeks ago. Clark Gable, her co-star in the picture, carried her to her dressing room.

New Judge Named

OLYMPIA, Aug. 27.—(AP)—Governor Langlie Friday named Frederick G. Hamley, Seattle, to the State Supreme court succeeding retiring Justice Clyde G. Jeffers. He will take office Sept. 6.

Hamley, 45, is a former director of the old State Public Service department. He is now general solicitor of the National Association of Railroad and Utilities Commissioners, Washington, D. C.

Graveside Services Set For Infant Of Stiners

Graveside services for the infant son of Mr. and Mrs. Roger D. Stiner, Winston, were held this afternoon at 2 p. m. in the Catholic cemetery with Father Edmond Hyland officiating.

He was born Aug. 3, 1949, in Mercy hospital, surviving, besides his parents, are the grandparents, Mr. and Mrs. A. C. Bissonette, Winston, and Mr. and Mrs. C. M. Stiner, Roseburg; and the great grandparents, Mr. and Mrs. A. Parr, Mauston, Wis., and Mr. and Mrs. G. Bissonette, Winston.

Arrangements were in charge of the Roseburg Funeral home.

Four Buildings Razed By Fire At Winston

Fire, breaking out about 12:30 today, destroyed two apartments, and two adjoining buildings formerly used as chicken houses at the A. F. Suksdorf place at Winston.

The run-1 fire department truck arrived from Roseburg in time to keep the flames from spreading to the home, and the fire was believed under control at latest report. Bill Tabor was a tenant in one of the apartments, but the name of the other tenant was not learned. The loss was believed to be considerable, but furnishings were saved, it was reported.

No Spinach

WASHINGTON, Aug. 27.—(AP)—The armed forces are in the market for 16,923,000 pounds of canned pineapple.

Also 14,798,000 pounds of tomato catsup, 120,000 pounds of tuna fish, and varying amounts of other canned goods.

But, no spinach.

The quartermaster corps said the three armed forces have all of that they need.

Langlie Scores CVA, Union Head Advocates It

SPOKANE, Aug. 29.—(AP)—Gov. Arthur B. Langlie branded a proposed Columbia Valley administration as "Fascism" and the Washington State Federation of Labor announced a drive to create a CVA.

Langlie and President Ed Weston of the state AFL both spoke at a public power conference.

Weston said his group will start a fund raising campaign immediately for the CVA cause. The executive board authorized him to write a check for \$1500 to start the campaign, he said.

He said his group will work with any group "sincerely interested" in developing "our priceless resources."

Polio Epidemic Threatens To Be Nation's Worst

NEW YORK, Aug. 27.—(AP)—The polio epidemic may not have reached even the halfway point yet, and 1949 is certain to be the worst polio year in U. S. history, says the national foundation for infantile paralysis.

The score on the basis of the foundation's latest reports: 17,306 cases so far in 1949. 3,422 new cases reported in the nation last week—the highest number ever recorded for one week.

The total of reported cases through last week compared with 9,743 for the same period of 1948, the second worst polio year up to that time.

In 1916, which had ranked as the worst epidemic year, there was a total of about 30,000 reported cases.

The figures and prediction were issued by Dr. Hart E. Van Riper, the foundation's medical director, who said:

"Study of previous patterns of polio incidence shows that the peak may come anywhere between mid-August and mid-September. But the mid-point of the epidemic never has occurred before the second week in September."

"If the peak is reached early, the reduction in cases is slower than if it comes later. When the peak is reached late, the number of new cases reported drops rapidly."

No Temporary Drops

Dr. Van Riper said this year's record of cases show a sharp rise week by week since early spring, without even temporary drops.

This year has been marked by an increased polio total to date, as compared with 1948, in 38 states.

Calling the national epidemic "both intensive and extensive," Dr. Van Riper said the National foundation "has answered more calls for assistance in more states even than during last year."

He said "Medical care facilities, on the whole, are far better today" than at any time in history.

Statisticians of the Metropolitan Life insurance company announced that a new study shows the children's polio death rate is dropping slowly.

The report, based on deaths among insured children under 15 years old each year since 1911, said the biggest drop in deaths has been among children under 10, and especially among girls.

The statisticians said 1949's year's death rate of 2.4 per 100,000 children was only one-fifteenth that of 1916.

Max Schwartz, 84, Dies Early Today

Ma. Schwartz, 84, former tailor of Roseburg, died early this morning after a short illness.

He was born Aug. 25, 1865, in Jinsk, Russia. He came to Roseburg in 1936, after having lived in other parts of the United States for many years.

He was the owner and operator of a tailoring shop at Sutherland, where he moved from his location on W. Cass street in June of this year. He was a member of the Christian Science church.

Surviving are two sons, Emil Z. Schwartz and Charles F. Schwartz, both of Los Angeles; two daughters, Miss Margaret Schwartz, Los Angeles, and Miss della Love, Corpus Christi, Tex., and four grandchildren.

Funeral services will be held in The Chapel of The Roses, Roseburg Funeral home, Monday, Aug. 29, at 2 p. m. Interment will follow in the Masonic cemetery.

Prospects Are Brighter To Settle Hawaii Strike

HONOLULU, Aug. 27.—(AP)—Prospects perked up today for a resumption of peace talks in Hawaii's paralyzing dock strike, now in its 119th day.

Federal Mediator George Hillenbrand announced he would ask the striking CIO International Longshoremen's and Warehousemen's union to resume negotiations with the seven struck stevedoring firms.

Harry Bridges, union president, arrived back in Hawaii by plane last night from San Francisco. That apparently is the signal for a resumption of activity around the peace table.

The 2,000 longshoremen in the islands first demanded a 32-cent increase, but later indicated they would settle for 25 cents or less. They now draw \$1.40 an hour. Employers have made no recent offer.

Man Held In Seattle Questioned For Slaying

SEATTLE, Aug. 27.—(AP)—Richard Tamborski, 28, waited in the King county jail today for Chicago authorities who will return him there. Wanted for questioning in a June 25 Chicago holdup-slaying, he surrendered to the FBI a week ago in Anchorage, Alaska.

Tamborski was brought here from Anchorage yesterday. He has denied any connection with the South Chicago Savings bank robbery in which two armored express guards, Joseph Den and Bruno Koziel, were machine-gunned to death.

Ambitious Fisherman Rescued From Sea Trip

SEASIDE, Aug. 27.—(AP)—An ambitious fisherman—he put to sea in a canoe—was rescued yesterday a half-mile out in the ocean.

Howard Trunnell, 44, Portland, told his rescuers he had been going out like that for a week without trouble. He got too close to shore yesterday, and waves capsized his craft, which had an outboard motor.

Crew members of an amphibious craft pulled him to safety. His fishing gear and canoe, too. He lost only his shoes.
