Hamburger Angostura To one pound chopped beef add 6 dashes of bitters. Broil or fry quickly on hot fire. The secret of hamburger Angostura is to keep them from being too well cooked. The juices of the meat should mingle with the bitters, but not absorb them. If the meat is cooked for a short time the titters will impart a distinctive flavor. Too many cooks spoil the hamburger by over-cooking. HONOLULU VISITORS HONORED BY WHARTONS WEDNESDAY EVENING
