

## German Policemen Flee To Avoid Service With Guerrillas In Greece

Berlin, Aug. 31.—(AP)—Five Soviet zone German policemen entered the U. S. zone Monday and reported they had fled to escape service with Communist guerrillas in Greece, a military government announcement said.

Alexander Warshall, U. S. military government officer at Hof, Bavaria, said the five men entered the U. S. zone at dawn, wearing their blue and silver uniforms and carrying rifles and revolvers.

Warshall quoted them as saying they had fled the Soviet zone because of a recent Russian order that all members of the Volkspolizei (people's police) who were single and under 25 years of age would be recruited for military service in Greece.

"After short training periods," Warshall quoted the refugee policemen as saying, "recruits are sent to regular units destined for service in Greece."

West German newspapers recently published reports that Soviet zone policemen also were being sent to garrison the Yugo-

slav border, in view of the growing tension between Premier Marshal Tito and Prime Minister Stalin.

The Bavarian military government office said the decision on whether to send refugees from the eastern zone is made by German authorities on the basis of whether the emigration was for reasons of political persecution.

The five who arrived today were taken into custody by the U. S.-organized Bavarian border police at Hof, to await a decision on whether they will be returned.

## Vets Asked To Be Patient About Receiving Checks

PORTLAND, Aug. 31.—(AP)—Ex-GIs here have called for more than 5,000 applications for dividends to be paid service life insurance policy holders.

The Veterans administration reported 4,000 cards were passed out yesterday to veterans at the VA's downtown office. The State

Department of Veterans Affairs also was busy. At closing time yesterday, the office estimated 900 dividend applications had been called for.

Officials of the VA asked the veterans to be patient about receiving their checks. They pointed out that the earliest the funds could be expected would be in January. Some will not be mailed until late spring.

## KDND DIAL-LOG

Laura Leslie and Don Cornell, America's Sweethearts, blend their voices in a provocative old-time favorite, "Give Me a Little Kiss"—on the "Sammy Kaye Showroom" at 7:15 tonight on KRNR. Also making up the program are Tony Alamo in "I Love You," Don Cornell singing "Bali H'ai," the Kayedets doing "Every Night Is Saturday Night," and the Kaye Choir in the "Merry-Go-Round Waltz."

Men have always wanted their children to have a better education than they themselves had. In the last century this applied to the case of an old mountaineer, and for awhile "The Cisco Kid" considered himself unfortunate, indeed to become involved in the education of the erudite, half-savage daughter. Cisco does turn educator, as told in the dramatization of "Cisco and the Lady," tonight at 7:30.

"What's the Name of that Song?" is one of the most popular shows on the air. Working with twin grand pianos played by Lou Maury and Vic Pimente, Emcee Bill Gwinn offers three well known tunes individually to six contestants. Each contestant sings the first three lines of the song he recognizes and receives a prize. (Tonight—8:30 p. m.)

When the managing editor of a newspaper carrying on a campaign against a criminal lawyer is found murdered with his own copy shears, the lawyer's threat of libel comes to light. Gregory Hood steps into the picture to put the pieces together. Thus libel and murder form the backdrop for the "Casebook of Gregory Hood" tonight at ten. (Mystery-lovers will please note that a different mystery-drama is presented on KRNR each night—Monday through Friday—at 10 p. m.)

## Last Rally Of G. A. R. Too Much For One Veteran

INDIANAPOLIS, Aug. 31.—(AP)—The last encampment of the Grand Army of the Republic got the best of one civil war veteran Monday night, but not for long.

Charles L. Chappel, 102-year-old senior vice commander from Long Beach, Calif., collapsed on the way to a reception in the office of Gov. Henry F. Schriener.

He was revived shortly after he was taken to a hospital room in the convention hotel. But he was taken to the Veterans administration hospital here.

Dr. J. W. Thom, VA physician at the hotel, blamed his collapse on "exhaustion." At the hospital, heart checks were made on the veteran while he clamored to go back to his hotel room. When doctors reported his heart all right, he was returned to the hotel an hour later.

James A. Hard, 108, Rochester, N. Y., also was too tired to attend the reception after a banquet given by the Women's Relief Corps.

But not Commander Theodore A. Penland, 100-year-old commander-in-chief from Vancouver, Wash.

"I belong to 36 different or-

ders," he told the auxiliary women, "and all of them are good to me."

As an afterthought, he added, "I compose songs and sing them—yes, I really do."

Today's program for the veterans is a comparatively light session of receiving greetings, followed by an "unofficial meeting" tonight.
