

"MORE FUN . . ."—Sadie Taylor literally has her hands full as baby-sitter to three pet gorillas. Lady Congo, Congo, and Oka were hers to feed, bathe, and even chest-rub for a whole month. Miss Taylor then accompanied the trio from New York to the San Diego, Calif., zoo. Her comment—"More fun than a barrel of monkeys."

Public To Be Admitted To Deportation Hearings

PORTLAND, Sept. 1—(AP)—The public will be admitted to deportation hearings here involving four aliens. It will be the first time in the memory of the local U. S. Immigration officials that a hearing has been public. Roy J. Norene, head of the Federal Service office here, said the press had been admitted to similar hearings in 1931. But he said "as far as I know, there has never been a public hearing of such nature in Oregon."

They are now free on \$1,000 bail. The hearings are to be held late in September.

Norene said the hearings were declared open after the Oregonian protested plans for secret

hearings. He said the newspaper declared the closure was not in the public interest. The four aliens are charged with having been or being members of organizations advocating the overthrow of the United States government. All have been residents of Oregon for 20 or more years. Mexican Indians wind big fire-fles around their ankles for light on night journeys through forests.

WASHINGTON, Sept. 1—(AP)—The CIO challenges in court Tuesday the "home rule" decontrol provisions of the federal rent law. The action was brought in the Federal District court here by the union's national housing committee. Walter Reuther, head of the committee and the CIO Auto Workers union, said it was the first of several similar suits the union plans to file to "protect the rent status of our members throughout the country."
