Widow Contests The Will Of Late A. E. Davidson

A petition contesting the will of Alfred E. Davidson, who died in Roseburg Feb. 18, 1949, has been filed in probate court by his widow, Anna Pearl Davidson. Davidson's will, which has been admitted to probate, made allowance for his widow of \$100 a month, and granted large sums to various churches and Sunday schools. The will named J. M. Davidson, W. A. Davidson and Dale Bullock as executors.

Mrs. Davis declares the will was admitted to probate without notice to her, the sole and only heir at law. She asserts that the paper admitted to probate as the last will and testament is not the will of the decedent, because he was not "qualified" or "competent" to make or execute a will, and that the document, executed Oct. 2, 1947, is invalid.

As separate grounds for her petition she claims that her husband was not competent to execute portions of the will and 19th paragraphs.

The 15th paragraph, prefaced by the statement, "In firm belief and conviction that the youth of the city and Douglas county are not obtaining the desired results and advantages of Bible education and to the end that better Christian education may be provided," specifies that within one year after his death, out of the funds at hand, \$2 per scholar per year up to 15 years shall be given for reasonable attendance, so long as funds shall permit, to the First Presbyterian, First Methodist and First Baptist churches of Roseburg.

He qualifies, stating that if the average yearly attendance in the Sunday school is 300 under 15 years, it would be entitled to \$500 annually to be used to further the education work of the youth training program.

The 19th paragraph provides that at the end of 10 years following his death, any and all remaining property or assets would be converted to cash, government funds in an orderly and conservative manner and the proceeds divided in proportion to the then enrollment in the Sunday schools of Douglas county to further advance the training and Bible education of the youth "in whose future I am greatly concerned."

The petition asks that citations be issued to each of the named entities as legatees or devisees to appear and show cause why the will should not be declared null and void; that the court appoint an administrator de bonis non, and that the executors as named settle the accounts and turn over all properties.

Milkshakes Are Healthful Coolers

By GAYNOR MADDOX
NEA Staff Writer

The more milk and other dairy foods your family uses, the better will be their health and stamina. Milk shakes, cool right now during the August hot weather, are one way to bring up your family's dairy food consumption.

Use fluid milk, evaporated milk or dry milk solids (reconstituted). They all furnish nutritional constituents needed in the average diet.

For mixing a good milk shake, use either a glass fruit jar with a close-fitting cover, a milk bottle (with a cap), a shaker or an electric mixer—you have a wide choice of equipment! Be sure the milk is well chilled. If ice is used, crack it rather fine, and strain the milk shake as soon as mixed so it will not be too diluted by melting ice.

Hawaiian Milk Shake (3 to 4 servings)

One cup chilled pineapple juice, 2 tablespoons orange juice, 1 teaspoon lemon juice, 3 tablespoons sugar, 1 1/2 cups chilled milk.

Mix fruit juices and sugar and stir until sugar is dissolved. Add ice and then milk. Shake vigorously or beat until well blended and frothy. Strain into tall glasses and garnish with a spoonful of whipped cream or with a small scoop of vanilla ice cream (both optional).

Mocha Frost (4 servings)

Three tablespoons cocoa, 3 tablespoons sugar, 2 1/2 cups hot water, 1 tablespoon instant powdered coffee, 3 cups chilled milk, 1 pint vanilla ice cream.

Mix sugar and cocoa, add hot water and boil for 3 minutes. Stir in the powdered coffee and chill thoroughly. Add milk and ice cream and shake or beat until well blended and frothy. Pour into tall glasses and garnish with a cherry.

W.P.W.C. NO-HOSTESS LUNCHEON TO BE HELD

The Business and Professional

Paul Robeson Draws Comment From Mrs. F. D. R.

NEW YORK, Sept. 1 — (AP)—Mrs. Franklin D. Roosevelt said yesterday "I disagree violently with Paul Robeson" but added she "could attend one of his concerts if he did not use 'his art for political propaganda.'"

The former first lady said the rioting which prevented Robeson from appearing last Saturday night at a Peekskill, N. Y., meeting was "horrible."

Robeson, famed Negro singer and supporter of left wing causes, vowed Monday he would return to Peekskill. He told a rally of his supporters "from now on out we have taken the offensive."

Mrs. Roosevelt was asked about the Robeson affair aboard the liner Stavangerfjord.

She had boarded the ship at the request of Mordecai Johnson, president of Howard university, a Negro institution, to represent the college at the departure of 31 students and three faculty members.

The group, comprising the "Howard University Players," is going to present a series of plays in Norway.

Referring to the Peekskill affair, Mrs. Roosevelt said "I think people should walk out of such a meeting—and I would walk out—but I don't think there should be a riot."

Dried Skim Milk From U. S. To Aid Jap Children

PORTLAND, Sept. 1—(AP)—More than 350 tons of dried skim milk will leave here Saturday to bolster the health of Japanese children.

The Sea-Port Shipping company reported that it was handling the shipment for the United Nations International Children's Emergency Fund. The milk will go aboard the S. S. China Bear Saturday morning and the vessel will sail later that day for Japan.

At Lake Success, the UN's agency said it was the first shipment of supplies in a \$500,000 program to aid needy Japanese school children. More than 250,000 children are expected to benefit from the milk in school lunch programs.

In addition to milk, the program will supply cotton to be spun and processed by Japanese mills into 350,000 children's garments, the children's fund reported.

Women's club will hold a no-hostess luncheon at twelve o'clock next Tuesday at the Umpqua hotel. Miss V. Vivian Logsdon, president, has requested all members to attend.
