Scrimmages Mark Rivalry For Positions On Roseburg High School Football Team

More scrimmage was on last night's training bill for prospective football candidates at Roseburg high school. After a discussion of training rules, followed by limbering up exercises, Coach Cece Sherwood put the boys to work in scrimmage for a solid hour and 15 minutes.

Fundamental plays including the quick opening from the T were stressed, and Sherwood brought together different combinations of ballplayers in order to find the best offensive and defensive group.

Several prospects in each of the backfield positions are currently battling for position on the first team, but Sherwood is not naming any names until the "proving period" time runs out. Battling for first string quarterback, a position left vacant with the graduation of Bobby Sanders, are Bob Barrows, Ronnie Strickling and Mickey Coen. Speed and an accurate passing arm are requisites here, plus an ability to call the proper play at the proper time. Strickling holds a tentative edge on speed, but Coen and Barrows are moving up fast in the other qualifications.

Lloyd Stumbo, Dale Bonebrake and Vic Sanders will tussle for left halfback position, while Jerry Sconce, Bill Palmer and Bill Van Horn vie for the right half post.

The fullback slot is another toss up, with Don McKinney, a sophomore; Bob Scott and Frank Weber, both lettermen, struggling for the post.

With three teams of backs out, this department promises to be a fairly deep one, provided all hands can cut the mustard in the pinch. Which combination will rate membership on the first team, will be determined in the next two weeks.

Bob Barrows and Bob Scott worked on punting, while Frank Weber practiced lifting the ball off the tee with the end of his toe.

Working with the backs are centers Diz Burnett, Durwood Boyles and Dean McFarland. All three are having trouble getting the ball back accurately—all having started from scratch at the position.

Aerial bombardments by the quarterback gave the line plenty of opportunity to move about. Almost 40 candidates were on tap last night with more expected when school starts next week.

On the other end of the field, Junior high school talent scrimmaged under the watchful eyes of Hod Turner, Frank Purdy and Ed Wyatt. Wind sprints terminated the drill session for both groups.

Martin Luther Bowser, Drain Resident, Dies

Martin Luther Bowser, 70, well known resident of near Drain, died very suddenly at his home Wednesday, Aug. 31. A resident of that vicinity for the last 16 years, he was born in Wheeling, West Va., on July 14, 1879, and was married to Miss Ella May Hall in Kansas City, Mo., May 20, 1907. He was a member of Sunset lodge 144, A.F. & A.M.

Besides the widow he is survived by two sons, William R. Bowser and Martin M. Bowser both of Eugene; a half sister, Inez Moore, and a half brother, Sam Coulter.

Services will be held in the Christian church at Drain Saturday at 2 p.m., Rev. Frank Brown officiating. Closing services will be held by the Sunset lodge at the Westlawn Memorial cemetery, Eugene, where vault interment will follow. Arrangements are in care of the Stearns Mortuary, Oakland.

JUDGMENT ISSUED
Circuit Judge Carl E. Wimberly has issued a default judgment order in favor of the plaintiff, State Industrial Accident Commission, against Cecil Milan for \$148.49, plus interest and costs. The judge has issued an order dismissing the suit of James W. Priest vs. Julian V. Nelson.

Don't be caught cold without heating oil

Get ready for the first cold spell — have your heating oil tank filled Now!

The first cold snap always comes as a surprise—especially to folks with empty fuel tanks. That's why we recommend a heating oil refill right now. You can't go wrong...whether you need heat for your home next week or next month, you're always ready—with a fuel tank that's filled and at your service. We'll see to it today—all you have to do is call us.

You'll prevent contamination, too, because water condenses on the walls of an empty tank—but it can't in a tank that's filled. Save yourself trouble and discomfort by ordering Standard Heating Oil right away. Standard Furnace Oil for furnaces and Standard Stove Oil for circulating heaters give you more for your money in fast, clean heat.

Call on us for quick, efficient service...today!
