**Former Roseburg Woman On Alaska Flower Search**

Collecting material for a book on Alaska wild flowers, a former Roseburg woman has joined an expedition with three other women to the Alaskan interior.

She is Mrs. V. F. Williams, the former Maxine Morgan of Roseburg, whose companions on the expedition are all members of the Juneau, Alaska, Botanical club.

A clipping telling of their plans was received here Saturday by Mrs. Williams' brother, Joe M. Morgan.

The four women traveled by steamship from Juneau to Haines, where they planned to drive by automobile over the Haines cut-off to the Alaska highway, and then into the Alaskan interior.

Mrs. Williams, preparing a book on Alaskan wild flowers for publication, will gather material for her manuscript, including camera shots of flowers for illustrating purposes.

Mrs. Williams was born in Roseburg and is a graduate of Roseburg High School. Her husband is a native of Lookingglass, where his mother, Mrs. Edna Williams, still resides.

The Williamses own a fishing boat at Juneau. He also operates a barber shop in the Alaskan capital.

Surviving are a daughter, Mrs. P. M. Hart, Winchester; a sister, Mrs. Donald Steiner, Portland; and a brother, Frank E. Parmeter, Tooele, Utah. The body was sent to Portland for services and interment in Rose City cemetery beside her father, Dixon Parmeter. Arrangements were in care of the Stearns mortuary, Oakland.

**Oregon Gasoline Tax Falls Short Of Mark**

Oregon's one cent per gallon tax increase fell short of producing the expected revenue gain in its first month of operation, Secretary of State Earl T. Newberry reported today.

Although July gas sales exceeded those of a year ago, they were well under the June total, resulting in a tax increase of only \$288,782, despite the added penny. It was the first time in nine years that July gallonage was below that of June, Newberry said.

Total sales of 45,611,451 gallons were reported for the month, with taxes aggregating \$2,656,743.46. Refunds to non-highway users approximated 14 per cent in the first half of 1949.

**EXAMINER DATES SET**  
A driver's license examiner will be on duty in the Roseburg city hall Thursday and Friday, Sept. 8-9, between 9 a. m. and 5 p. m., according to the secretary of state's office.

**STOPS LAXATIVES—FEELS BETTER!**

"Have been eating KELLOGG'S ALL-BRAN 3 years and it's wonderful! Now I don't ever need a laxative, feel so much better. I've told plenty of others too!"

Mrs. Jerry Russell, Route 8, Maryville, Tenn. Many other grateful ALL-BRAN users write the same. You may be helped, too, if constipated due to lack of bulk in diet; start eating an ounce of crisp, tasty ALL-BRAN daily, drink plenty of water, if not satisfied after 10 days, send empty box to Kellogg's, Battle Creek, Mich. **Pope Pius Calls On Catholics In Poland To Resist**

CASTEL GANDOLFO, Sept. 6.—(AP)—Pope Pius XII appealed to the 20,000,000 Catholics in Communist-governed Poland to defend the church with all their might.

The pontiff said Poland did not regain its freedom with the end of the war. Instead, he declared, "the practice of religious life has been made ever more difficult."

The Pope addressed a letter to Polish bishops urging bold action and condemning violations of religious rights by the Polish state. The letter was sent Thursday on the tenth anniversary of the German invasion of Poland which touched off World War II. It was published today in L'Osservatore Romano the Vatican newspaper.

Poland, which is more than 90 percent Catholic, has been spared many of the harsher communist blows dealt against the church in other Iron Curtain countries. The Pope's letter gave rise to speculation that Polish communists may be readying a new move against the church there.

Pope Pius praised Polish priests for their "firm resistance" in the four years since the war. He said their "unwavering charity toward God and country has been in no way lessened or extinguished."

The Pope said the resistance of Polish Catholics is proved "by those who fell in the fight for Christ; it is witnessed by the expulsion of not a few bishops from their sees and by the many priests thrown in prison."
