Of Gas and Bloat Medicine Stops Years

Former Pinkerton Detective says he is certainly glad that he found out about KAL-O-DEX. Homer G. Scott, 2286 Lime Ave., Long Beach, says: "Thanks to your medicine the awful gnawing and burning sensation in the pit of my stomach from which I suffered so long is gone. I used to bloat so after meals I'd have to let out my belt a couple of notches, and I felt groggy nearly all the time. Sleep was next to impossible, seems like I would just twist and turn all night. All of these distresses were caused, I am sure, from sluggish bowels, and since KAL-O-DEX has relieved that condition I am regular and feel better than I have in years. I told a friend about Kal-O-Dex and he is getting results, too."

KAL-O-DEX is an Herbal Formula containing medicinal juices from 5 Great Herbs; these herbs cleanse bowels, clear gas from stomach, act on sluggish intestines and kidneys. Miserable people soon feel different all over. So don't go on suffering. Get KAL-O-DEX at all Drug Stores. Money Back Guarantee.

NOTICE OF TIMBER SALE:

SEALED BIDS, marked outside "Bid for Timber," and addressed to the Regional Administrator, Bureau of Land Management, Region I, Room 131, Building No. 1, Swan Island, Portland 18, Oregon, will be received until and opened at **2:00 P. M., PACIFIC STANDARD TIME,** on **September 13, 1949,** for the purchase of all merchantable timber designated for cutting upon tracts hereinafter described. The cutting and removal of the timber shall be carried out in accordance with the forest practice rules approved on July 7, 1938 by the Secretary of the Interior. Each bid must state the amount per thousand feet, board measure, that will be paid for each species, the total consideration which will be paid for the timber and a statement that the bidder will comply with local manufacturing requirements as hereinafter stated. No bid for less than the appraised value will be considered. Each sealed bid must be submitted in duplicate and be accompanied by a deposit. The deposit must be in cash or in the form of a certified check on a solvent bank and in favor of the Treasurer of the United States. The amount of the deposit will be at least 20% of the first $1,000 of the appraised value of the timber; an additional 10% of the next $9,000; an additional 5% of the amount between $10,000 and $100,000; and an additional 3% of any amount in excess of $100,000. The deposit will be returned to unsuccessful bidders; applied as a part of the purchase price of the high bidder; or that portion of the deposit representing the minimum required by law shall be retained as liquidated damages if the high bidder does not execute contract and furnish satisfactory bond within thirty days of acceptance of the bid or cannot furnish evidence of his ability to comply with the local marketing requirements. In sales over $5,000, and in small sales when required, the high bidder will be required to furnish a sworn financial statement, showing ability to fulfill the terms of the contract. The United States has by agreement been given the right to authorize its purchasers to use certain roads and rights-of-way for the removal of timber. Each bidder should ascertain from the respective District Forester's office, the location of the road or right-of-way covered by such agreement relating to the tract upon which he wishes to bid. It is the bidder's responsibility to determine for himself the extent to which such agreement will permit the use of the road or right-of-way subject to the payment of reasonable compensation to the assignor of the United States. The right is hereby reserved to waive technical defects in the advertisement; to reject all bids, or to award the timber for the amount of the highest bid to the next highest qualified bidder when the officers authorized to approve the contract shall deem the high bidder unqualified to fulfill the contractual requirements of the advertisement. All tracts advertised for sale for which no bid is received on the sale date may be sold on the 30th day after the sale date to bidders offering the highest price during the thirty day interim.
