Salvation Army Leaders To Meet With Local Youths

Capt. and Mrs. Kenneth Anderson, youth leaders of the Salvation Army, will meet with Roseburg young people Sunday evening, Sept. 18, in preparation for the coming Western Oregon Youth congress to be held in Eugene Oct. 1 and 2. Capt. Claude Bowden, local corps officer, announced.

Anderson, who is divisional young people's secretary for the Oregon-South Idaho division of the Salvation Army, will also speak at the regular Sunday evening service beginning at 7:30 p. m. Capt. Bowden urged all young people to be in attendance to meet with the Andersons.

Brigadier Frank Wilmer, territorial young people's secretary of San Francisco, will be the leader of the congress at Eugene. On Saturday night, delegates will join with the Eugene Youth for Christ following which they will conduct

recently come to Oregon from Glendale, Calif., where they were engaged in Salvation Army youth work for a number of years. They replaced Major and Mrs. Henry Koerner, transferred to San Francisco. Steady progress in the development of the state-wide Salvation Army program for young people is being made. Capt. Only one word fits it — **Wonderful!**

You know how it usually is—slow and steady is the rule in automotive progress.

But every now and then it happens. Along comes a car that's new all over—like this one—and headlines sing the news.

Take the styling of it—fresh and smart and really exciting from its non-locking bumper-guard grilles to the jet-plane look of its fenders.

Take the outward size of it—handy in traffic, easy to garage, actually more room and a sweeter ride in fewer over-all inches.

Step inside—and stretch yourself in the biggest interiors ever found in a Buick Special, with a full twelve inches added to rear-seat hiproom.

Try the power of big 110 or 120 hp high-compression Fireball engines—sample the restful levelness of a ride that sets the standard for the industry.

Check controls—and note really big news: *The luxury of Dynaflo Drive**—newest, simplest and smoothest of all modern transmissions—is optional equipment, available now at the lowest price level yet!

Finally, look at the price tag. Measure its figures against others—and see if any car, even in the lowest-price field, gives you so much of what you want for each dollar you invest.

Tops in style, tops in room, tops in lift and life and traveling ease, a trip to your Buick dealer will show you this is wonderful in value too!

For the biggest buy of this year—and many a year to come—better go now and get your order in!
