WOMAN'S MISSIONARY SOCIETY HOLDS MEETING

An interested group of the Woman's Missionary society met in regular session for August in the south parlor of the First Christian Church. The hour was opened by a short devotional service and business period led by Mrs. Emma Beckley.

The study period was conducted by Mrs. Ackert who used Luke 24:47 for her theme. The current study outline was given which includes specific study of Yakuza Indian mission, White Swan, Washington; Christian Institute, San Antonio, Texas; Jarvis Christian College Hawkins, Texas; Hazel Green Academy, Hazel Green, Kentucky; All People's Church & Community Center, Los Angeles, Calif.

In explanation one paragraph will be quoted: "Our specific objectives in Missions this six-month period is quite general, though they are all within the possession of the United States. We have a good many people of other countries within our borders. Some of them are Chinese, Japanese, Spanish, Greek, Italian, Portuguese, Jewish, Syrian, Finnish, besides a host of others not to count the Indian, Negro and migrant white workers. Verily the harvest is white and the field is large."

As a special mission relief objective, Mrs. Valdean Bridgess is collecting clothing to send to A. B. McReynolds for his needy mission points in the mountains of southeastern Oklahoma. Those having a wearable garment of no use to themselves are asked to contact Mrs. Brydges.

The guest book was signed by the following: Mrs. Byron Harmon, Mrs. Valetta L. Taylor, Mrs. Elsie Coffell, Mrs. Edith S. Ackert and sister Mrs. Gwen S. Howard, visiting from Globe Arizona. Mrs. Etta M. Wilson, Mrs. Valdean Bridgess, Mrs. Martha Knox and Mrs. Emma Beckley. The next meeting is dated for Sept. 30, 8 p. m. Members are most cordially invited and requested to bring a guest. The study will cover Southern Christian Institute, Jarvis Christian College and Mexican Christian Institute.

Doukhaber Mother Relinquishes Claim To Child

HILLIERS, B. C.—A Doukhaber mother has relinquished all ties with her six-week-old baby and dedicated the child to a life of "service to God and humanity."

The baby, Gabriel Archangelovich First, was dedicated by his mother, Florence Berkoff, in an unusual ceremony here Sunday. The community's first-born child, Gabriel, is now the responsibility of the colony's 180 persons.

The child's name will be entered in the "White Book" which will contain the names of those who "renew themselves and private family ties to become eligible for membership in the universal family of whom the head is Christ and the father in heaven."

The 180 Doukhabers founded this community under the leadership of Michael (the Archangel) Veregin three years ago when they broke away from their orthodox brothers.

The elders instituted birth control when the colony was formed in order to prepare adequate educational facilities before any children were born. Florence Berkoff was the first woman granted permission to have a child.

Congress May Adjourn The Last Of October

WASHINGTON—A late October adjournment of Congress is predicted by Senator Wherry of Nebraska, Republican floor leader.

Barring the raising of new issues by President Truman, democratic leaders meanwhile mapped a program that might bring the Senate abreast of its 1949 work in six weeks.

The House, in recess until September 21, has completed most major legislation and seems willing to call it a legislative day as soon as the senate can catch up.

Wherry told a reporter that so far as he is concerned the Republicans are willing to help end the session as quickly as possible. He predicted it would be shortly before November 1.

Senator Lucas of Illinois, Democratic leader, has been blaming the Republicans for delaying important bills.

German Bride-To-Be To Enter United States

FRANKFURT, Germany—Hilda Eisner, German bride-to-be of an American war veteran, soon will be reunited with him in New Orleans, La., authorities said.

Arrangements have been made for the fraulein and her two-year-old daughter, Beatrice Marianne, to leave Augsburg by train Saturday for Hamburg. From there they will take off the following day in a KLM Dutch airliner for New York.

Waiting for them in the U. S. is Edward Reiskob, 27-year-old army veteran formerly of Portland, Ore., who first told reporters he was married to Fraulein Eisner in Germany. He said he thought this statement would facilitate her entry into the U.S.

From New York, the German girl will proceed to New Orleans where they will be married, Reiskob said, and he will see his daughter for the first time.

Gasoline Truck Struck By Great Northern Train

PORTLAND, Sept. 15—A gasoline truck overturned at a crossing in the northwest industrial section Tuesday when struck by a Great Northern passenger train engine.

The truck driver, Lawrence A. Moran, said he turned off the motor and jumped free when he saw the crash was unavoidable. Police said he told them two cars stopped in front of the truck, making it impossible for him to clear them. About 50 gallons of gasoline were spilled but no fire resulted.

Production Is Up In August

WASHINGTON—Industrial production rose during August for the first time since October, 1948, the president's council of economic advisers said. The council said preliminary estimates place the federal reserve board's index of industrial production during August at 168, seven points above the estimated index for July and level with that for June.

The index is based on the 1935-39 average as 100. Preliminary estimates indicate that industrial production in August fully recovered the four percent drop in July, which had been due in part to the spreading practice of plant-wide vacations, especially in non-durables, the council said.

"This was the first rise since October, 1948." The council's comment and the federal reserve board's estimate of the index were published in "economic indicators," a monthly compilation which the council prepares for the joint congressional economic committee.
