Greece Asked To Avoid Invasion Of Albania

ATHENS—(AP)—Greece's decision to invade Albania in self-defense if necessary appeared today to have Washington, London and Moscow worried.

There were indications that the western powers might try to get the Athens government to alter its position.

On Tuesday, a high-ranking member of the Greek delegation to the coming United Nations general assembly said Greek troops would invade Communist Albania if guerrilla forces launched any new attacks on Greece from Albanian soil. He said the U. N. would be told of this decision during the debate on the Greek case.

Today, both the American and British ambassadors in Athens were scheduled to confer with vice Premier Constantin Tsaldaris. It was believed that U. S. Ambassador Henry F. Gady and Sir Clifford Norton, Britain's top diplomat here, might try to persuade the Greeks to soft-pedal their talk.

Foreign observers in Moscow said Russia would take a grave view of any Greek invasion of Albania. It was believed that U. S. Ambassador Henry F. Gady and Sir Clifford Norton, Britain's top diplomat here, might try to persuade the Greeks to soft-pedal their talk.

Rural District Clerk Enters Guilty Pleas

HILLSBORO—(AP)—A former rural school district clerk entered guilty pleas to two warrant forgeries and today awaited sentencing set for Oct. 15.

The clerk, Mrs. Eva C. Tolson, entered the pleas before Circuit Judge R. Frank Peters, forged the name of Micolat Mathiesen, board chairman for Mountandale district, north of here, to two \$250 warrants.

When arrested last July, she was charged with forgeries on warrants totaling \$670, but only a \$500 total was listed in the information on which she was arraigned yesterday.

Tokyo Rose Finally Says It's Her Voice On Record

SAN FRANCISCO—(AP)—The Government has succeeded in getting Tokyo Rose to identify some of the scripts she broadcast from Japan.

The treason defendant, Mrs. Iva Toguri D'Aquino, previously admitted it was her voice on U. S. monitors' recordings of her wartime "zero hour" program.

Prosecutor Tom De Wolfe held up printed scripts made from the recordings.

Perhaps 10 times he asked, "in your best judgment, was that your wording?"

"I can't say positively," said Iva, in her sixth day on the witness stand.

"It sounds familiar."

Finally, however, De Wolfe demanded a yes or no answer, and she said:

"Yes, if those are the words that came off the record."

AREA ANNEXED
CORVALLIS, Sept. 15.—(AP)—Corvallis and suburban Cedarhurst approved annexation to the city at a special election held here Wednesday, but a much larger section north of the city for the second time refused to merge. The Cedarhurst area, lying just west of the city but containing fewer than 100 residents, voted to join Corvallis.

Waterfront Explosions Wrecks Newport Boats

NEWPORT, Ore., Sept. 16.—(AP)—An unexplained waterfront explosion among closely jammed fishing boats today sent one to the bottom of the harbor and damaged three others. No one aboard was critically hurt.

The 40-foot Canadian fishing boat Cluny, with two men sleeping aboard, was shattered and caught fire. The blast apparently originated in that vessel. Its skipper, A. R. Rogers of Vancouver, B. C., jumped uninjured into the water and swam to safety. His crewman, Ian G. Forbes, Canadian of undetermined address, suffered second and third degree burns before he got into the water. His condition in a Toledo hospital was reported not serious.

The adjacent 32-foot fishing boat Grayhall, skippered by Lyle Joy of Portland, burned to the waterline. Joy was aboard but escaped unhurt. Two other boats, the Salar, of Canada, and the Forest, were damaged slightly.

Coast guardsmen and local firemen fought flames for two hours, seeking to prevent spread to other boats.
