

SCARF SCOOP

NEW YORK (NEA)—Scarf-collars and cuffs that reverse from a black velvet side to one of plaid woolen make two other bids besides reversibility for the approval of today's penny-wise woman. Scarves stay put without a stitch, thanks to a tuck-in collar design. Cuffs turn out from elastic bands. Both collar and cuffs can be reversed and interchanged to look like a whole drawerful of accessories.

Typical switch is from the plaid woolen side (left) to the black velvet side, which makes collar and cuffs look like an entirely different set of accessories (upper right).

The switch (lower right), to half-plaid half-velvet that comes from the trick of folding collar and cuffs is another proof of the versatility of these accessories.

Scout Roll Call, Court Of Honor Are Held At Drain

Jerry Willis, Douglas county scout commissioner, and Rollie Quam, scout executive, went to Drain Tuesday night to witness the national roll call, conducted by Sam Wetzel and Ernie Seaton, neighborhood commissioners, for Drain Boy Scout troop 78, and Explorer unit 278.

Both the troop and explorer units did very well on their inspections, reported Quam. They proved outstanding by showing 64 percent advancements, 96 percent of the boys attending long term camps this summer, 94.5 percent of the members completely and correctly uniformed.

At a court of honor, two boys were promoted from tenderfoot to second class scout rank; one boy from second to first, and eight received merit badges.

National roll call for Boy Scouts will be conducted between Oct. 1 and 15, said Quam. Neighborhood and district commissioners will inspect every scout troop, Cub pack and explorer unit on the following points: Scouts present during the inspection; number of boys advancing one rank during the year; the number of boys attending a long term camp, the number who had 10 days and nights in a camp other than a

TEMPTING—Heavyweight boxer Pat Valentino just dropped in for a shave but barber Jerry Becerra (left) would love to romp through that head of hair, shears and all. Pat, who'll meet Ezzard Charles in San Francisco Oct. 14 for the heavyweight crown, doesn't dare fall asleep in a barber chair these days—the barber might have his money on Charles. Not even a trim job—Pat's superstitious.

SIZE that's mighty handy in traffic, a real relief in modest-size garages, a wonderful aid in parking.

ROOM that rates right up at the top—with inches added to all rear seat cushions, a full foot more hiproom in 4-door Sedans.

POWER that is lively, frugal, ever-thrilling because it comes from a high-compression, high-pressure Fireball straight-eight.

A RIDE we'll put against anything else you can find, regardless of price—soft, pillowy, gentle. We call it matchless because we think you will too.

HANDLING? Well, this price is the price on a Buick SPECIAL with finger-flick Synchro-Mesh transmission—as light and easy as you'll find on any non-automatic-drive car.
