STOCKY KNEILSON
FROM THE TENNESSEE HILL COUNTRY

Stocky Built
Big Muscles As A
Boilermaker

SAY
PUM!

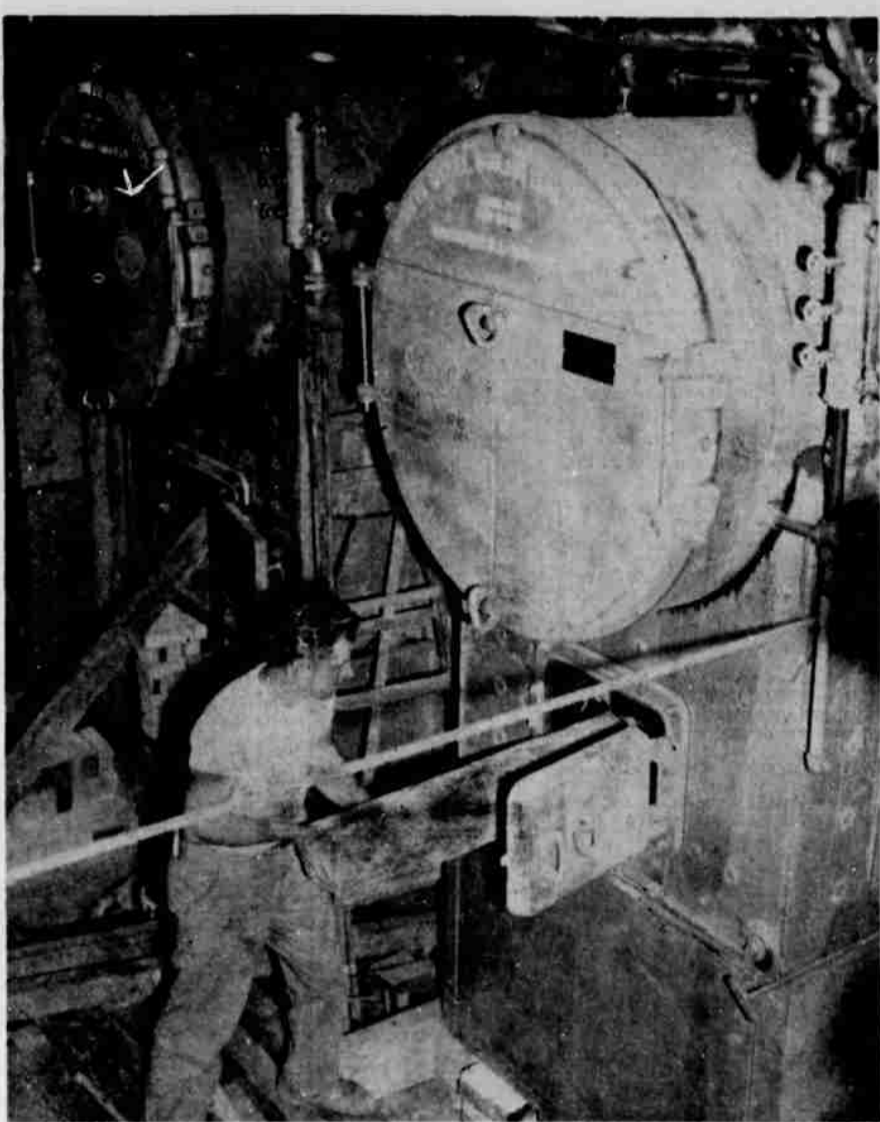

KNEILSON MAKES HIS
OWN RULES AND FIGHTS
BY HIS OWNERS!

SPECIAL EVENT on tomorrow night's wrestling card at the Roseburg armory will be a combat between Stocky Knellson, above, and Ginger Jr., a 375-pound bear, pictured at right.

Man vs. Bear To Feature Saturday Wrestling Card

It's one of the greatest sights yet to see in a wrestling ring, Ginger, the wrestling bear, and Stocky Knellson, the rough and tumble hillbilly from Tennessee. The big question is, Can Knellson last fifteen minutes with the battling brute? It hasn't been done yet and Ginger has been taking on all comers. She has fought with the best, defeated them all, even going to far as entering a battle royal, and cleaning five men. Just like his mother, the Original Ginger, the junior member of the family is chalking up a terrific fight record in a grand sweep around the country.

BOILER FIRED—Pictured are two of four new boilers installed in the central heating plant located next to the senior high school. Fired Thursday for the first time, the boiler nearest the camera provided emergency heating for senior high school students. Valentine "Red" Schaaf, job foreman for Industrial Building company, illustrates how heat was provided with cordwood. Schaaf said that by Monday, Fullerton would also be receiving this type of heat. Within two weeks, all four boilers will be converted to sawdust and going full blast.—(Staff photo).

stop burning wood to make power and Ginger has been taking on all comers. She has fought with the best, defeated them all, even going to far as entering a battle royal, and cleaning five men. Just like his mother, the Original Ginger, the junior member of the family is chalking up a terrific fight record in a grand sweep around the country.

Ginger stands six-feet, tips the scales at 375 and has been a born grappler since his early cub days. Few men can climb into a ring and whip a bear, fewer, can last very many minutes against one, but Knellson is going all out to stop the bear inside of fifteen minutes, the length of the main event.

It should be a whale of a battle, man vs. bear, with the boys in the know predicting another easy win for the four-legged grappler.

Les Welch, one of three brothers who travel and train with the bear, will take on Georges Dusette in the semi-final go, both men a couple of power boys, but clean and scientific. Pete Bartu and Al Szasz open the nights action in the curtain raiser in what could turn out to be a slam-bang battle.

CVA Means New Lumbering Jobs, Davidson Says

PORTLAND, Sept. 23.—(AP)—The proposed Columbia Valley administration would create new jobs in the lumber industry and give it added stability, C. Girard Davidson assistant secretary of the interior, said here Thursday.

In an address at the convention of the northwest council of the AFL Lumber and Sawmill Workers union, Davidson, said the CVA would speed development of hydroelectric power "so we can

existing agencies, he said, are not properly organized to do the job quickly and with equitable division of federal money to meet the various resources' needs. "You can't do a multi-billion dollar job without some kind of comprehensive plan."

GLASS TOPS

So Easy to Clean

For those most used pieces of furniture in the house be sure to have glass tops cut to fit. Glass tops makes house-keeping so much easier.
