

### Anna S. Lowman Of Melrose Dies

Anna Sophia Lowman, 41, resident of Melrose for three years, died after a short illness last night. She was born April 26, 1908, in Madison, Neb., and came to Oregon 20 years ago living in Klamath Falls before moving to Roseburg. She was employed at the Roseburg Veterans' hospital and was a member of St. Paul's Lutheran church.

Surviving are her widower, I. R. Lowman, Roseburg; four children, Mrs. Betty Jean Deiss; Ivy Don, Gloria Ann and Jesse Odell Loman, all of Melrose; Roseburg; her father, John Turchard, Westfir, Ore.; three sisters, Mrs. Art Nelson, Mrs. Louie Streit, and Miss Emma Turchard, all of Oakridge, Ore.; three brothers, William, Charles and Herbert Turchard, all of Westfir, and one grandson.

Funeral services will be held in The Chapel of The Roses, Roseburg Funeral home, Wednesday, Sept. 28, at 10 a. m. with the Rev. W. A. Sylvester officiating. Vault interment will follow at 2 p. m. in the Westlawn cemetery, Eugene, Ore.

### POLE SITTER WINS

#### Indians' Rooter Descends, Gets Shower Of Gifts

CLEVELAND, Sept. 26.—(AP)—Wobbly legged Charley Lupica swore off flagpole sitting today and luxuriated in an honest-to-goodness bed.

What's more, after his world champion squat of 117 days, two hours and 25 minutes, Lupica sighed:

"Now I'm going to rest for two weeks before going back to work."

The 37-year-old Lupica made his historic descent yesterday before 33,977 fans at Cleveland stadium. His ankles were sore. He was tired. But his eyes were moist as he teetered toward his wife, Augustine, and their four children at home plate.

Charley found out that flag pole sitting can be profitable, even when you lose. He had vowed to stay aloft on his perch over his delicatessen until the Indians reached first place.

He guessed wrong, but managed to shatter the old pole sitting mark of 72 days. The Tribe gave him numerous presents, anyway, at the ceremony, including:

A new Pontiac sedan; bicycles for daughters Margaret, 6 and Nicolette, 10; a tricycle for son Carl, 8; a trolley for Charley Jr., one month; a radio, a stove and an old fashioned bath tub, and a 50-foot flagpole.

### Russian Bid For A-Bomb Control Being Weighed

(Continued from Page One)

statement that the atom bomb was no longer secret, Tass asserted:

"This declaration meant that the Soviet Union had already discovered the secret of the atom bomb and it has at its disposal this weapon."

Tass added that U. S. scientists had regarded Molotov's statement as "bluff" because they thought Russia was incapable of developing a bomb before 1952.

The Soviet statement had the effect of seeking to plant the idea here and abroad that Russia is much farther advanced than Mr. Truman's announcement about a "recent" explosion would indicate.

Moscow's morning papers today made no reference to yesterday's Tass announcement.

Commenting on atomic discussions going on at the United Nations General Assembly, the Communist party Pravda declared that Soviet proposals for atomic control "open a new chapter in the struggle for peace and international security."

The paper said Secretary of State Acheson "poured out crocodile tears because the United Nations has not succeeded in reaching an agreement on the control of atomic energy and abolition of atomic weapons."

The Tass announcement appeared to create no great surprise among the Russian people. A number of Russian citizens, when interviewed about the statement, said they had felt all along Russia had atomic weapons.

"Of course we have," said a housewife. "I have never doubted it."

### Oregon Chest Quota For Douglas County Listed

(Continued from Page One)

nomah with slightly more than 50 percent.

**Application To Douglas**

How the seven factors were applied to Douglas county follow:

**Population:** One of the most difficult factors in which to obtain any fairly close estimate. This year, the committee took an average of the estimated population for 1947 and 1948, based upon the school census, which closely conforms to many other estimates. For this county, estimated population, 41,591; percentage of state population, 2.924. This is based upon estimates made by "Sales Management" for the use of various business institutions in establishing sales quotas. For this county, estimated buying income, (in thousands of dollars), \$22,972; percentage of state buying income, 1.330.

**Estimated Retail Sales:** This factor was prepared by "Sales Management" and just covers drugs, foods, and merchandise. For this county, estimated retail sales (in thousands of dollars), \$8,173; percentage of state retail sales, 1.339.

**1949 Red Cross Quotas:** The quotas for the Red Cross campaign of March, 1949, were used. The percentages reflect only the funds that local chapters raised for the American National Red Cross. For this county, quota for national funds, \$2,776; percentage of state quota, 1.271.

**Deposits, Bank and Savings:** These figures represent the bank deposits and the deposits in savings and loan associations as of Dec. 31, 1948. For this county, total deposits, \$33,288,502; percentage of state total deposits, 2.223.

**Payrolls:** This includes the covered payrolls (as reported by the State Unemployment Compensation commission) for the entire year of 1948. The figures are not final. For this county, percentage of total state payroll, 3.136.

**Oregon Chest Quotas for 1948:** These percentages were used to temper the final results and help smooth out any too rapid changes. For this county, percentage of 1948 Oregon Chest goal, 1.911.

### Labor Unions, Business Still At Loggerheads

(Continued from Page One)

figured in the automobile talks at Detroit where the CIO United Auto Workers are spearheading their campaign for employer-paid benefits in Ford negotiations.

UAW President Walter Reuther has set Thursday as a deadline in the Ford talks. If agreement is not reached by then he said, 15,000 Ford workers will be called out. The strike date hasn't been set.

Nearly 60,000 Chrysler Corp. workers authorized a strike for support of the union's bargaining aims Saturday.

In the coal deadlock, Lewis and the operators are watching to see which pattern will be set for steel and the automobile industry. Coal negotiations are to be resumed Thursday at White Sulphur Springs, W. Va.

**Zinc Company Struck**

In the coal talks, too, welfare benefits are the big issue. The industry has a welfare plan, financed by a royalty of 20 cents a ton on all coal mined, but southern operators have stopped paying the royalty since their contract with Lewis expired. And miners aren't getting pensions. That's why they're idle. And their strike has made some 31,000 employees of coal hauling railroads jobless.

With more than 60,000 workers idle in strikes, including the coal walkout, another 2,000 walked off their jobs today at the New Jersey Zinc Co. The strikers are members of the CIO-Steelworkers, and the issue was wages and security benefits.

Meanwhile, leaders of the CIO United Electrical workers met today to consider strike action in support of their campaign for a \$500-a-year package of benefits for each unionist employee of Westinghouse Electric Corp. and General Electric Co.

James Buchanan was the only bachelor to become president of the United States.

### Arthur H. Church Of Camas Passes

Arthur Henry Church, 75, well-known resident of Camas Valley died at a local hospital Sunday following a brief illness.

He was born in Wisconsin Sept. 13, 1874, and was married to Mary Eunice Brown at McCook, Neb., in 1893. They come to Oregon in 1903, residing in Coos county for about three years before moving to Camas Valley, where he had made his home since that time. Mrs. Church died in 1940. Mr. Church was a member of the Methodist church.

Surviving are four sons and four daughters, Adam Church, Camas Valley; Frank Church, Roseburg; Claude Church, Portland; Henry Church, Dundee, Ore.; Mrs. Mildred Mundt, Grand Coulee, Wash.; Mrs. Eliza Clayton, Dillard, Ore.; Mrs. Helen Titter, Port Angeles, Wash.; and Mrs. Elizabeth Householder, Camas Valley. Also surviving is a brother, Almon Church, Billings, Mont., 19 grandchildren and two great-grandchildren.

Funeral services will be held in the Methodist church at Camas valley, Tuesday, Sept. 27, at 2 p. m., with the Rev. W. W. Apleyard officiating. Concluding services and interment will follow in the Noah cemetery. Arrangements are in charge of the Long & Orr mortuary.

### Uranium Finds Spur Talks Of Atomic Race

favor of honest-to-goodness international supervision?

Tass declared the Soviet union stands on its former position of favoring absolute prohibition of the use of atomic weapons. It added:

"Concerning control of the atomic weapon, it has to be said that control will be essential in order to check up on fulfillment of a decision on the prohibition of production of atomic weapons."

The provision to "check up" has been the stumbling block to agreement for three years.

The U. S.—and the overwhelming majority of the United Nations—voted in favor of an international commission to control the atomic energy process from mine to finished product. They want no veto on punishment of any nation violating the atomic code, and full powers of inspection to search out any violations.

### Football Star Found Dead Of Heart Attack

NEW YORK, Sept. 26.—(AP)—John Lasak, 21, varsity right halfback on the City College football team, was found dead today in his dormitory room. A doctor said he apparently suffered a heart attack.

In last Saturday's opening game, the 185-pound Lasak scored three touchdowns and led the Beavers to a 59-0 victory over Susquehanna. On one scoring play he intercepted the atomic pass in the end zone and ran 102 yards for a touchdown.

### MOSER IN NEW JOB

from either public or private utility systems.

Other Demands Listed

Other resolutions covered 11 topics. These included renewal of the state severance tax in forestry; a state cigaret tax; to permit an increase to \$80 the per child payments under the basic school support bill; appointment, not election of the state superintendent of public instruction; elimination of salary difference between grade and high school teachers meeting like college requirements; "equitable and just recovery" from assets of deceased welfare recipients to reimburse the state fund after dependents' needs are met; use of court injunctions in labor disputes when no agreement is reached after an impartial decision has been made and to give the government the right, in case of seizure, to pass judgment on which party was at fault. It was suggested the use of the injunction must be "carefully safeguarded."

On taxation, the committee favored abolishing double taxation on stock income and suggested studies on the merger of tax functions of counties. A provision opposing a sales tax as "not economically sound" was stricken from the final statement.

### STANLEY GRADY SOUGHT

State police are trying to contact Stanley Grady, who is believed to live on a farm between Wilbur and Oakland, to inform him that his mother has died in Ohio. Sgt. Lyle H. Harrell reported today.

### Russia Using Pressure To Humble Tito, Charge

NEW YORK, Sept. 26.—(AP)—Yugoslavia today accused Russia of using every kind of pressure, including armed demonstrations, to force Premier Marshal Tito to bow under Moscow's will.

Addressing the United Nations Assembly, Yugoslav Foreign Minister Karelj blasted at what he called Russia's imperialistic methods. He called on Russia to prove her desire for peace by leaving Yugoslavia alone.

He spoke directly to the Russians in their own language. Soviet Foreign Minister Vishinsky, an early arrival, listened intently. He took many notes during the speech.

### Special Council Session Deferred Until Tuesday

A special city council meeting scheduled at 5:15 tonight to consider suburban annexation petitions has been postponed until the same time tomorrow. City Recorder William D. Bollman reported.

The City Planning commission will meet at 7:30 tonight in the council chambers. A routine session is scheduled.
