\$100 Million Approved For Public Projects

WASHINGTON, Sept. 24—(AP)—The Senate has approved a \$100,000,000 program for planning public works projects all over the country.

The bill, which has been called an "anti-depression measure" in Congress, was passed yesterday by voice vote. It now goes to the House.

It would make federal funds available to states and communities for advance planning of needed public works projects. President Truman recommended such a program last July, as a safeguard "if the business downturn should become more serious."

KDND DIAL-LOG

This afternoon at 3:15 p. m., your regular school broadcasts return to the air. The schedule will be the same, with the Grade Schools on Mondays, Senior High on Wednesday and Junior High on Friday. This year we have nine County schools participating in the radio broadcasts and they will rotate on Tuesday and Thursday.

Each program a complete half-hour story packed with exciting mystery!

TONIGHT at 5:30 p. m. At 7:15 p. m., it's the SAMMY KAYE SHOW with another line-up of your favorite tunes... In another "Let George Do It" program tonight, heard at 8 p. m., George prevents the murder of a man who is believed to have seen the commission of another murder, but, ironically, is too enfeebled to have seen anything at all. "The Man Under the Elm Trees" is the title of this episode, starring Bob Bailey and Frances Robinson.

I guess I really haven't another thing to say, except your regular Dial Log composer will be back with you tomorrow... She's been on vacation. If you haven't guessed by now.

Democratic Meet Slated Tuesday

Joda Leonard, Oregon Democratic Central Committee vice-chairman, will be the speaker at the Democratic Woman's day dinner in the Hotel Umpqua Tuesday at 7 p. m., reports Mrs. Christina Micelli, in charge of local arrangements.

Mrs. Leonard of Klamath Falls will come here from Medford, where she is scheduled to speak at a noon luncheon. She will arrive here in late afternoon, accompanied by Mrs. Mary Kelly, Jackson County Democratic Central committee chairman.

Mrs. Kelly will also have things of interest to report at the meeting. Her service to her party has been wide and active. She is district chairman of the woman's division for Jackson, Josephine, Douglas, Coos and Curry counties.

A practical woman, and a good speaker, she is well worth listening to, said Mrs. Micelli. Reservations for the dinner should be made by calling her at 870-J or Mrs. Gladys Wiley, 671-J. The meeting is open to all women interested.

SEE and HEAR OLSEN and JOHNSON'S FIREBALL FUN-FOR-ALL every Thursday on Television

When better automobiles are built BUICK will build them

Guess who's losing sleep over this one?

FOR years, folks have talked about the "low-priced three" in the car business.

For a generation these have been the same three cars, unchallenged for position simply because they were lowest priced.

But take a look at the beauty pictured here and ask yourself:

How would you like to sell against it, with its wealth of Buick features?

How would you like to compete with it when it wears a price tag any new-car buyer can reach, gives you straight-eight performance for less than many sixes?

Truth is, this one sets a lot of standards that are going to be hard to match.

This styling is certainly something to start other designers tossing in their sleep.

This handy size—a dream in traffic, yet generous in interior room—is a "must" for cars yet to come.

The lift of high-pressure Fireball power—the level-going comfort of the Buick ride—the luxury of Dynaflow Drive, here optional at modest extra cost—all these are wanted things others just can't overlook.

So why not do the obvious thing and go see the car that's causing sleepless nights in Detroit?

Study its smartness, test its room and comfort, try its handling, note the precise figures of its delivered prices.

You can do all that on a single trip to your Buick dealer's—and make your selection of a wide choice of equipment and colors at the same time.

TEN-STRIKE!
Only Buick SPECIAL has all these Features!

TRAFFIC-HANDY SIZE • MORE ROOM FOR THE MONEY • DYNAFLOW DRIVE optional at extra cost • JET-LINE STYLING • NON-LOCKING BUMPER-GUARD GRILLES • HIGH-PRESSURE FIREBALL STRAIGHT-EIGHT ENGINE • COIL SPRINGING ALL AROUND • LOW-PRESSURE TIRES ON SAFETY-RIDE RIMS • GREATER VISIBILITY FORD AND AFT-SELF-LOCKING LUGGAGE LIDS • STEADY-RIDING TORQUE-TUBE DRIVE • THREE SMART MODELS WITH BODY BY FISHER
