## Plane Crashes In 3 Countries Spell Death For 24 Persons; Toll May Be Increased To 53

Fourteen persons died and it was feared 39 others lost their lives in four plane mishaps in this country, Mexico and England yesterday.

The most spectacular accident involved a Mexican airlines plane with 24 aboard. A shepherd said he saw it fall into the snow high on the slopes of Popocatepetl volcano.

Rescue workers toiled toward the scene. Mexican Senator Ramos Millan, chairman of the national corn commission, was reported aboard. The line said two of the passengers may be

A 8-29 air force bomber on a training flight from Smoky Hill base, Salina, Kas., crashed and burned near Talihina, Okla. A rescuer said he had counted 10 bodies. It was believed the other three crewmen also perished.

The accident occurred during exercises testing western allied

of their single engine plane near Heiskell, Tenn.

## Sanders Draws Seven-Year Term Victoria

## **Defendant's Calm Breaks** At Sentence

Thanks Extended Those Believing Her Innocent; **Probation Request Fails** 

Ending the fight of Victoria Sanders' attorneys to save her from a prison term, Circuit Judge Carl E. Wimberly Monday sentenced the pretty 2'-year-old woman to serve seven years in the Oregon penitentiary.
Victoria's caim, which she maintained all during her nine-day murder trial, broke when the judge read the sentence. She started to cry, wiped her eyes with a handkerchief, and turned to her lawyers for comfort.

Link Radio Co, at a special city council meeting Monday.

The contract for \$3992.50 calls for the purchase of a central station, type 2490, with 75-watt power, five 10-watt mobile units type 2210, and two motorcycles Link Vetric 3 1.2 ampere sets for two motorcycles. Two of the mobile sets would be for the mobile sets would be for the police cars, two would be for fire trucks, and one for the fire chief's car.

Two other bids were considered. One was the Communication at \$3946.50, and the other for a 30-watt Motorola set, costing \$3.

"I would like to thank all us the many people who have con-tinued to have faith in my inno-cence and it will be my daily hope and prayer that I may yet be able to prove their faith is justified, because I am innocent.
"Victoria E. Sanders."

Installation cannot take place until the city's radio license has been secured. The call letters will be KOA. The company has offered delivery service on the equipment within 45 days. Court Endorses Verdict

## **Chest Drive Annexation Up To** Appeal Voiced Of Tax Evasion Cooperation

Money Badly Needed, Speakers Tell Forum Of Chamber Of Commerce

Community Chest leaders Monday asked for the "full cooperation of Roseburg citizens in raising the chest's \$25,550 goal this year, during the campaign Nov. 7 through Nov. 19.

Speaking to the Chamber of Commerce forum luncheon, Harrison Winston, president of the Roseburg Community Chest, said each of the organizations comprising the chest "needs the money badly"

"The Boy Scouts are fearing call for a special city election to vote upon annexation. There would also have to be elections in each of the respective districts. West Moreland has already petitioned to come into the city on a 100 percent consent. While this section is considered a part of West Roseburg, it would not necessarily be affected by the vote in that area. If the city votes approval, this section would automatically come into the city, regardless of the outcome of the West Roseburg election.

"The Boy Scouts are fearfu that we won't raise our quota this year. They have requested permission to raise their money in a separate drive she fall make our goal,"

"We're not going to let that happen," he continued. "We're going to raise our budget this year!"

Tokyo Rose Jury
Still Deliberates

SAN FRANCISCO, Sept. 27—
(A)—The fate of Iva Toguri D'Aquino, charged with treason as the "Tokyo Rose" of wartime radio Tokyo, was still in the hands of the jury today.

At II-II p.m., last night, weary court attaches, newsmen and scattered spectators were informed that the jury of six men and six women was retiring for the night, Deliberations were resumed today.

The jury received the case from Federal Jucie Michael Roche at II-44 a.m. vesterday. With time out for meals and requests to the court, it had deliberated eight hours and 4 minutes when it called a halt last night.

## Blackmer Pleads **Guilty To Charge**

HENRY M. BLACKMER

DENVER, Sept. 27—(45)—Aging Henry M. Blackmer, who fled to Europe 25 years ago to escape testifying in the Teapot Dome oil scandal, pleaded guilty in U. S. District court yesterday to an indictment charging income tax

Pistrict Attorney Max Bulkley then moved that four perjury in-dictments pending against the 80-year-old millionaire oil man be dismissed because of insufficient evidence. But Circuit Judge Orrie L. Phil-

lips declined to go along with the arrangement immediately. He said he would make a thorough study of the case to "satisfy my own judgment and conscience" before dropping the perjury cas-

es.

He deferred sentencing on the income tax plea and released Blackmer under \$5,000 bond. The defendant's attorney, Harold R. Roberts, said Blackmer could not remain in Denver's mile-high altitude because of the condition of his heart.

Disclosure was charged with in-

Blackmer was charged with income tax evasion and perjury in tax returns filed from 1920 through 1923. He has paid \$3, 670,784 back taxes and penalties.

The Teapot Dome oil frauss during President Warren G. Har-ding's administration sent the then Secretary of Interior Albert B. Fall and oil magnate Harry F. Sinclair to prison.

## ST. MARY'S HEARS "MAMMY"

## Al Jolson, Rabbi's Son, Visits Catholic School He Attended As Runaway

BALTIMORE, Sept. 27.-(P)-Al Joison sang "Mammy" and a couple of other songs for the boys at St. Mary's industrial school last night and told them "St. Mary's did a lot for me."

Jolson was a St. Mary's boy for several months about 50 years

for several months about 30 years ago after running away from his home in Washington. Another famous graduate of St. Mary's was the late Babe Buth.
"I've been waiting to do this for a long time." Joison said as he rolled up to the gray stone buildings with a police escort last night.

er who remembers Joison when he was there.

They went into an assembly room where 135 boys were waiting. Jolson told them about the time he was at St. Mary's.

## Non-Union Coal Mines Open In Pennsylvania 1,100 Workers, Carrying Guns, Return To Pits As State Troopers Patrol PITTSBURGH, Sept. 27—(P)—Western Pennsylvania's non-unWestern Pennsylvania's non-unWestern Pennsylvania's non-unResidents of two Oregon coastal towns prepared today to move dut of their homes as a mile-wide forest fire licked down a mountain side and near their doorsteps. Farm families in autother Oregon area in flames were moved out last night. The fires were among dozens that hurst out of control in westerr Oregon and southwest Washington Monday. Smoke hung over timbered and hampered the aerial survey plans of foresters. There were no very plans of foresters. There were no timbered and hampered the aerial survey plans of foresters. There were no very plans of foresters and the purple of the plant of the Non-Union Coal Mines Open In Pennsylvania

PITTSBURGH, Sept. 27 (A)—
Western Pennsylvania's non-unlon bituminous mines reopened
today despite the nationwide
strike of John L. Lewis' United
Mine workers and the low of the most menacing fire was Mine workers, and state police quickly arrested 17 pickets to block violence.

block violence.
Heavy state police forces invaded the four-county Clearfield area where some 35 operations resumed after a week of ildeness due to picketing by unionized

bands.
Lieut. Frank L. Garnow reported 17 arrested for mass picketing around the Wingert mine near Silgo in Clarion county. A court injunction issued recently prohibits mass picketing.
Eleven hundred non-union bituminous miners defied the striking United Mine Workers and went back to the pits. They went to work carrying rifles and shotguns. Armed guards paced near

went back to the pits. They went to work carrying rifles and shot-guns. Armed guards paced near entrances to mine workings or stalked in underbrush nearby. Scores of automobiles containing pickets cruised leisurely on narrow winding roads skirting the mines but made no reported efforts to interfere. Squads of state police trailed them and occasionally brought them to a halt for inspection.

Mines being reopened are located north of Pittsburgh. Most of them are strip workings in which steam shoveis dig coal from surface veins. Others are underground operations.

Governor Duff Acts

State police reinforcements were brought in after local authorities called on Governor Duff for help.

Some of the armed sentries around workings—recruited from ranks of non-union diggers—were posted atop the latticed tipples or derrick like structures at mine openings.

Some rode beside the drivers

mine openings.

Some rode beside the drivers of loaded coal trucks, their rifles protrucing menacingly from cab windows.

The clearfield developments of the trucks of loans.

The clearfield developments came as the strike of John L. Lewis' 480,000 United Mine workers entered its ninth day. The miners walked out after trustees of the soft coal welfare and pension fund cut off payments and after Lewis has emphasized that some southern operators had quit making the 20-cents-a-ton roytality payments.

General Trout Season
Closes September 30

Anglers were reminded today that the general trout season closes Friday. Sept. 30. Ross Newcomb, game commission bisologist, stressed the importance of the return of tags from fish, as these aid the study of fish runs in the river.

For areas that are open for the winter season, anglers may eatch two fish a day, or four in any week. Each must be more than 12 inches in length.

ers entered its ninth day. The miners walked out after trus sees of the soft coal welfare and pension fund cut off payments—
