**Gordon Confident  
Of Early Knockout  
Over Culbertson**

Manager Ernie Nazelrod's trio of Roseburg batters wind up their pre-fight training in the local armory tonight in preparation for their appearance at the Portland Auditorium Oct. 4.

Headed by Roseburg's rugged Babe "Hardrock" Gordon, the other two boxers are Mickey Gemmill, slated for semi-final action, and Kenny Kaas, who will appear in one of the preliminaries.

The Babe is scheduled to meet one of the toughest foes he has yet encountered in "Baby Dutch" Culbertson, clever Los Angeles Negro, in the ten-round main event.

Gordon and his two fellow boxers will make their last appearance on home ground tonight when they go through final workouts. Nazelrod will accompany the three fighters to Portland tomorrow, where they will taper off before the Tuesday night bouts.

Both Nazelrod and Gordon seemed confident of a quick win over Culbertson. The Babe has been in training for over a month for this bout and said he will go for a K. O. early in the fight. Nazelrod is predicting his boy will put Culbertson away by the fourth round, "maybe sooner."

Nazelrod said he considers this bout another step up the ladder to fistic fame. If the Babe gets by Culbertson, he has been assured of a match with the rising young heavyweight, Clarence Henry, managed by Jack Dempsey, former world heavyweight champion. And from then on, Nazelrod said, "the sky's the limit" for the Roseburg slugger.

Local persons desiring tickets for the coming bouts may get them by contacting Nazelrod. They will also be on sale at the Portland Auditorium the night of the fight.

**Relocated Highway  
Misses Town Of Dexter**

EUGENE, Sept. 28.—(P)—The town of Dexter is having traffic trouble, but the problem is not one of too much traffic. City fathers fear there will be too little and that if something is not done there will be almost none.

The relocated Willamette highway misses Dexter, 18 miles up the Willamette river from Eugene. Access roads have been provided from the new highway south to the old one, but Dexter says it "ain't fair." The new highway goes through a cut, and the motorist will not even be able to see Dexter, a hundred yards or so to the south.
