Help Handicappe Week To Open In Nation Monda

Civic organizations through Roseburg are joining forces help qualified handicapped wo ers find jobs during this yea National Employ The Physica Handicapped week, Oct. 2 -Chairman Bill Livemore, anno-

Chairman Bill Livemore, announced today,
In the state, Livermore said,
are many handicapped workers
who want to work and who, if
fitted to the proper jobs, can produce as efficiently as unimpaired
workers.
"Employers will find these selected workers capable of holding their own on the job." Livermore said. "If properly placed,
workers with physical handicaps
will relieve local communities
and the state and federal governments of the cost of caring for
them.

ments of the cost of caring for them.

"We are not asking employers to hire physically disabled workers for jobs in which they are not fully as qualified as other workers. We ask only that the employer hire the worker with physical impairments just as he hires other workers—on the basis of ability to do the job. One of the principles of the Oregon State Employment Service is to refer to employers only workers who are fully qualified for jobs that need to be filled.

"The best way to reduce the problem of the handicapped in Roseburg and throughout the nation is to work aggressively to get every physically impaired person into a gainful job he is fitted to do."

Livermore said that this year's campaign would emphasize that "ability, not disability" should be considered in employing phy-sically disabled workers.

ATOMIC BLASTS—President Truman's announcement of an atomic blast somewhere in Russia brings the total of such explosions throughout the world to nine. First was set off near Los Alamos, N. M., on July 16, 1945. Next two leveled Hiroshima and Nagisaki on Aug. 6 and 8, 1945. Two test bombs were set off at Blkini Atoli on June 30 and July 33, 1945, and three more at Eniweick in April and May of 1946. Exact date and location of latest atom blast are still undisclosed, but evidence signifies Russia's possession of vital A-bomb data.

Fields Switched For Today's Tilts In Coast League

The two Pacific Coast league playoff series switch diamonds today to give the trailing clubs a chance to catch up.

Hollywood and Oakland, host teams the first three games, lead their series with Sacramento and San Diego, respectively, two games to one.

The Stars trimmed Sacramen-to 5-1 last night as George (Pin-

Oakland managed to eke out a two-one series edge by shading the Padres 65 on Billy Martin's 10th iming homer. Dick Kryhos-ki's ninth-inning four-bagger tied the count for the winners. The Padres were ahead 40 at one time. Max West homered for the losers.

Today Cakland (Frank Nelson 14-11) plays at San Diego (Jess Flores 21-10). Tonight Hollywood (Glen Moul-der 14-9) plays at Sacramento (Bob Gillespie 17-13).
