

Party Lines Drawn In House For Battle Over Measure To Expand Social Security Act

WASHINGTON, Oct. 6.—(AP)—Democrats and republicans drew party lines tight Tuesday for a battle in the House on how to expand old age insurance. They held separate mass meetings.

Speaker Rayburn, after the democratic rally, predicted flatly that the administration bill to remove more of the financial hazards of old age, hard luck and death will pass "as is."

But, just before the legislation hit the House floor, republicans organized a drive against what they called a "gag" rule. The measure came up under procedure designed to bar any amendments.

The bill up for consideration would extend social security to 11,000,000 more workers, making the total 46,000,000. It would increase benefits, create a new disability insurance and raise payroll taxes to finance the expansion.

Republicans proposed a substitute bill. It resembles the administration bill in many respects, but proposes a slower boost in taxes and would delete the proposed new insurance payments for workers who become totally and permanently disabled.

They can call for a vote on the substitute even in the face of the no-amendment rule.

The ways and means committee, in presenting the bill, voiced hope it might soften labor's demands for special pension plans financed wholly by employers. In the federal insurance program the costs are shared equally by workers and their employers.

Administration leaders freely predicted victory for the bill by a comfortable house margin. But a sizzling fight was promised right at the start. Further, the Senate has no plans to act on it until next year.

U. S., British, Canadian Unity On A-Bomb Looms

WASHINGTON, Oct. 6.—(AP)—Undersecretary of State Webb said today the United States, Britain and Canada are considering a "partnership" in the atomic energy field.

He told a news conference that "good progress" in exploring this possibility was made in the recent American-British-Canadian talks on atomic matters.

A full partnership among the three governments would require congressional approval. Present laws forbid American scientists from passing secret atomic information to other nations.

Truman Promises New Effort To Kill T-H Act

ST. PAUL, Oct. 6.—(AP)—A new promise for repeal of the Taft-Hartley labor law came from President Truman Tuesday, but Secretary of Labor Tobin said repeal may be delayed until 1951.

Mr. Truman said in a message to the American Federation of Labor convention that Taft-Hartley repeal is a "matter of unfinished business" with his administration.

The President promised, however, that the repeal business will be eventually "finished to the satisfaction of working men and women in response to the voice and wishes of the American people."

GI Insurance Checks May Roll During December

WASHINGTON, Oct. 6.—(AP)—The Veterans administration may start paying the \$2,800,000,000 GI insurance dividend before Christmas—at the rate of a million checks a week.

As soon as the bulk of those payments is out of the way the agency will get to work on a second special dividend, the size of which has not yet been determined.

Veterans Administrator Carl R. Gray Jr. has ordered completion of the first dividend payment, to some 16,000,000 World War II veterans, by next June if possible.

The VA insurance section had expected to start the payments in January, on a 200,000-checks-a-day basis. But a spokesman told a reporter:

"There is a possibility that we might start them before the first of the year."

"We will go just as fast as we can, and if we can beat the January deadline we will."

About 12,000,000 veterans have applied for the dividend since application blanks became available Aug. 29.

"Dividend checks will go out roughly in the order that the applications were received—first come, first served," the spokesman said.

"Veterans who fail to apply? Their dividends will be held for them."

Unofficial estimates are that the second special dividend will be paid in 1951 or 1952. Since it will cover a span of only three or four years, the amount to be divided up may be considerably less than the \$2,800,000,000 first dividend which piled up over an eight-year period.

CVA Intrusion On National Parks Opposed

WASHINGTON, Oct. 6.—(AP)—A group of interior department advisers urges that the national parks of the northwest be kept free of any intrusion by a Columbia Valley authority.

However, the group—the department's advisory committee on conservation—expressed approval in general of watershed development practices.

It urged that the national park service speed its survey of beaches and other areas along the Atlantic and gulf coasts which the federal government should acquire for wildlife, scenic preservation and recreation.

TAVERN CLOSURE ASKED

SALEM, Oct. 6.—(AP)—Governor Douglas McKay asked the liquor commission Wednesday to investigate a request by a group of Portland citizens that Andy's Tavern, 6001 S. E. 72nd Ave., Portland, be closed up.

The delegation asked the governor yesterday to close the place because it is near a residential area and a park.

New "Saucepan" Yeast Rolls

YOURS IN 1/2 THE TIME OF OLD-FASHIONED RECIPES!

SPERRY DRIFTED SNOW "Home Perfected" ENRICHED FLOUR

SOUR CREAM CINNAMON STICKS

In a metal saucepan (2 quart size) bring rapidly just to a boil—

1 cup sour table cream

Take from heat and add—

2 tablespoons shortening

3 tablespoons sugar

1 teaspoon salt

1/2 teaspoon baking soda

Stir mixture until well blended. Then add, in order—

1 egg, well beaten

1 cake moist compressed yeast, crumbled

Stir until yeast disappears. Then add 1/2 of—

3 cups sifted Sperry Drifted Snow "Home-Perfected" Enriched Flour

Beat thoroughly to form a thick, smooth batter. Add remaining flour and mix into a moderately stiff dough. Turn out on a floured board and knead lightly about 30 seconds (about 30 strokes)

2 tablespoons melted butter

Then sprinkle half of dough (the long way) with—

1/2 cup brown sugar

1 teaspoon cinnamon

Fold unsugared dough over sugared half, pressing down lightly to seal in filling. With a sharp knife, cut dough into 18 strips, 1x3 inches. Then taking each strip at both ends, twist it in opposite directions, twice, forming a spiral stick. Place on greased baking sheet about 2 inches apart, pressing both ends of sticks firmly and flatly to the pan.

Cover with damp cloth and let rise in warm place until light and double in bulk, about 40-45 minutes. Brush with melted butter. Bake in a hot oven, 400°, for 10-12 minutes. While still warm, spread tops of baked sticks with icing made by mixing 1/2 cup sifted powdered sugar with 1 tablespoon table cream, 1/2 dozen sticks.

POTATO PARKER HOUSE ROLLS

In a metal saucepan (2 quart size) bring rapidly just to a boil—

1/2 cup milk

Take from heat and add—

1/2 cup shortening

3 tablespoons sugar

1 teaspoon salt

1/2 cup unseasoned, mashed white potato

Stir mixture until well blended. Then add, in order—

1 egg, well beaten

1 cake moist compressed yeast, crumbled

Stir until yeast disappears. Then add 1/2 of—

2 1/2 cups sifted Sperry Drifted Snow "Home-Perfected" Enriched Flour

Beat thoroughly to form a thick, smooth batter. Add remaining flour and mix into a moderately stiff dough. Turn out on floured board and knead lightly about 30 seconds (about 30 strokes) forming dough into a smooth ball. Cover with a damp cloth and allow to rest 15 minutes. Roll dough 1/4 inch thick. Cut into 3-inch rounds. Make deep crease across the center of each round with the handle of a table knife. Double rolls over lightly and place, just barely touching, in a greased baking pan. Cover with damp cloth and let rise in a warm place until light and double in bulk, about 35-40 minutes. Brush with melted butter. Bake in a hot oven, 400°, for 10-15 minutes. 1 1/2 dozen rolls.
