When the Roseburg High In-dians ran through a series of new offensive tricks yesterday, they had three reasons in mind for the spirited fashion in which they were performing in the rain.

First, the high school varsity boys are eager to get back in the win column by downing this Fri-day night's opponents, the Reeds-port Braves.

Second, the squad will be per-

port Braves.

Second, the squad will be performing for special guests. Each member of the varsity and junior varsity squad will have his father seated on a bench on Finlay field, as guests of the players. And third, not even the so-called regulars are certain of a starting spot in Friday night's lineup, with Coach Cece Sherwood continuing to juggle the first and second squads around during scrimmage sessions.

New Plays Devised

Sherwood promises something new in the way of offensive performance for the Reed sport game. New plays, designed especially to dazie the Braves will provide local fans with their first glimpse of a winning team in action. Individual players aren't exactly over-confident, but team spirit indicates the Indians are going all out for a win this Friday.

In case Coach Sherwood and his assistants have some unlooked for trouble firing up the Indian squad, aid may be given in the form of presence of the players fathers, scated on field benches near the players. Varsity and J-V players were given guest passes for their dads today, in celebration of the high school "Fathers" Night."
