

# Army Eleven Hands Michigan Its First Defeat In 26 Games

NEW YORK, Oct. 10.—(AP)—The Middle West's three-year dominance in college football, shaken with the defeat of mighty Michigan by Army, may get another jolt this week.

Notre Dame's fighting Irish, who since 1945 have been battling with Michigan for top honors, is host to Tulane's Green Wave in a game that may turn the standings upside down.

Coach Frank Leahy of the Irish has tabbed the Southerners as

the toughest assignment his athletes have faced in many a moon. He warned long ago that this is the game Notre Dame is most likely to lose.

Tulane has already bowled over two of the stoutest elevens in its own balliwick—Alabama by 28-14 and Georgia Tech 18-0. It won easily over a breather foe Saturday, brushing aside little Southeastern Louisiana, 40-0.

Notre Dame will be protecting one of the longest unbeaten streaks in modern football. The Irish haven't been licked, though they've experienced ties, since Great Lakes subdued them in 1945. Last Saturday the Irish, sparked by Emil Sitko, romped over Purdue, 35-12.

Army's Black Knights turned in one of their greatest triumphs in stunning Michigan, 21-7.

It was Michigan's first defeat in 26 games.

Michigan's foe this week, Northwestern, bowed to Minnesota, 21-7.

## Navy Tanker Chehalis Explodes, Killing Six

PEARL HARBOR, Oct. 10.—(AP)—The navy tanker Chehalis exploded and sank at dockside in Tutuila, Samoa, Friday with a loss of six lives, Pacific Fleet headquarters announced.

Three men were killed outright and three others are missing out of the crew of 75, the navy reported. Names were withheld pending notification of relatives.

The 3,620-ton ship had arrived at Tutuila, naval base in American Samoa, on Thursday with a load of aviation gasoline, lubricating oil and diesel fuel. Its home base was Pearl Harbor.

Cause of the explosion was not known.

In a Rook team intrasquad tilt the Greens defeated the Orange squad, 24 to 6. Jack Mathis of Roseburg was an outstanding factor in the Green's line play, starting the left tackle position. Jack was the only Douglas county player to get a starting nod in the contest.

The Rooks meet the Oregon Frosh at Eugene on Oct. 14 for their first contest. The Frosh get their first tilt under their belt this weekend when they play the Portland university freshman.

The twenty-three freshman girls who are candidates for homecoming queen were interviewed Wednesday with the five finalists to be announced one week before homecoming. Joyce Graham of Roseburg is representing Alpha Gamma Delta sorority.

Jack Saling, a former Roseburg resident, is the assistant sports editor of the school paper, the Daily Barometer. The Saling moved to Corvallis about three or four years ago.

CORVALLIS, Ore., Oct. 10.—Bill Brady of Roseburg has won a spot on the cast of the all-school play to be presented by the Oregon State college drama department. The play will be held on Nov. 10, 11 and 12 in Benton hall, on the college campus. He has a lead part and should be all set for a successful career in Oregon State dramatics.

Bob D. Feldkamp of Roseburg was formally initiated into Pershing Rifles, honor military unit, at the home of one of the assistant professors. The neophytes were selected from last year's ROTC and have been undergoing informal initiation since last Tuesday. The formal initiation was climaxed with a walk around the campus.

Police Inspector George Menger identified the man as 35-year-old Lloyd Dalquist, committed to the hospital in April following a \$695 robbery of the Bank of Montreal in Nanaimo, B. C. Dalquist charged with that robbery but never stood trial.

Bank employees said he simulated a gun before teller Mrs. Phyllis Curran's wicket, and demanded money.

"I gave him \$55, and, at the same time, pressed my foot on the robbery alarm," said Mrs. Curran. When the bandit left the bank, she said she screamed: "I've been robbed."

Swift-moving accountants Harold Lawson and Bill Lloyd raced out and grabbed the robber on the sidewalk. They took him into the bank and held him there until police arrived.

## Gandhi's Peace Means Will Be Given Perusal

SEATTLE, Oct. 10.—(AP)—Former Congresswoman Jeanette Rankin of Montana has sailed for India to study the non-violence creed of the late Mahatma Gandhi. The 69-year-old woman was the only member of Congress to vote against the declaration of war in 1917.

She did it again in 1941. She is accompanied on the trip by Miss Lela Keri of Coeur d'Alene, Idaho.

## Parolee Nabbed In Bank Robbery

VANCOUVER, B. C., Oct. 10.—(AP)—A fugitive parolee from Essondale mental hospital was in a jail cell here after two plucky accountants thwarted his attempt to rob the Imperial bank branch at Abbott and Hastings of \$35.

Police Inspector George Menger identified the man as 35-year-old Lloyd Dalquist, committed to the hospital in April following a \$695 robbery of the Bank of Montreal in Nanaimo, B. C. Dalquist charged with that robbery but never stood trial.

Bank employees said he simulated a gun before teller Mrs. Phyllis Curran's wicket, and demanded money.

## Employment In Douglas Steady In September

Following the slight rise in employment in August, Douglas county totals indicated little change for the month of September. The number of persons applying for unemployment compensation varied but little from the previous month. The harvest of the prune crop was completed by the end of the month, but the walnut crop is nearly ready for picking which should absorb the agricultural workers who have been released.

Road and building construction will provide employment for a good number of workers in these fields unless the extremely adverse weather conditions of last year prevail. Reports from various logging firms indicate that there will be a cessation of activities in that industry with the advent of the first rains. This will affect some of the smaller sawmills that have not been in a position to accumulate stockpiles of logs.

In review, the employment picture of one year ago was much better than that for the same

## Aged Woman Too Old To Drive So Takes Plane

PORTLAND, Oct. 10.—(AP)—A 103-year-old woman made her first long-distance flight Saturday.

Mrs. Alice Franklin, who celebrated her 100th birthday by going aloft in a light plane, is flying to San Diego by United Air Lines this afternoon.

The 64-year-old daughter who will accompany her, Mrs. O. Shellabarger, explained that "mother's getting too old to drive. The only way to get there is by air."

They will visit Mrs. Shellabarger's son, John Nicholas Shellabarger, at 725 Pennsylvania Ave., San Diego.

More liquid needs to be used in making cakes and breads in dry climates than in making these same products where the air contains moisture, reports the Department of Agriculture.

Indications are that the coming winter months will be hard-pressed to keep the total employment figure from reaching the low point established last year.

## Czechoslovakia To Take Over Churches Nov. 1

PRAGUE, Czechoslovakia, Oct. 10.—(AP)—The Prague press says the state will take over control of all churches in Czechoslovakia on Nov. 1 under the communists' government's church control bill.

The newspaper Svobodne Slovo said the bill which has been bitterly opposed by the Roman Catholics, becomes law that day. It applies to all denominations.

## Who gets most of our customer's dollar?

- The owners?** No. Last year, Union Oil's stockholders got 10 million dollars in dividends from the company's operations. Divided among 35,120 preferred and common stockholders, this amounted to an average of \$278 per owner.
- The employees?** Guess again. Union Oil's employees got 34 1/2 million dollars in salaries, wages and benefits out of the money the company took in. Divided among our employees, this amounted to an average of \$4,600 apiece.
- The tax collector?** Right. Federal, State and other governmental agencies collected almost 47 million dollars from the money Union Oil Company took in during 1948—4 times as much as the owners got, 1/3 more than the employees got.
- In the last analysis...** that money was yours, not ours. For gasoline taxes alone added 25% to 40% to the price of Union Oil's 75 gasoline—depending on the tax rate in the community where you bought it. Wiping out all the profits paid to Union Oil owners in dividends, on the other hand, would have lowered the price of our petroleum products only 1/2¢ per gallon.
