

Three Squads To See Action This Weekend

Roseburg Indians Take On Marshfield; Jayvees, Paposoes Also Billed

Roseburg football teams from varsity level to Junior high school Paposoes will clash in gridiron contests this weekend.

Biggest item on the weekend football bill is the league test between an omnipotent Marshfield aggregation and Cress Sherwood's varsity eleven. The Indians travel to Coos Bay for the district tilt and the lads have been working overtime to perfect a sure-fire offensive operation.

Sherwood's capable assistant coach, Norm West, took the part of Marshfield's triple-threat passing master, Bud Holland, in a Tuesday afternoon scrimmage, with the first team struggling to knock down his aerial attacks.

Ends Frank Olson and Gregory Wadsworth, Dale Black and Don Ellis were kept busy snagging West's rifle tosses. The first team was pitted against the second string and Sherwood indicated the boys "looked good" throughout the afternoon.

The Junior varsity, which faces Myrtle Creek varsity 2 p.m. Saturday at Myrtle Creek, concentrated on tackling. West said that last week's game with Grants Pass pointed out the need for more drill in this department. Grants Pass ball carriers literally advanced at will due to very ineffective Roseburg defensive tactics.

Paposoes Look Better

Hod Turner's Paposoes face Ashland at Finlay field Saturday afternoon at 2 o'clock. Frank Purdy, who is assisting Turner, said the Paposoes are looking better after last week's scrimmage with Sutherlin.

"If the line plays tight ball," Purdy pointed out, "we should be able to make a real game out of the Saturday afternoon rally."

Purdy was enthusiastic over some seven or eight lads, who he felt would be "ready to play ball" when they reach senior high level.

Junior high school seventh graders and grade school teams will not play this weekend. Ed Wyatt's seventh graders will substitute intra-squad scrimmage for regular game action, while grade school principal Lyle Eddy indicated four grade school teams would vacation from football this weekend, due to the teachers' institute scheduled to start today.

Practice drills will continue however, Eddy added.

"Gorgeous George" Wagner Returning To Roseburg Mat; Tex Hager Will Be Opponent

That man is coming to Roseburg, "Gorgeous George" Wagner, who got his first start in wrestling rings around this area, is coming back to old stamping grounds, complete with valet and all. He wants to renew old acquaintances and while he is here give the fans a treat by letting them see him knock off some of the top boys in this circuit.

George has built up a tremendous following all over the United States where he has wrestled in all of the top pavilions, met and defeated the best and made plenty of enemies. The gorgeous wrestler, who abhors germs and loves beautiful robes, has been featured on the radio and just lately made a movie in Hollywood.

So Roseburg fans should get their tickets early for one of the best shows on earth, Gorgeous George, one of the top grapplers in the world.

He has put on a little weight since Tex Hager last met and defeated him, but the Cresswell lad isn't letting that worry him. He thinks he can do it again and will be going all out to do so.

In the semi-final, Georges Dusette, who is still seeking a match with Dick Weaver, will take on Maurice LaChapelle and Jack Kiser will match tricks with Pete Bartu in the opener.

Polio Discussed By Oregon Medics

EUGENE, Oct. 12.—(AP)—The topic of poliomyelitis was first on the agenda today as the Oregon Medical society opened its 75th annual session.

Dr. Albert G. Bower, clinical professor of medicine at the University of Southern California school of medicine, was scheduled to lead off the initial general session with a paper on polio.

Panel discussions on the disease were to be conducted by Dr. Bower, Dr. Robert S. Dow and Dr. Lawrence Noall, both of Portland, and Dr. Robin M. Overstreet, of Eugene, with Dr. J. E. Bildersack, Portland, as moderator.

Another California school professor, Dr. Hugh T. Jones, was to read a paper on "Geriatric Principles in Bone Surgery."

The evening dinner will be followed by a panel group session on orthopedics with Dr. Harry C. Blair, Portland; the moderator.

RODEO RECORDS SET

PORTLAND, Oct. 12.—(AP)—A four seconds bulldogging time was hung up last night by Cowboy Bill Hartman, Seattle, for a record at the Pacific International Livestock exposition rodeo.

Another show record, in calf roping, was set by Claude Henson, Sacramento, Cal., who trussed his animal in 11.5 seconds.

Gordon Takes On Petersen For 12 Rounds

Compromise Reached On Demand Of Champion For 15-Round Battle

Contract difficulties between Roseburg's Hardrock Gordon and Northwest heavyweight boxing champion Big Bill Peterson have been ironed out, according to Gordon's manager, Ernie Nazelrod.

The Gordon-Petersen title tiff is slated for Tuesday, October 18, at Portland's civic auditorium.

Nazelrod said Gordon signed to fight a scheduled 12-round main event with the Northwest champion. This was a compromise. Petersen's backers wanted the title bout to go 15 rounds, but Nazelrod held out for the lesser number, as he felt his fighter is not yet ready for the longer route.

Gordon is devoting full time to training for his next clash. Nazelrod said the Hardrock is now working out in Portland against sparring partners his own weight.

The pint-size, cigar smoking manager of Roseburg's sensational contribution to Oregon boxing related there is no one in this area heavy enough and still eager enough to toss mitts with Gordon during his workout periods at the local army.

Nazelrod will join Gordon in Portland later in the week.

He is optimistic about Gordon's chances next Tuesday night. "Hardrock will beat him to the punch," he said. "We're coming back to Roseburg with another win," Nazelrod added.

Tickets to the titanic battle may be had by phoning Nazelrod either at 991-J or 441-J-4.

Bowling League Quits Because Of Racial Ban

SPOKANE, Oct. 12.—(AP)—A bowling league here has withdrawn from the American Bowling congress because of the ABC's racial ban.

It is the eight-team mechanical Knights circuit, composed of Spokane newspaper printers. It was affiliated with the ABC for 20 years.

The action stemmed from a recent ABC ruling against full competitive rights for a Japanese-American team in the Boeing Bowling league in Seattle. The Boeing league did not withdraw from the ABC, however. An arrangement was worked out under which the Nisei team can continue to roll in the league, but not in general competition.

Charles Favored Over Valentino

SAN FRANCISCO, Oct. 12.—(AP)—This city's first heavyweight title fight in forty years will interest mounting by the minute today as NBA champion Ezzard Charles and Pat Valentino finished training. Their 15-round battle will be waged here Friday night.

Charles was a 1-5 favorite to defeat the San Franciscan, holder of the California State title.

The Cincinnati Negro—speedy, clever and a slashing type of hitter—is expected to prove too elusive a target for the silver-haired Valentino. Pat is a terrific body hitter, undoubtedly with more power behind his blows than Charles.

It will be Charles' best money shot. He's fighting for a \$40,000 guarantee or the option of 35 percent of the gate. The bout may draw in the neighborhood of \$150,000.

Volleyball Listed For YMCA Activity Hour

The Junior high school gymnasium will be the scene of another YMCA-sponsored activity hour for men of the community Thursday at 5:30 p.m. Volleyball is listed as the main activity on the agenda.

Marlen Yoder, YMCA secretary, said a 25-cent service charge will be made for use of junior high school facilities. This includes towel service. Yoder indicated that anyone who feels the need for exercise is invited to attend the activity hour. Athletic prowess is not a prerequisite, Yoder emphasized.

Jo Jo White To Manage Sacramento Ball Club

SACRAMENTO, Oct. 12.—(AP)—Jo Jo White Tuesday took over as General Manager of the Sacramento Pacific Coast league baseball club.

Ed Sparks, president of the Sacramento club, said White was signed to a one-year contract at an undisclosed sum. The ex-major league and one-time Sacramento outfielder succeeds Victor A. (Cookie) Devinenz, who was released two weeks ago.

White concluded his playing career last Sunday as a member of the Pacific Coast league pen last evening in Hollywood stars. He had been field manager of the Seattle Rainiers until mid season.

Trash Fish In Ochoco Reservoir Are Exterminated

Several hundred spectators watched fishery field men of the Oregon State Game commission and cooperating sportsmen kill the fish in Ochoco reservoir October 9.

Ochoco reservoir is one of the many bodies of water where all the fish are being killed this fall by the Game commission. This work is being done to eliminate trash fish that have reached such high populations that the lakes and reservoirs are useless for trout production. Many thousands of suckers and other trash fish were killed in Ochoco reservoir along with many crappies and some trout. It was evident that the trout which were killed in this operation were in very poor condition and showed the results of the keen competition for food with the less desirable species of fish which were present in the reservoir.

A ready-mix concrete truck was used to mix the rotenone, and after it was sacked, it was towed through the waters of the reservoir by using boats driven by outboard motors. The reservoir will now be allowed to lie idle until trout food is once again well established, and then it will be stocked with trout.

Postal Sub Clerk Examination Set

Federal Civil Service announces an examination for appointment to the position of substitute clerk, post office service at Dillard. The examination will be held at Roseburg senior high at 8:30 a. m., Oct. 29.

Persons desiring permanent positions will have an opportunity to take a civil service examination leading to probational appointment with permanent civil service status.

No specific experience or education is required, but applicants must take a written examination, which includes a sorting test, general test, and a following instructions test. Applicants must actually reside within the delivery of the post office for which examined, or be bona fide patrons of such office.

Applicants must be between the ages of 18 and 50, except that these age limits may be waived for veterans and under certain conditions for war service indigent employees.

Further information and necessary application forms may be obtained from the postmaster at Dillard, or from the director, Eleventh U. S. Civil Service region, room 302 Federal office building, Seattle 4, Wash.

Frankie Parker, Tennis Veteran, Becomes Pro

NEW YORK, Oct. 12.—(AP)—Frankie Parker will begin playing tennis for money instead of fun tomorrow.

The 33-year-old Los Angeles veteran, scheduled to sign as a member of the professional net troupe that will feature Jack Kramer and Pancho Gonzales.

The troupe, managed by former champion Bobby Riggs, will make its first stand Oct. 25 at Madison Square garden.

Frank Parker, winner of the U. S. championship and holder of a dozen other assorted national titles, will receive \$500 a week for a six-month period. The troupe will tour 100 cities.

Detroit Fighter Dies Following Knockout

DETROIT, Oct. 12.—(AP)—Police and Boxing officials pressed an investigation today into the death of a young fighter who suffered fatal injuries in a Detroit ring.

Talmadge Bussey, 25-year-old Negro lightweight, died of a blood clot on the brain yesterday, 11 hours after a solid head blow by Luther Rawlings of Chicago sent him sprawling into the ropes.

An emergency operation to remove the clot proved futile.

Bussey was the eighth boxer to be injured fatally in the ring this year.

Six-ounce gloves were used in the battle, although the National Boxing association code calls for eight-ounce.

Deer Hunters Lag In Sending In Report Cards

Deer hunters' report card returns are lagging behind last year, it was announced today by the Oregon State Game commission. Almost three thousand cards have been mailed into the Portland office of the commission at this time, but more than three times that many had been returned after the first week of the 1948 season. All hunters who purchase a deer tag are required to send in the completed return card. This must be done whether a kill is made or not and whether the tag buyer hunts or not.

Early returns always run high in kills as those hunters not having made a kill usually wait until the close of the season before reporting. Up to Oct. 11, out of 2,965 returns 2,938 have been reports of kills. Lake, Deschutes, Klamath, and Tillamook counties led in list of kills at that time.

C. A. Lockwood, Oregon state game director, stated that he hoped the Oregon hunters would continue the fine cooperation in making these returns that was evident last year. The returns in 1948 in Oregon were as high as any state has ever had. Lockwood also pointed out that the law allows the Commission to refuse tags the following year to any hunter who fails to make a report. He also stated that administrative machinery has now been set up which will enable the Commission to cross check these returns.

"I feel certain that the hunters in Oregon want to cooperate in furnishing this needed information," Lockwood said, "and I certainly hope that it will not be necessary to refuse future deer tags to hunters failing to report."

Grid Gossip In Northwest Loop

SEATTLE, Oct. 12.—(AP)—The possibility that sophomore fullback Hugh McElhenry may be back in harness for this Saturday's clash with Stanford cheered the University of Washington football camp today.

The flashy, hard-running ace saw his first action yesterday since the Minnesota game as he took part in a heavy scrimmage session. His ankle didn't appear to bother him but obviously was soft from the two-week layoff.

McElhenry's return would boost the Husky stock mightily, inasmuch as two other first string backs—quarterback Don Heinrich and halfback Rolly Kirkby—also have shaken off their hurts and will be back in action. Fullback Hank Tiedemann still is hospitalized, however, from effects of penicillin.

Election Set For Kiwanis Officers

The Roseburg Kiwanis Club's nominating committee Tuesday announced the slate of candidates for the election dated for Oct. 25.

The list includes: M. J. Newland for president; James E. Shatterly for first vice-president; Nat D. Johnson for second vice-president; George Luoma for treasurer; and the following for directors, seven to be elected: J. B. Brand, R. E. Brand, Earl Heile, Robert D. Rennie, Herbert Weisgerber, Lee Butler, G. W. Tipton, Gordon Stewart, Dale Sims and Charles Cring.

The meeting was featured by an impromptu talk by Congressman Harris Elsworth, who prepared a program in advance, Ralph Ohman and Paul Geddes were assessed a fine and required to lead the membership in singing.

George Erickson was inducted by Homer Crows as a new member. Byron E. Woodruff was introduced as a "baby" Kiwanian.

Pallo Alto, Calif., Oct. 12

Coach Marchie Schwartz reshuffled his Stanford Indians today in an effort to find a winning combination for the Stanford football game against the University of Washington in Seattle Saturday.

Gary Kerkerian, the sophomore whiz, was shifted into the first place quarterback spot, with another soph, Dick Horn, in second place. The veteran, Tommy Shaw, dropped into third string.

Ruddy Klein moved up to second position fullback behind Emory Mitchell. They are backed up by Billy de Young in reserve.

Eric Southwood went from fullback to right half, strengthening the fullback depth. Holy Borick, who sat out last week's game with an injured ankle, also returned to the back field.

In the line end Al Laake, who has been out for three weeks with a knee injury, reported for duty again, and Capt. Al Rau, tackle, said he would be back in shape for the Seattle fracas. Rau has been out with a few broken ribs.

PULLMAN, Oct. 12.—(AP)—Coach Phil Sarboe locked the gates on his Washington State college practice sessions yesterday, but he let down the bars on this Saturday's starters against Idaho.

"Anyone is a contender for a starting berth," Sarboe said. "It depends on who looks good in scrimmages."

Veteran Cougar squad members said the session that followed was the toughest in their memory.

EUGENE, Ore., Oct. 12.—(AP)—Quarterback Earl Stelle might make a good politician—he's a good mud-slinger.

The Oregon quarterback had little difficulty in hanging onto the ball yesterday as he tossed passes during a two-hour drill on a mud covered field in preparation for Saturday's tiff with Colorado here.
