Protestant Film To Be Shown To Hit Race Hatred

NEW YORK, Oct. 12.—(AP)—In 100 cities throughout the country next week, the Protestant church will show how well it is learning from Hollywood.

With a splash and hoop-la usually associated with million-dollar spectacles from movie-land, the Protestant Film commission will conduct simultaneous premieres in those cities Monday of its latest full length movie, "Prejudice."

Produced by the commission in cooperation with the Anti-Demagogues League of B'Nai B'rith, the \$100,000 movie was backed financially by 17 major protestant denominations.

It "presents the Christian approach to the problems of religious hatreds," says the commission and is the first motion picture ever produced under exclusively religious auspices to be shown in commercial theaters.

In the premieres the film will be shown to invited audiences of Clergymen, Civic and Labor leaders. From there it will go into the big time movie houses to compete with such current

Northwest Transmission Lines' Addition Assured

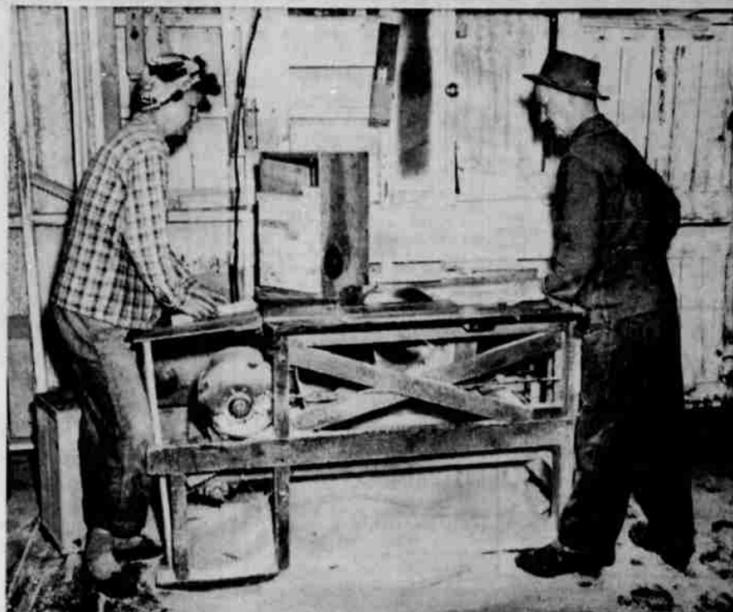

PORTLAND, Oct. 13.—(AP)—Continued progress in building transmission lines to meet the Pacific Northwest's power shortage is assured through another year, Paul J. Raver, Bonneville administrator, said Wednesday.

When President Truman signed the Interior department appropriation bill yesterday, it made available \$46,524,000 for the 1949-50 Bonneville fiscal year, Raver said.

The money will be used on projects in Oregon, Washington, Northern Idaho and Montana.

The total sum includes \$26,284,500 for construction and \$4,000,000 for operation and maintenance. The bill also gives \$16,239,500 in contract authorizations, the administrator said.

Although the money is \$5,000,000 short of the President's budget request, it is about \$6,000,000 over the appropriation for the past fiscal year.

It's extremely neat. "Cleanliness about a mill keeps insurance rates down," Mr. Bagley, the owner, explained. "It also makes the place a nicer one in which to work."—(Picture by Paul Jenkins.)

A. M. BAGLEY, owner of the Bagley Crate and Box Company at Deady, is pictured beside a handhole machine of his own design. Mr. Bagley purchased his present plant in 1929, operating it with partners as a sawmill. In 1932, buying out the other interests, he converted the plant into a box manufacturing concern. Born in Maine and to the sawmill business, he removed to Minnesota when his father, a sawmill man, took over an operation there. "It was mighty tough going here in Douglas county during the early thirties," he recalled. But he hung on!—(Picture by Paul Jenkins.)

Corn Crop This Year 2nd Largest In U. S. Records

WASHINGTON, Oct. 13.—(AP)—The Agriculture department Tuesday estimated this year's corn crop at 3,476,986,000 bushels,

the second largest of record. This estimate is 48,755,000 bushels less than the 3,525,741,000 forecast a month ago. It compares with last year's record of 3,650,548,000 bushels and with the ten-year (1938-47) average of 2,787,628,000 bushels.

Wheat production was put at 1,126,226,000 bushels, or 2,855,000 less than the 1,129,081,000 forecast last month. It compares with the 1948 crop of 1,288,406,000 bushels and with the ten-year average of 991,950,000.

The indicated production of other crops compared with a month ago, last year and the ten-year average, respectively, included:

First Woman Is Nominated For Ambassador Post

WASHINGTON, Oct. 13.—(AP)—Mrs. Eugenie Anderson of Red Wing, Minn., was nominated Wednesday as ambassador to Denmark.

She should be the first woman to hold that rank in the diplomatic service.

President Truman sent the nomination of the Democratic national committeewoman from Minnesota to the senate.

Active in the Democratic party since 1944, Mrs. Anderson has long been identified with the League of Women Voters.

While other women have served this country as minister—Mrs. Perle Mesta, former Washington hostess holds that rank in Luxembourg—Mrs. Anderson is the only one this country has ever had with the full rank of ambassador.

Mrs. Ruth Bryan Owen was

minister to Denmark before the mission there was raised to embassy rank.

The post in Denmark has been vacant since Josiah Marvel Jr. left it some months ago.

Mrs. Anderson was born in Iowa in 1909. Her husband, John P. Anderson, is an artist. Married in 1930, they have a daughter, Johanna and a son, Hans.

Youth Accidentally Kills Himself With Shotgun

BREMERTON, Oct. 13.—(AP)—A 16-year-old youth was accidentally killed by a last from his own shotgun Wednesday while driving a tractor in the fields of his dairy farm home, seven miles south of Port Orchard.

He was Richard G. Hall, son of Mr. and Mrs. William G. Hall.

Several hunters had seen the youth a few minutes before the accident occurred, driving the machine with his gun on his lap. They heard the discharge and returned to find him wounded in the back, just above the hip.

He was dead on arrival at a hospital here.
