Salem Secret Society

Students Facing Ouster
SALEM, Oct. 13.—(AP)—Nineteen high school students here face dismissal today because of membership in a secret society—a group the school board says is the type banned by state school law.
The school board announcement of the pending dismissal identified the organization as the American Boys' club, formed last summer. The board said it was patterned after a Portland organization.
By state law, the board said last night, secret societies, fraternities and sororities are banned in high schools. At least one first string football player was on the dismissed list, the Oregon Statesman reported. The player was not identified by name.
Parents of the youths involved indicated they would fight the dismissals in court.

Czechs Ordered To Give Up Privately-Owned Guns

PRAGUE, Czechoslovakia, Oct. 13.—(AP)—The communist-led government, rounding up thousands of political suspects in a giant police operation, tonight ordered Czechs to surrender all privately owned firearms.
The inference was that the government feared to leave guns in private hands. Even such relatively harmless weapons as air rifles were taken.
Reliable sources reported, meanwhile, that arrests in the provinces outside Prague were aimed at a suspected underground, preparatory to trials which will attempt to link the underground to the Catholic church.

Armed Services Pay Hike Bill Signed By Truman

WASHINGTON, Oct. 13.—(AP)—President Truman Wednesday signed into law a raise in pay for most members of the armed services.
The bill provides an annual increase totaling approximately \$300,000,000 for members of the various military branches. It means increased pay for virtually everyone who wears a uniform, effective as of Oct. 1.
The increases range from around \$5 a month for recruits to a little more than \$300 for generals with 30 years or more service.

PHONY BILL PAYS FINE

PORTLAND, Oct. 14.—(AP)—Portland police Wednesday had a good look at a \$10 counterfeit bill—they took one in Tuesday in payment of a fine.
A transient was arrested while trying to pass one at a liquor store. He said he got it in a poker game in Seattle last month.
A number of the phony bills have turned up here and in Seattle.

Since 1916 the number of miles of railway line in continental United States has declined steadily from 254,037 to 225,200.
